Synopsis

On February 22, 2006, Healinc Telecom, LLC (Healinc) filed an application for certification, (Healinc Telecom, LLC, *VRS Certification Application of Healinc Telecom LLC* CG Docket No. 03–123 (February 22, 2006) (*Healinc Application*)) as a VRS provider eligible for compensation from the Interstate TRS Fund (Fund) pursuant to the recently adopted provider certification rules. See *Telecommunications Relay Services for Individuals with Hearing and Speech Disabilities*, Report and Order and Order on Reconsideration, CG Docket No. 03–123, FCC 05–203 (December 12, 2005); published at 70 FR 76208, December 23, 2005 (*2005 VRS Provider Order*); 47 CFR 64.605(a)(2) of the Commission's rules. Prior to the *2005 VRS Provider Order*, an entity desiring to offer TRS and receive compensation from the Fund had to meet one of the three eligibility standards set forth in 47 CFR 64.604(c)(5)(iii)(F) of the Commission's rules. On April 18, 2006, Healinc submitted an addendum, (Healinc Telecom, LLC, *VRS Certification Addendum of Healinc Telecom, LLC*, CG Docket No. 03–123 (April 18, 2006) (*Healinc Addendum*)) to its original application clarifying that it was seeking certification only as a provider of VRS. The addendum also documented Healinc's compliance with some mandatory minimum standards that were not addressed in its original application. Healinc's application is granted, subject to the conditions noted below.

On December 12, 2005, the Commission released an order adopting new rules permitting carriers desiring to offer VRS and receive payment from the Fund to seek certification as a provider eligible for compensation from the Fund. *2005 VRS Provider Order, supra*. The rules require entities seeking such certification to submit documentation to the Commission setting forth, in narrative form:

(i) A description of the forms of TRS to be provided (i.e., VRS and/or IP Relay); (ii) a description of how the

provider will meet all non-waived mandatory minimum standards applicable to each form of TRS offered; (iii) a description of the provider's procedures for ensuring compliance with all applicable TRS rules; (iv) a description of the provider's complaint procedures; (v) a narrative describing any areas in which the provider's service will differ from the applicable mandatory minimum standards; (vi) a narrative establishing that services that differ from the mandatory minimum standards do not violate applicable mandatory minimum standards; (vii) demonstration of status as a common carrier; and (viii) a statement that the provider will file annual compliance reports demonstrating continued compliance with these rules. 47 CFR 64.605(a)(2) of the Commission's rules.

The rules further provide that after review of the submitted documentation, the Commission shall certify that the VRS provider is eligible for compensation from the Fund if the Commission determines that the certification documentation:

(i) Establishes that the provision of VRS * * * will meet or exceed all non-waived operational, technical, and functional minimum standards contained in § 64.604 of the Commission's rules; (ii) establishes that the VRS * * * provider makes available adequate procedures and remedies for ensuring compliance with the requirements of this section and the mandatory minimum standards contained in § 64.604 of the Commission's rules, including that it makes available for TRS users informational materials on complaint procedures sufficient for users to know the proper procedures for filing complaints; and (iii) where the TRS service differs from the mandatory minimum standards contained in § 64.604 of the Commission's rules, the VRS * * * provider establishes that its service does not violate applicable mandatory minimum standards. 47 CFR 64.605(b)(2) of the Commission's rules.

The Bureau has reviewed the *Healinc Application and Healinc Addendum* pursuant to these rules. The Bureau concludes that Healinc has demonstrated that its provision of VRS service will meet or exceed all operational, technical, and functional TRS standards set forth in 47 CFR 64.604 of the Commission's rules; that it makes available adequate procedures and remedies for ensuring compliance with applicable Commission rules; and that to the extent Healinc's service differs from the mandatory minimum standards, the service does not violate the rules. *See, e.g., Healinc Application*

at page 9–13 of Appendix 2 (noting that Healinc will offer picture caller ID, picture directory of VRS CAs, and text messaging service).

The Bureau notes the Commission has adopted a declaratory ruling requiring the interoperability of VRS equipment and services. *See Telecommunications Relay Services for Individuals with Hearing and Speech Disabilities*, CG Docket No. 03–123, Declaratory Ruling and Further Notice of Proposed Rulemaking, FCC 06–57 (May 9, 2006), published at 71 FR 30818, May 31, 2006 and 71 FR 30848, May 31, 2006 (addressing California Coalition of Agencies Serving the Deaf and Hard of Hearing (CCASDHH), *Petition for Declaratory Ruling on Interoperability*, CC Docket No. 98–67, CG Docket No. 03–123, DA 05–509 (filed February 15, 2005)), published at 70 FR 12884, March 16, 2005. The Bureau conditions this grant of certification upon compliance with that order. *See also* 47 CFR 64.605(e)(2) of the Commission's rules (Commission may require certified providers to submit documentation demonstrating compliance with the mandatory minimum standards). Further, Healinc must file an annual report with the Commission evidencing that they are in compliance with § 64.604 of the Commission's rules. *See* 47 CFR 64.605(g) of the Commission's rules. The first such report shall be due one year after June 9, 2006, and subsequent reports shall be due each year thereafter.

This certification shall remain in effect for a period of five years from the release date of June 9, 2006. *See* 47 CFR 64.605(c)(2) of the Commission's rules. Within ninety days prior to the expiration of this certification, Healinc may apply for renewal of its VRS service certification by filing documentation in accordance with the Commission's rules. *See* 47 CFR 64.605(c)(2) of the Commission's rules.
