

application and the eligibility of each applicant on the information provided in the application.

*Selection Criteria*

Section 514 loan funds and section 516 grant funds will be distributed to States based on a national competition, as follows:

- (1) States will accept, review, and score requests in accordance with the Notice. The scoring factors are:
  - (a) The presence and extent of leveraged assistance, including donated land, for the units that will serve program-eligible tenants, calculated as a percentage of the RHS total development cost (TDC). RHS TDC excludes non-RHS eligible costs such as a developer's fee. Leveraged assistance includes, but is not limited to, funds for hard construction costs, section 8 or other non-RHS tenant subsidies, and state or Federal funds. A minimum of ten percent leveraged assistance is required to earn points; however, if the total percentage of leveraged assistance is less than ten percent and the proposal includes donated land, two points will be awarded for the donated land. To count as leveraged funds for purposes of the selection criteria, a commitment of funds must be provided with the preapplication. Points will be awarded in accordance with the following table. (0 to 20 points)

Percentage	Points
75 or more .....	20
60-74 .....	18
50-59 .....	16
40-49 .....	12
30-39 .....	10
20-29 .....	8
10-19 .....	5
0-9 .....	0

Donated land in proposals with less than ten percent total leveraged assistance: 2.

(b) Percent of units for seasonal, temporary, migrant housing. (5 points for up to and including 50 percent of the units; 10 points for 51 percent or more.)

(c) The selection criteria includes one optional criteria set by the National Office. The National Office initiative will be used in the selection criteria as follows: Up to 10 points will be awarded based on the presence of and extent to which a tenant services plan exists that clearly outlines services that will be provided to the residents of the proposed project. These services may include, but are not limited to, transportation related services, on-site English as a Second Language (ESL) classes, move-in funds, emergency assistance funds, homeownership

counseling, food pantries, after school tutoring, and computer learning centers. Two points will be awarded for each resident service included in the tenant services plan up to a maximum of 10 points. Plans must detail how the services are to be administered, who will administer them, and where they will be administered. All tenant service plans must include letters of intent that clearly state the service that will be provided at the project for the benefit of the residents from any party administering each service, including the applicant. (0 to 10 points)

(2) States will conduct the preliminary eligibility review, score the applications, and forward them to the National Office.

(3) The National Office will rank all requests nationwide and distribute funds to States in rank order, within funding and RA limits. A lottery in accordance with 7 CFR 3560.56(c)(2) will be used for applications with tied point scores when they all cannot be funded. If insufficient funds or RA remain for the next ranked proposal, that applicant will be given a chance to modify their application to bring it within remaining funding levels. This will be repeated for each next ranked eligible proposal until an award can be made or the list is exhausted.

Dated: March 8, 2006.

**Discussion of Notice**

**I. Authority and Distribution Methodology**

*A. Authority*

Section 515 of the Housing Act of 1949 (42 U.S.C. 1485) provides RHS with the authority to make loans to any individual, corporation, association, trust, Indian tribe, public or private nonprofit organization, consumer cooperative, or partnership to provide rental or cooperative housing and related facilities in rural areas for very-low, low, or moderate income persons or families, including elderly persons and persons with disabilities. Rental assistance (RA) is a tenant subsidy for very-low and low-income families residing in rural rental housing facilities with RHS financing and, when available, may be requested with applications for such facilities.

*B. Distribution Methodology*

The total amount available for Fiscal Year (FY) 2006 for section 515 is \$99,000,000, of which \$25,740,000 is available for new construction as follows:

Section 515 new construction funds .....	\$8,562,510
Set-aside for nonprofits .....	\$8,910,000

Set-aside for Underserved Counties and Colonias .....	\$4,950,000
Earmark for EZ, EC, and REAP Zones .....	\$2,327,490
State Rental Assistance (RA) Designated reserve .....	\$990,000

