SUPPLEMENTARY INFORMATION:

I. Background

Subsection (c) of 29 CFR 2590.701-6 requires group health plans to provide a notice describing the plan's special enrollment rules to each employee who is offered an initial opportunity to enroll in the group health plan. The special enrollment rules described in the notice of special enrollment generally provide enrollment rights to employees and their dependents in specified circumstances occurring after the employee or dependent initially declines to enroll in the plan. EBSA previously submitted an ICR concerning the notice of special enrollment to the Office of Management and Budget (OMB) for review under the PRA and received approval under OMB Control No. 1210-0101. The ICR approval is currently scheduled to expire on October 31, 2006.

II. Desired Focus of Comments

The Department is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., by permitting electronic submission of responses.

III. Current Action

This notice requests comments on an extension of information collections arising from the notice of special enrollment required under 29 CFR 2590.701-6. The Department is not proposing or implementing changes to the existing information collection at this time. A summary of the ICR and the current burden estimates follows:
