37 CFR Part 201

[Docket No. RM 2006-4]

Electronic Payment of Royalties

AGENCY: Copyright Office, Library of Congress.

ACTION: Final rule.

SUMMARY: The Copyright Office is publishing a final rule amending its rules governing the submission of royalty fees to the Copyright Office to require such payments to be made by electronic funds transfer.

DATES: October 1, 2006.

FOR FURTHER INFORMATION CONTACT:

Tanya M. Sandros, Associate General Counsel, Copyright GC/I&R, P.O. Box 70400, Southwest Station, Washington, DC 20024. Telephone: (202) 707-8380. Telefax: (202) 707-8366.

SUPPLEMENTARY INFORMATION: On April 27, 2006, the Copyright Office published a notice of proposed rulemaking seeking comment on amending its rules requiring the submission of royalty fees to be made by electronic funds transfer. 71 FR 24829 (April 27, 2006). The purpose of this notice is to announce the final rule.

Cable systems and satellite carriers that retransmit broadcast signals in accordance with the provisions governing the statutory licenses set forth in sections 111 and 119 of the Copyright Act, title 17 of the United States Code, respectively, are required to pay royalty fees to the Copyright Office. The Copyright Office also receives statutory fees from manufacturers and importers of digital audio recording devices and media who distribute these products in the United States. 17 U.S.C. chapter 10. Payments made under the cable and satellite carrier statutory licenses are remitted semiannually to the Copyright Office. 17 U.S.C. 111(d)(1) and 119(b)(1). Payments made under the Audio Home Recording Act of 1992 are made quarterly. 17 U.S.C. 1003(c). The Copyright Office invests the royalties in United States Treasury securities pending distribution of these funds to

those copyright owners who are entitled to receive a share of the fees. 17 U.S.C. 111(d)(2), 119(b)(2) and 1005.

Under the proposed amended regulations, a number of changes were made regarding the payment of copyright royalties. The most important change was that payment could only be made through an electronic funds transfer (“ETF”). This change eliminates the options of payment by certified or cashier’s check, or money order. Most payors already use EFTs, and requiring the use of EFTs substantially enhances the efficiency of the collection process. The proposed regulations also require that the parties submit specific identifying and linking information as part of the EFT, and/or as part of a “remittance advice” which accompanies Statement(s) of Account and that the “remittance advice” be faxed or emailed to the Licensing Division.

The new rules allow the Copyright Office to return any EFT which fails to properly identify statements to which they relate and requires the remitter to resubmit the EFT correctly. Should this occur, the remitter will be responsible for any assessed interest charge that accrues as a result of a late payment or an underpayment. Additionally, the new rules require that “remittance advice” information be included with Statements of Account in order to accurately identify what is submitted and how fees are to be allocated among the statements.

Finally, the new rules include a waiver provision for those situations where there may be circumstances which make it virtually impossible for a remitter to use the electronic payment option or imposes a financial or other hardship. Requests for a waiver must include a statement setting forth the reasons why the waiver should be granted and the statement must be signed by a duly authorized representative of the entity making the payment, certifying that the information provided is true and correct.

In response to the publication of the proposed rules, the Copyright Office did not receive any comments. Consequently, the Copyright Office is adopting the previously proposed text with minor stylistic changes, as final rules.