**C. Section 515 New Construction Funds**

For FY 2006, the Administrator has determined that it would not be practical to allocate funds to States because of funding limitations; therefore, section 515 new construction funds will be distributed to States based on a National competition, as follows:

1. States will accept, review, score, and rank requests in accordance with 7 CFR 3560.56. The scoring factors are:

(a) The presence and extent of leveraged assistance for the units that will serve RHS income-eligible tenants at basic rents comparable to those if RHS provided full financing, computed as a percentage of the RHS total development cost (TDC). Loan proposals that include secondary funds from other sources that have been requested but have not yet been committed will be processed as follows: the proposal will be scored based on the requested funds, provided (1) the applicant includes evidence of a filed application for the funds; and (2) the funding date of the requested funds will permit processing of the loan request in the current funding cycle, or, if the applicant does not receive the requested funds, will permit processing of the next highest ranked proposal in the current year. Points will be awarded in accordance with the following table. (0 to 20 points)

Percentage of leveraging	Points
75 or more .....	20
70-74 .....	19
65-69 .....	18
60-64 .....	17
55-59 .....	16
50-54 .....	15
45-49 .....	14
40-44 .....	13
35-39 .....	12
30-34 .....	11
25-29 .....	10
20-24 .....	9
15-19 .....	8
10-14 .....	7
5-9 .....	6
0-4 .....	0

(b) The units to be developed are in a colonia, tribal land, EZ, EC, or Rural Economic Area Partnership (REAP) community, or in a place identified in the State Consolidated Plan or State Needs Assessment as a high need community for multifamily housing. (20 points)

(c) Pursuant to 7 CFR 3560.56(c)(1)(iii), in states where RHS

has an on-going formal working relationship, agreement, or Memorandum of Understanding (MOU) with the State to provide State resources (State funds, State RA, HOME funds, Community Development Block Grant (CDBG) funds, or Low-Income Housing Tax Credits (LIHTC)) for RHS proposals; or where the State provides preference or points to RHS proposals in awarding such State resources, 20 points will be provided to loan requests that include such State resources in an amount equal to at least 5 percent of the TDC. Native American Housing and Self Determination Act (NAHASDA) funds may be considered a State Resource if the Tribal Plan for NAHASDA funds contains provisions for partnering with RHS for multifamily housing. (National Office initiative)

(d) The loan request includes donated land meeting the provisions of 7 CFR 3560.56(c)(1)(iv). (5 points)

2. The National Office will rank all requests nationwide and distribute funds to States in rank order, within funding limits. If insufficient funds remain for the next ranked proposal, the Agency will select the next ranked proposal that falls within the remaining levels. Point score ties will be handled in accordance with 7 CFR 3560.56(c)(2).

**D. Applications That Do Not Require New Construction RA**

For FY 2006, new construction RA will not be available, except if matched by State RA. Unused RA may be allocated from within the State jurisdiction to approved new construction projects. Therefore, the Agency is inviting applications to develop units in markets that do not require RA. The market study for proposals must clearly demonstrate a need and demand for the units by prospective tenants at income levels that can support the proposed rents without tenant subsidies. The proposed units must offer amenities that are typical for the market area at rents that are comparable to conventional rents in the market for similar units.

**E. Set-Asides**

Loan requests will be accepted for the following set-asides:

1. Nonprofit set-aside. An amount of \$8,910,000 has been set aside for nonprofit applicants. All loan proposals must be in designated places in accordance with 7 CFR 3560.57. A State or jurisdiction may receive one proposal from this set-aside, which cannot exceed \$1 million. A State could get additional funds from this set-aside if any funds remain after funding one proposal from each participating State.

