

procedures for the listing and trading of the Shares are consistent with the Act. Shares will trade as equity securities subject to Amex rules including, among others, rules governing trading halts, specialist activities, stop and stop limit orders, prospectus delivery, and customer suitability requirements. In addition, the Shares will be subject to Amex listing and delisting/suspension rules and procedures governing the trading of Index Fund Shares on the Exchange. The Commission believes that listing and delisting criteria for the Shares should help to maintain a minimum level of liquidity and therefore minimize the potential for manipulation of the Shares. Finally, the Commission believes that the information circular the Exchange will distribute will inform members and member organizations about the terms, characteristics, and risks in trading the Shares.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning Amendment No. 2, including whether the amendment is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the

provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. V. Accelerated Approval

The changes proposed by Amendment No. 2 are designed to ensure that certain material information—*i.e.*, the NAV for the Trust—is made available to all market participants at the same time. The Commission believes that these proposed changes strengthen the proposed rule change and do not raise any new regulatory issues. Therefore, the Commission finds good cause to approve Amendment No. 2 to the proposed rule change prior to the 30th day after the amendment is published for comment in the **Federal Register**.

VI. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,³⁰ that the proposed rule change, as amended, (SR-Amex-2006-41) is hereby approved, and that Amendment No. 2 to the proposed rule change be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.³¹

Nancy M. Morris,

Secretary.
