### **SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-54822; File No. SR-NSCC-2006-11]

#### **Self-Regulatory Organizations; National Securities Clearing Corporation; Notice of Filing of Proposed Rule Change To Amend its Rules and Procedures With Respect to Clearing Fund Collateral**

November 28, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on October 3, 2006, the National Securities Clearing Corporation ("NSCC") filed with the Securities and Exchange Commission

("Commission") the proposed rule change described in Items I, II, and III below, which items have been prepared primarily by NSCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The proposed rule change seeks to modify NSCC's Rules with respect to Clearing Fund collateral in order to improve liquidity and to minimize risk for NSCC and its members. NSCC has also made certain technical corrections to the text of Rule 4 to conform the rule to actual practice.<sup>3</sup>

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, NSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NSCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.<sup>4</sup>

##### *(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

Under NSCC's Rules,<sup>5</sup> members are required to make deposits to the Clearing Fund. The amount of each member's required deposit ("Required Deposit") is fixed by NSCC in accordance with one or more formulas. A member's Required Deposit may be satisfied with a cash deposit, and a portion of a member's Required Deposit may be evidenced by an open account indebtedness secured by Qualifying Bonds and/or one or more irrevocable letters of credit issued under certain guidelines established within NSCC's Rules.<sup>6</sup> NSCC haircuts the value that Qualifying Bonds receive when used to

<sup>3</sup> For example, the reference in Rule 4, Section 1 to the "market value" of Qualifying Bonds has been corrected to accurately reference the "collateral value" of Eligible Clearing Fund Securities.

<sup>4</sup> The Commission has modified the text of the summaries prepared by NSCC.

<sup>5</sup> Rule 4 (Clearing Fund), Procedure XV (Clearing Fund Formula and Other Matters), and Annex 1 (Version 2 of Procedure XV—Limited Applicability).

<sup>6</sup> Mutual Fund/Insurance Service Members are not permitted to use Qualifying Bonds or irrevocable letters of credit to satisfy their Required Deposits.

<sup>8</sup> 17 CFR 200.30-3(a)(12).

<sup>2</sup> 17 CFR 240.19b-4.

meet a member's Clearing Fund requirement and will not allow a letter of credit to be used if by doing so more than twenty percent of NSCC's total Clearing Fund would consist of letters of credit issued by that approved letter of credit issuing bank. Each member is entitled to any Clearing Fund interest earned or paid on Qualifying Bonds and cash deposits.

NSCC proposes to modify its Rules to:

- (1) Expand the types of instruments which NSCC may accept as Qualifying Bonds ("Eligible Clearing Fund Securities") securing a member's open account Clearing Fund indebtedness and establish concentration requirements with regard to their use;
- (2) create a correlating range of haircuts to be applied to these expanded types of Eligible Clearing Fund Securities; and
- (3) eliminate letters of credit as a generally acceptable form of collateral securing the member's open account Clearing Fund indebtedness.

#### 1. Revised Clearing Fund Components

(a) *Cash*. The current Clearing Fund minimum cash deposit requirement will remain unchanged: each member must contribute a minimum of \$10,000 with the first forty percent but no less than \$10,000 of a member's Required Deposit being in cash.<sup>7</sup>

(b) *Securities*. NSCC proposes to replace the term Qualifying Bonds<sup>8</sup> with a new set of definitions for Eligible Clearing Fund Securities. These securities will be unmaturing bonds which are either an Eligible Clearing Fund Agency Security, Eligible Clearing Fund Mortgage-Backed Security, or Eligible Clearing Fund Treasury Security. An Eligible Clearing Fund Agency Security will be defined as a direct obligation of those U.S. agencies or government sponsored enterprises as NSCC may designate from time to time that satisfies such criteria set forth in notices issued by NSCC from time to time. An Eligible Clearing Fund Mortgage-Backed Security will be defined as a mortgage-backed pass through obligation issued by those U.S. agencies or government sponsored enterprises as NSCC may designate from time to time that satisfies such criteria set forth in notices issued by NSCC from time to time. An Eligible Clearing Fund Treasury Security will be defined as a direct obligation of the U.S. Government that satisfies the criteria set forth in

notices issued by NSCC from time to time.