If there are insufficient funds to fund one loan request from each participating State, selection will be made by point score. If there are any funds remaining, they will be handled in accordance with 42 U.S.C. 1485(w)(3). Funds from this set-aside will be available only to nonprofit entities, which may include a partnership that has as its general partner a nonprofit entity or the nonprofit entity's for-profit subsidiary which will be receiving low-income housing tax credits authorized under section 42 of the Internal Revenue Code of 1986. To be eligible for this set-aside, the nonprofit entity must be an organization that:

(a) Will own an interest in the project to be financed and will materially participate in the development and the operations of the project;

(b) Is a private organization that has nonprofit, tax exempt status under section 501(c)(3) or section 501(c)(4) of the Internal Revenue Code of 1986;

(c) Has among its purposes the planning, development, or management of low-income housing or community development projects; and

(d) Is not affiliated with or controlled by a for-profit organization.

2. Underserved counties and colonias set-aside. An amount of \$4,950,000 has been set aside for loan requests to develop units in the 100 most needy underserved counties or colonias as defined in section 509(f) of the Housing Act of 1949.

3. EZ, EC, and REAP Earmark. An amount of \$2,327,490 has been set aside to develop units in an EZ, EC, or REAP zone. Loan requests that are eligible for this set-aside are also eligible for regular section 515 funds. If requests for this set-aside exceed available funds, selection will be made in accordance with 7 CFR 3560.56(c).

**II. Funding Limits**

A. Individual loan requests may not exceed \$1 million. This applies to regular section 515 funds and set-aside funds. The Administrator may make an exception to this limit in cases where a State's average total development costs exceed the National average by 50 percent or more.

B. No State may receive more than \$2.5 million, including set-aside funds.

**III. Rental Assistance (RA)**

RA will not be available from the National Office for use with section 515 Rural Rental Housing new construction loans, except if matched by State RA. Unused RA may be allocated from within the State jurisdiction to approved new construction projects.

#### IV. Application Process

All applications for section 515 new construction funds must be filed with the appropriate Rural Development State Office and must meet the requirements of 7 CFR 3560.56, as well as comply with the provisions of Section V. of this Notice. Incomplete applications will not be reviewed and will be returned to the applicant. No application will be accepted after 5 p.m., local time, on the application deadline previously mentioned unless that date and time is extended by a Notice published in the **Federal Register**.

#### V. Application Submission Requirements

A. Each application shall include all of the information, materials, forms and exhibits required by 7 CFR 3560.56, as well as comply with the provisions of this Notice. Applicants are encouraged, but not required, to include a checklist and to have their applications indexed and tabbed to facilitate the review process. The Rural Development State Office will base its determination of completeness of the application and the eligibility of each applicant on the information provided in the application.

B. Applicants are advised to contact the Rural Development State Office serving the place in which they desire to submit an application for the following:

1. Application information; and
2. List of designated places for which applications for new section 515 facilities may be submitted.

#### VI. Areas of Special Emphasis or Consideration

A. The RHS encourages the use of funding from other sources in conjunction with Agency loans. This year there will be a National Office Initiative pursuant to 7 CFR 3560.56(c)(1)(iii), whereby preference points will be awarded to loan requests that meet the selection criteria as follows: In States where RHS has an on-going formal working relationship, agreement, or MOU with the State to provide State resources (State funds, State RA, HOME funds, CDBG funds, or LIHTC) for RHS proposals; or where the State provides preference or points to RHS proposals in awarding these State Resources, 20 points will be provided to loan requests that include such State resources in an amount equal to at least 5 percent of the TDC. NAHASDA funds may be considered a State Resource if the Tribal Plan for NAHASDA funds contains provisions for partnering with RHS for multifamily housing.

B. \$8,910,000 is available nationwide in a set-aside for eligible nonprofit organizations as defined in 42 U.S.C. 1485(w).

C. \$4,950,000 is available nationwide in a set-aside for the 100 most Underserved Counties and Colonias.

D. \$2,327,490 is available nationwide in an earmark for EZ, EC, and REAP zone.

E. \$990,000 is available nationwide in a reserve for States with viable State RA programs. In order to participate, States are to submit specific written information about the State RA program, i.e., a memorandum of understanding, documentation from the provider, etc., to the National Office.

Dated: March 8, 2006.
