### Assessment Rates

The Department will determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), for the respondents receiving calculated dumping margins, we calculated importer-specific per-unit duty assessment rates based on the ratio of the total amount of the dumping duties calculated for the examined sales to the total quantity of those same sales. These importer-specific per-unit rates will be assessed uniformly on all entries of each importer that were made during the POR. In accordance with 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the importer-specific assessment rate is *de minimis* (i.e., less than 0.5 percent *ad valorem*). In testing whether any importer-specific assessment rate is *de minimis*, we divided each importer’s total amount of dumping duties by the total value of each importer’s U.S. sales, which we calculated using net U.S. prices. The Department will issue liquidation instructions directly to CBP within fifteen days of the publication of the amended final results of these administrative reviews.

These amended final results of administrative reviews are issued and published in accordance with section 751(h) of the Act and 19 CFR 351.224(e).

**EFFECTIVE DATE:** February 28, 2006.

**FOR FURTHER INFORMATION CONTACT:** Eugene Degnan or Robert Bolling, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0414 or (202) 482-3434, respectively.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On July 21, 2005, the Department of Commerce (“the Department”) published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of tapered roller bearings and parts thereof, finished or unfinished, from the People’s Republic of China for the period June 1, 2004, through May 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 42028 (July 21, 2005). The preliminary results of review are currently due no later than March 2, 2006.

##### **Extension of Time Limit for Preliminary Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue preliminary results within 245 days after the last day of the anniversary month of an order. However, if it is not

practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 365 days. Completion of the preliminary results of this review within the 245-day period is not practicable because the Department needs additional time to analyze information pertaining to the respondent’s sales practices, factors of production, and corporate relationships, to evaluate certain issues raised by the petitioners, and to issue and review responses to supplemental questionnaires.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the preliminary results of review by 60 days until May 1, 2006, in accordance with section 751(a)(3)(A) of the Act. The final results continue to be due 120 days after the publication of the preliminary results of review.

Dated: February 21, 2006.
