BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA-2005-22472; Airspace Docket No. 05-AGL-08]

Establishment of Class D Airspace; Camp Ripley, MN; Establishment of Class E Airspace; Camp Ripley, MN

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action establishes Class D airspace at Camp Ripley, MN, and establishes Class E airspace at Camp Ripley, MN. This action establishes a radius of Class D airspace, and establishes a radius of Class E airspace for Ray S. Miller Army Airfield.

DATES: *Effective Date:* 0901 UTC, June 8, 2006.

FOR FURTHER INFORMATION CONTACT: Steve Davis, FAA Terminal Operations, Central Service Office, Airspace and Procedures Branch, AGL-530, 2300 East Devon Avenue, Des Plaines, Illinois 60018, telephone (847) 294-7131.

SUPPLEMENTARY INFORMATION:

History

On Monday, October 31, 2005, the FAA proposed to amend 14 CFR part 71 to establish Class D airspace, and establish Class E airspace at Camp Ripley, MN (70 FR 62257). The proposal was to establish Class D airspace, and establish Class E airspace extending upward from the surface of the earth to contain Instrument Flight Rules (IFR) operations in controlled airspace during portions of the terminal operation and while transiting between the enroute and terminal environments.

Interested parties were invited to participate in this rulemaking proceeding by submitting written comments on the proposal to the FAA. No comments objecting to the proposal were received. Class D airspace designations are published in paragraph

5000, and Class E airspace areas designated as surface areas in paragraph 6002, of FAA Order 7400.9N dated September 1, 2005, and effective September 16, 2005, which is incorporated by reference in 14 CFR 71.1. The Class D and Class E airspace designations listed in this document will be published subsequently in the Order.

The Rule

This amendment to 14 CFR part 71 establishes Class D airspace at Camp Ripley, MN, and establishes Class E airspace at Camp Ripley, MN, to accommodate aircraft executing instrument flight procedures into and out of Ray S. Miller Army Airfield. The area will be depicted on appropriate aeronautical charts.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this regulation—(1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

■ In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, CLASS B, CLASS C, CLASS D, AND CLASS E AIRSPACE AREAS; AIRWAYS; ROUTES, AND REPORTING POINTS

■ 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 95665, 3 CFR, 1959-1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of the Federal Aviation Administration Order 7400.9N, Airspace Designations and Reporting

Points, dated September 1, 2005, and effective September 16, 2005, is amended as follows:

* * * * *

Paragraph 5000 Class D airspace.

* * * * *

AGL MN D Camp Ripley, MN [New]

Camp Ripley, Ray S. Miller Army Airfield, MN

(Lat. 46°05'28" N., long. 94°21'38" W.)

That airspace extending upward from the surface to and including 3,700 feet MSL within a 3.9-mile radius of the Ray S. Miller Army Airfield. This Class D airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Airport/Facility Directory.

* * * * *

Paragraph 6002 Class E airspace designated as surface areas.

* * * * *

AGL MN E2 Camp Ripley, MN [New]

Camp Ripley, Ray S. Miller Army Airfield, MN

(Lat. 46°05'28" N., long. 94°21'38" W.)

Within a 3.9-mile radius of the Ray S. Miller Army Airfield. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Airport/Facility Directory.

* * * * *

Issued in Des Plaines, Illinois, on March 22, 2006.

Nancy B. Kort,

Area Director, Central Terminal Operations.

BILLING CODE 4910-13-M

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[CGD05-06-007]

RIN 1625-AA08

Special Local Regulations for Marine Events; Severn River, College Creek, Weems Creek and Carr Creek, Annapolis, MD

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is permanently modifying the regulated area defined in 33 CFR 100.518, and is temporarily amending 33 CFR 100.518

to accommodate 2006 date changes for the Safety at Sea Seminar, U.S. Naval Academy Crew Races and the Blue Angels Air Show. This rule is intended to restrict vessel traffic in portions of the Severn River, to provide for safety of life on navigable waters during these events.

DATES: The suspension of § 100.518 and the addition of temporary § 100.35–T05–007 are effective from March 25, 2006 through June 1, 2006. The amendments to § 100.518 are effective on June 2, 2006.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [CGD05–06–007] and are available for inspection or copying at Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704–5004 between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT:

Dennis M. Sens, Project Manager, Auxiliary and Recreational Boating Safety Branch, at (757) 398–6204.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On February 9, 2006, we published a notice of proposed rulemaking (NPRM) entitled “Special Local Regulations for Marine Events; Severn River, College Creek, Weems Creek and Carr Creek, Annapolis, MD” in the **Federal Register** (71 FR 6715). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held. No other documents were published as part of this rulemaking.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** because the first event will take place on March 25, 2006 and because the former boundaries of the regulated area are inadequate to protect the public. These regulations are needed to provide for the safety of life on navigable waters during the events.

