#### Public Notice for Waiver of Aeronautical Land-Use Assurance; Detroit Metropolitan Wayne County Airport, Detroit, MI

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice of intent of waiver with respect to land.

**SUMMARY:** The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the Detroit Metropolitan Wayne County Airport (DTW) from aeronautical use to non-aeronautical use and to authorize the sale of the airport property. The proposal consists of the sale of vacant, unimproved land owned by the Wayne County Airport Authority (WCAA).

The WCAA has requested from FAA a "Release from Federal agreement obligated land covenants" to sell portions of six (6) parcels. The property proposed for release was acquired by the WCAA and FAA Project Numbers: 3-26-0026-1991, 3-26-0026-2292, 3-26-0026-3695, 3-0026-4197, and 3-26-0026-4398.

There are no impacts to the airport by allowing the WCAA to dispose of the vacant property. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999.

#### Public Notice for Waiver of Aeronautical Land-Use Assurance; Detroit Metropolitan Wayne County Airport, Detroit, MI

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice of intent of waiver with respect to land.

**SUMMARY:** The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the Detroit Metropolitan Wayne County Airport (DTW) from aeronautical use to non-aeronautical use and to authorize the sale of the airport property. The proposal consists of a land exchange between the Wayne County Airport Authority (WCAA) and the City of Romulus (City) for the Romulus Department of Public Works (DPW) property.

The Runway 4L/22R construction project at DTW necessitated the WCAA acquire the City DPW site on Goddard Road (Parcel 65). A Memorandum of Understanding between the WCAA and the City provided that the WCAA construct a replacement DPW facility on surplus airport property West of relocated Wayne Road and then exchange this property (portions of seven parcels) for the former City DPW site. The new DPW facility has been constructed and the WCAA/City desire to complete the property exchange.

The WCAA has requested from FAA a "Release from Federal agreement obligated land covenants" to complete

the land exchange. The property proposed for release was acquired by the WCAA under FAA Project Numbers: 3-26-0026-1991, 3-26-0026-2292, 3-26-0026-3695, 3-26-0026-4197, and 3-26-0026-4398.

There are no impacts to the airport by allowing the WCAA to exchange property with the City. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999.

In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

**DATES:** Comments must be received on or before September 20, 2006.
