

Bureau of Land Management, St. George Field Office, 345 E. Riverside Drive, St. George, Utah 84790. The land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for leasing under the Recreation and Public Purposes Act and leasing under the mineral leasing laws on January 26, 2006. Interested persons may submit comments regarding the proposed classification, lease of the land to the Field Office Manager, St. George Field Office until March 13, 2006.

Classification Comments: Interested parties may submit comments involving the suitability of the lands for a golf course and trail system. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs. Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective on March 27, 2006.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the City of Hurricane's application, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for golf course and trail purposes. Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the decision to lease will become the final decision of the Department of the Interior.

Dated: December 14, 2005.

James D. Crisp,

Field Office Manager.

Bureau of Reclamation

Information Collection Activities Under OMB Review

AGENCY: Bureau of Reclamation, Interior
ACTION: Notice of Data Collection
Submission (OMB No. 1006-0014).

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 et seq.), this notice announces that the Information Collection Request (ICR) abstracted below for the Lower Colorado River Well Inventory has been forwarded to the Office of Management and Budget (OMB) for review and approval. The ICR describes the nature of the information collection and its expected cost and burden.

DATES: Comments must be submitted on or before February 27, 2006. OMB has up to 60 days to approve or disapprove this information collection, but may respond after 30 days; therefore, public comment should be submitted to OMB within 30 days in order to assure maximum consideration.

ADDRESSES: Comments on this information collection should be submitted to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for the Department of the Interior, via facsimile to (202) 395-6566 or e-mail to

OIRA_DOCKET@omb.eop.gov. A copy of your comments should also be directed to the Bureau of Reclamation, Attention Mr. Jeffrey Addiego, Boulder Canyon Operations Office, P.O. Box 61470, Boulder City, NV 89006-1470.

FOR FURTHER INFORMATION CONTACT: For further information or a copy of the proposed collection of information, contact Mr. Jeffrey Addiego, 702-293-8525, or e-mail at JAddiego@lc.usbr.gov.

SUPPLEMENTARY INFORMATION: Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of Reclamation, including whether the information shall have practical use; (b) the accuracy of Reclamation's estimated burden of the proposed collection of information; (c) ways to enhance the quality, use, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on those who are to respond, including through the use of automated collection techniques or other forms of information technology.

Title: Lower Colorado River Well Inventory.

OMB No.: 1006-0014.

Description of respondents: All diversions of mainstream Colorado River water along the lower Colorado River must be accounted for and, for non-Indian diverters, in accordance with a water use contract with the Secretary of the Interior. Each diverter (including well pumpers) must be identified and their diversion locations and water use determined. This requires an inventory of wells along the lower Colorado River and the gathering of specific information concerning each well.

Frequency: These data will be collected only once for each well owner or operator as long as changes in water use, or other changes that would impact contractual or administrative requirements, are not made.

Estimated completion time: An average of 20 minutes is required for Reclamation to interview individual well owners or operators. Reclamation will use the information collected during these interviews to complete the information collection form.

Annual responses: 1,500.

Annual burden hours: 500 hours.

An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless its displays a currently valid OMB control number. Reclamation will display a valid OMB control number on the forms.

A **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on July 27, 2005 (70 FR 43450). No comments were received.

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of

organizations or businesses, available for public disclosure in their entirety.

Steven C. Hvinden,

Acting Area Manager, Boulder Canyon Operations Office, Lower Colorado Region.

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

Consistent with the policy of 42 U.S.C. 9622(d)(2), notice is hereby given that on January 11, 2006, a proposed Consent Decree in *United States v. Daniel Green, et al.*, Civil Action No. 1:00-cv-637, was lodged with the United States District Court for the Southern District in Ohio.

In this action the United States sought reimbursement of response costs incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the Green Industries Site in Sharonville, Ohio ("the Site") pursuant to section 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9607(a). The Consent Decree resolves the United States' claims against defendants Daniel Green and the Estate of Maurice Green ("Settling Defendants") on an inability to pay basis. Resolution of claims against Daniel Green terminates the need for inclusion of Saundra Green in this matter as a Rule 19 defendant. The Settling Defendants will collectively pay \$100,000.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Daniel Green, et al.*, D.J. Ref. 90-11-2-06906.

The Consent Decree may be examined at the Office of the United States Attorney, 221 East Fourth Street, Suite 400, Cincinnati, OH and at U.S. EPA Region 5, 77 West Jackson Blvd., Chicago, IL. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site, <http://www.usdoj.gov/enrd/open.html>. A copy of the Consent Decree may also be