Background and Purpose

For 2006, the Coast Guard is temporarily amending 33 CFR 100.518 to accommodate changes to the enforcement period for U.S. Naval Academy sponsored marine events. The dates for the marine events for 2006 will be: the Safety at Sea Seminar on April 1, 2006, the U.S. Naval Academy crew races on March 25, April 15, April 22, April 23, May 12 and May 28, 2006; and the Blue Angels air show on May 23 and May 24, 2006. The events will be enforced from 5 a.m. to 6 p.m. on those

days and if the event’s daily activities should conclude prior to 6 p.m., enforcement of this regulation may be terminated earlier on that day at the discretion of the Patrol Commander.

The U.S. Naval Academy, who is the sponsor for all of these events, intends to hold them annually on the dates provided in 33 CFR 100.518; however, in 2006 this is not possible. To accommodate the availability of the various marine event participants, new dates were necessary to conduct the events. The Coast Guard will temporarily amend 33 CFR 100.518 to reflect the 2006 schedule.

33 CFR 100.518 will also be permanently amended to reflect changes in the regulated area. The northwest boundary of the regulated area is bounded by a line approximately 1300 yards north and parallel with the U.S. 50 Severn River Bridge. The southeast boundary of the regulated area is extended approximately 1100 yards to the south to a point 700 yards east of Chinks Point, MD. The adjustments to the regulated area have been made to accommodate the aerobatic maneuvering area for the Blue Angels Air Show and encompass the rowing course for Naval Academy Crew Races. The temporary rule also reflects these new regulated area boundaries.

Discussion of Comments and Changes

No comments were received in response to the notice of proposed rulemaking (NPRM) published in the **Federal Register**. Minor stylistic changes have been made and the modified boundaries have been made permanent.

Regulatory Evaluation

This rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary. This action merely establishes the dates on which the existing regulations would be enforced and modifies the boundaries of the regulated area. It does not impose any additional restrictions on vessel traffic.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in a portion of the Severn River during the event.

This rule would not have a significant economic impact on a substantial number of small entities for the following reasons. It merely changes the dates on which the existing regulations will be enforced and modifies the boundaries of the regulated area. It does not impose any additional restrictions on vessel traffic.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork

Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation.

Under figure 2–1, paragraph (34)(h), of the Instruction, an “Environmental Analysis Check List” and a “Categorical Exclusion Determination” are not required for this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard will amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233; Department of Homeland Security Delegation No. 0170.1.

■ 2. Revise § 100.518, paragraphs (a)(1) and (c)(1) introductory text to read as follows:

§ 100.518 Severn River, College Creek, Weems Creek and Carr Creek, Annapolis, Maryland.

(a) *Regulated area.* (1) The regulated area is established for the waters of the Severn River from shoreline to shoreline, bounded to the northwest by a line drawn from the south shoreline at latitude 39°00′38.9″ N., longitude 076°31′05.2″ W. thence to the north shoreline at latitude 39°00′54.7″ N., longitude 076°30′44.8″ W., this line is approximately 1300 yards northwest of the U.S. 50 fixed highway bridge. The regulated area is bounded to the southeast by a line drawn from the Naval Academy Light at latitude 38°58′39.5″ N., longitude 076°28′49″ W. thence southeast to a point 700 yards east of Chinks Point, MD at latitude 38°58′1.9″ N., longitude 076°28′1.7″ W. thence northeast to Greenbury Point at latitude 38°58′29″ N., longitude 076°27′16″ W. All coordinates reference Datum NAD 1983.

* * * * *

(c) *Enforcement period.* (1) This section will be enforced during, and 30 minutes before each of the following annual events:

* * * * *

§ 100.518 [Suspended]

■ 3. From March 25, 2006 through June 1, 2006, suspend § 100.518.

■ 4. From March 25, 2006 through June 1, 2006, add temporary § 100.35–T05–007 to read as follows:

§ 100.35–T05–007 Severn River, College Creek, Weems Creek and Carr Creek, Annapolis, Maryland.

