Notice of Debarment

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: The Enforcement Bureau (Bureau) debars Inter-Tel Technologies, Inc.'s (Inter-Tel) from all activities associated with the schools and libraries universal service support mechanism, also known as the E-Rate program. Inter-Tel pled guilty to and was convicted of serious fraud-related felonies against the E-Rate program. We find Inter-Tel's conduct merits a debarment of at least three years, as contemplated by our debarment rule, but in light of several important factors, we will impose a debarment period of one year from the effective date of this Order.

FOR FURTHER INFORMATION CONTACT: Diana Lee, Federal Communications Commission, Enforcement Bureau, Investigations and Hearings Division, Room 4-A265, 445 12th Street, SW., Washington, DC 20554. Diana Lee may be contacted by phone at 202-418-1420 or e-mail at diana.lee@fcc.gov.

SUPPLEMENTARY INFORMATION: This a summary of the Commission's Notice of Debarment, released June 30, 2006. As an additional precaution to protect the E-Rate program, we put in place two monitoring measures to ensure NEC's compliance upon its re-entry into the E-Rate program. First, we order USAC to review with heightened scrutiny NEC's applications submitted during the first two funding years after re-entry.¹ Second, we order the Administrator to conduct automatic annual audits regarding NEC's compliance with the Act and the Commission's rules governing the E-Rate program, for each of the first two funding periods upon NEC's re-entry. We find these additional precautionary measures are necessary to ensure that E-Rate funds are used only for their intended purpose and that the program is not subject to additional waste, fraud, or abuse. The full text of this Notice is available for inspection and copying during normal business hours in the FCC Reference Center, Room CY-A-257, 445 12th Street, SW., Washington, DC 20554.
