SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rules 17Ad-6 and 17Ad-7, SEC File No. 270-151, OMB Control No. 3235-0291.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rules 17Ad-6 and 17Ad-7: Recordkeeping Requirements for Transfer Agents

Rule 17Ad-6 under the Securities Exchange Act of 1934 (15 U.S.C. 78b *et seq.*) requires every registered transfer agent to make and keep current records about a variety of information, such as: (1) Specific operational data regarding the time taken to perform transfer agent activities (to ensure compliance with the minimum performance standards in Rule 17Ad-2 (17 CFR 240.17Ad-2)); (2) written inquiries and requests by shareholders and broker-dealers and

response time thereto; (3) resolutions, contracts or other supporting documents concerning the appointment or termination of the transfer agent; (4) stop orders or notices of adverse claims to the securities; and (5) all canceled registered securities certificates.

Rule 17Ad-7 under the Securities Exchange Act of 1934 (15 U.S.C. 78b *et seq.*) requires each registered transfer agent to retain the records specified in Rule 17Ad-6 in an easily accessible place for a period of six months to six years, depending on the type of record or document. Rule 17Ad-7 also specifies the manner in which records may be maintained using electronic, microfilm, and microfiche storage methods.

These recordkeeping requirements ensure that all registered transfer agents are maintaining the records necessary to monitor and keep control over their own performance and for the Commission to adequately examine registered transfer agents on an historical basis for compliance with applicable rules.

We estimate that approximately 785 registered transfer agents will spend a total of 392,500 hours per year complying with Rules 17Ad-6 and 17Ad-7. Based on average cost per hour of \$50, the total cost of compliance with Rule 17Ad-6 is \$19,625,000.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549.