(a) *Regulated area.* (1) The regulated area is established for the waters of the Severn River from shoreline to shoreline, bounded to the northwest by a line drawn from the south shoreline at latitude 39°00′38.9″ N., longitude 076°31′05.2″ W. thence to the north shoreline at latitude 39°00′54.7″ N., longitude 076°30′44.8″ W., this line is approximately 1300 yards northwest of the U.S. 50 fixed highway bridge. The regulated area is bounded to the

southeast by a line drawn from the Naval Academy Light at latitude 38°58'39.5" N., longitude 076°28'49" W. thence southeast to a point 700 yards east of Chinks Point, MD at latitude 38°58'1.9" N., longitude 076°28'1.7" W. thence northeast to Greenbury Point at latitude 38°58'29" N., longitude 076°27'16" W. All coordinates reference Datum NAD 1983.

(b) *Definitions.* (1) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Sector Baltimore.

(2) *Official Patrol* means any vessel assigned or approved by Commander, Coast Guard Sector Baltimore with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(c) *Special local regulations.* (1) Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in the immediate vicinity of the regulated area shall:

(i) Stop the vessel immediately when directed to do so by any Official Patrol and then proceed only as directed.

(ii) All persons and vessels shall comply with the instructions of the Official Patrol.

(3) Any spectator vessel may anchor outside of the regulated area specified in paragraph (a)(1) of this section but may not block a navigable channel.

(d) *Enforcement period.* (1) This section will be enforced from 5 a.m. to 6 p.m. on the following days and if the event's daily activities should conclude prior to 6 p.m., enforcement of this section may be terminated for that day at the discretion of the Patrol Commander. Enforcement will be during, and 30 minutes before each of the following annual events:

(i) Safety at Sea Seminar, April 1, 2006;

(ii) Naval Academy Crew Races, March 25, April 15, April 22, April 23, May 12 and May 28, 2006;

(iii) Blue Angels Air Show, May 23 and May 24, 2006.

(2) The Commander, Fifth Coast Guard District will publish a notice in the Fifth Coast Guard District Local Notice to Mariners announcing the specific event times.

(e) *Effective period.* This section is effective from March 25, 2006 through June 1, 2006.

Dated: March 23, 2006.

Larry L. Hereth,

Rear Admiral, U.S. Coast Guard, Commander, Fifth Coast Guard District.

BILLING CODE 4910-15-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R09-OAR-2006-0171; FRL-8053-2]

Revisions to the California State Implementation Plan, San Joaquin Valley Unified Air Pollution Control District and South Coast Air Quality Management District

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is taking direct final action to approve revisions to the San Joaquin Valley Unified Air Pollution Control District (SJVUAPCD) and South Coast Air Quality Management District (SCAQMD) portions of the California State Implementation Plan (SIP). These revisions concern particulate matter (PM-10) emissions from open burning and volatile organic compound (VOC) emissions from gasoline storage and transfer. We are approving local rules that regulate these emission sources under the Clean Air Act as amended in 1990 (CAA or the Act).

DATES: This rule is effective on June 12, 2006 without further notice, unless EPA receives adverse comments by May 11, 2006. If we receive such comments, we will publish a timely withdrawal in the **Federal Register** to notify the public that this direct final rule will not take effect.

ADDRESSES: Submit comments, identified by docket number EPA-R09-OAR-2006-0171, by one of the following methods:

- Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the on-line instructions.
- E-mail: steckel.andrew@epa.gov.
- Mail or deliver: Andrew Steckel (Air-4), U.S. Environmental Protection Agency Region IX, 75 Hawthorne Street, San Francisco, CA 94105.

Instructions: All comments will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information

provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through www.regulations.gov or e-mail.

www.regulations.gov is an "anonymous access" system, and EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send e-mail directly to EPA, your e-mail address will be automatically captured and included as part of the public comment. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Docket: The index to the docket for this action is available electronically at <http://www.regulations.gov> and in hard copy at EPA Region IX, 75 Hawthorne Street, San Francisco, California. While all documents in the docket are listed in the index, some information may be publicly available only at the hard copy location (e.g., copyrighted material), and some may not be publicly available in either location (e.g., CBI). To inspect the hard copy materials, please schedule an appointment during normal business hours with the contact listed in the **FOR FURTHER INFORMATION CONTACT** section.

FOR FURTHER INFORMATION CONTACT: Al Petersen, EPA Region IX, (415) 947-4118, petersen.alfred@epa.gov.

SUPPLEMENTARY INFORMATION: Throughout this document, "we" "us" and "our" refer to EPA.
