

(Commission) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 15c2-7 Identification of Quotations.

Rule 15c2-7 enumerates the requirements with which all brokers and dealers must comply when submitting a quotation for a security (other than a municipal security) to an inter-dealer quotation system.

It is estimated that there are 8,500 brokers and dealers. Industry personnel estimate that approximately 900 notices are filed pursuant to Rule 15c2-7 annually. Based on industry estimates that respondents complying with Rule 15c2-7 spend 30 seconds to add notice of an arrangement and 1 minute to delete notice of an arrangement, the staff estimates that, on an annual basis, respondents spend a total of 11.25 hours to comply with Rule 15c2-7, based upon past submissions. The average cost per hour is approximately \$35. Therefore, the total cost of compliance for brokers and dealers is approximately \$393.75.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application of CITGO Petroleum Corporation To Withdraw its 7⁷/₈% Senior Notes (Due May 15, 2006), From Listing and Registration on the New York Stock Exchange, Inc. File No. 1-14380

January 20, 2006.

On January 12, 2006, CITGO Petroleum Corporation, a Delaware corporation ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its 7⁷/₈% senior notes (due May 15, 2006) ("Security"), from listing and registration on the New York Stock Exchange, Inc. ("NYSE").

On August 30, 2004, the Board of Directors ("Board") of the Issuer adopted resolutions to withdraw the Security from listing and registration on NYSE. The Issuer stated that the Board determined that it is in the best interest of the Issuer and the holders of the Security to delist the Security from NYSE and to withdraw from registration under section 12(b) of the Act.³ The Issuer stated the reasons that factored into the Board's decision to withdraw the Security from listing on NYSE included a determination that the benefits of continued listing were outweighed by the administrative burdens, particularly since the adoption of the Sarbanes-Oxley Act of 2002 has resulted in more stringent corporate governance rules and increased costs of compliance. The Issuer also stated that in November 2005, the Issuer completed a tender offer for the Security pursuant to Board approval. As a result of such tender offer, only approximately \$14,300,000 of the original \$200,000,000 face amount of the Security remains outstanding.

The Issuer stated in its application that it has complied with the NYSE's rules governing an issuer's voluntary withdrawal of a security from listing and registration by complying with all applicable laws in the State of Delaware, in which the Issuer is incorporated, and by providing NYSE with the required documents governing the removal of securities from listing and registration on NYSE.

The Issuer's application relates solely to the withdrawal of the Security from

listing on NYSE and from registration under section 12(b) of the Act,⁴ and shall not affect its obligation to be registered under section 12(g) of the Act.⁵

Any interested person may, on or before February 10, 2006, comment on the facts bearing upon whether the application has been made in accordance with the rules of NYSE, and what terms, if any, should be imposed by the Commission for the protection of investors.