Initial eligibility criteria for each type of Eligible Clearing Fund Security will be announced to members in an Important Notice prior to the effective date of these proposed rule changes. Any future changes to the eligibility criteria will also be announced to members in Important Notices in advance of such changes becoming effective.

(c) *Security Concentration Provisions*. NSCC also proposes to establish security concentration provisions for Clearing Fund deposits. As is currently required, each member must contribute a minimum of \$10,000 with the first forty percent but no less than \$10,000 of a member's Required Deposit being in cash.<sup>9</sup> The remainder of a member's deposit may be secured by the pledge of Eligible Clearing Fund Securities in any combination of Eligible Clearing Fund Treasury Securities, Eligible Clearing Fund Agency Securities, and/or Eligible Clearing Fund Mortgage-Backed Securities, subject to the following two limitations. First, any deposits of Eligible Clearing Fund Agency Securities or Eligible Clearing Fund Mortgage-Backed Securities in excess of twenty-five percent of the member's Required Deposit will be subject to an additional haircut equal to twice the percentage noted in the haircut schedule. Second, no more than twenty percent of a member's Required Deposit secured by pledged Eligible Clearing Fund Agency Securities may be of a single issuer.<sup>10</sup>

(d) *Letters of Credit and Other Adequate Assurances*. Because letters of credit will no longer be accepted by NSCC as a form of Clearing Fund collateral,<sup>11</sup> the current requirements within NSCC's Rules that pertain to Letter of Credit Issuers will be modified to reflect this. For those members who currently have letters of credit posted as collateral (other than members, if any, that have been required to post letters of

credit for legal risk), effective April 1, 2007, (which date corresponds with the regular expiration date of letters of credit) members will be required to replace that portion of their Clearing Fund deposit with either cash or Eligible Clearing Fund Securities.

(e) *Implementation Timeframes*. The foregoing rule changes will become effective thirty days after an Important Notice is issued to members informing them that NSCC's systems are ready to accommodate such changes with the corresponding changes to NSCC's rules being made at that time.

NSCC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act<sup>12</sup> and the rules and regulations thereunder because it will enable NSCC to diversify Clearing Fund collateral in order to improve liquidity and to minimize risk for NSCC and its members. As such, NSCC believes it will better enable NSCC to safeguard securities and funds in its possession or control or for which it is responsible.

#### (B) *Self-Regulatory Organization's Statement on Burden on Competition*

NSCC does not believe that the proposed rule change will have any impact or impose any burden on competition.

#### (C) *Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments relating to the proposed rule change have not yet been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period: (i) As the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve such proposed rule change; or
- (B) Institute proceedings to determine whether the proposed rule change should be disapproved.

### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and

<sup>7</sup> See *supra* note 6.

<sup>8</sup> "Qualifying Bonds" is defined in Rule 4 as unmaturing bonds that are either direct obligations of, or obligations guaranteed as to principal and interest by, the United States or its agencies.

<sup>9</sup> See *supra* note 6.

<sup>10</sup> No member may post as collateral Eligible Clearing Fund Agency Securities for which it is the issuer. However, a member may pledge Eligible Clearing Fund Mortgage-Backed Securities for which it is the issuer subject to a premium haircut. That haircut shall be fourteen percent as an initial matter, and if the member also exceeds the twenty-five percent concentration limit, the haircut shall be twenty-one percent.

<sup>11</sup> NSCC has found that in practice letters of credit are not as liquid as cash and securities, and therefore potentially pose more risk to NSCC and its members when accepted by NSCC as Clearing Fund collateral. NSCC will, however, reserve the right to require letters of credit from members in those instances where a particular member has been found, by NSCC in its discretion, to present legal risk.
