ACTION: Notice of Pilot Program extension.

SUMMARY: This notice announces the extension of SBA's Export Express Pilot Program until September 30, 2007. It will also allow SBA to further consult with its lending partners, the small business community and its oversight authorities about the programs.

The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Pub. L. 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that are included in this notice are for approvals of existing information collections, revisions to OMB-approved information collections, and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the OMB Desk Officer and the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the individuals at the addresses and fax numbers listed below:

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974.

The scope of this form is now being expanded to include people who wish to appeal the decision that has been made regarding their obligation to pay a new Income-Related Monthly Adjustment Amount (IRMAA) for Medicare Part B, as per the requirements of the Medicare Modernization Act of 2003. Although this information will be collected by SSA, the actual hearings will take place before administrative law judges (ALJ) who are employed by the Department of Health and Human Services (HHS). The current respondents include applicants for various Social Security benefits programs who want to request a hearing where they can appeal their denial; the new additional respondents are Medicare Part B recipients whom SSA has determined will have to pay the new Medicare Part B IRMAA and who wish to appeal this decision at a hearing before an HHS ALJ.

Type of Request: Revision to an OMB-approved information collection.

Number of Respondents: 669,469.

Frequency of Response: 1.

Average Burden Per Response: 10 minutes.

This information is used by the State disability determination services (DDS) adjudicators and administrative law judges to assess the effects of symptoms on functionality for determining disability under the Social Security Act. The respondents are applicants for Supplemental Security Income (SSI) benefits.

Form SSA-513 is used by states to request QC information for an alien's spouse or child in cases where the alien does not sign a consent form giving permission to access his/her Social Security records. QCs can also be allocated to a spouse and/or to a child under age 18, if needed, to obtain 40 qualifying QCs for the alien.
