C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because the removal of these sanctions went into effect March 1, 2006. However, pursuant to Public Law 98–577 and FAR 1.501, the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

SUPPLEMENTARY INFORMATION:

A. Background

This rule amends FAR Part 25 and the clauses at FAR 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items, FAR 52.225-3, Buy American Act—Free Trade Agreements—Israeli Trade Act, FAR 52.225-5, Trade Agreements, FAR 52.225-11, Buy American Act—Construction Materials under Trade Agreements, and FAR 52.225-12, Notice of Buy American Act Requirement—Construction Materials under Trade Agreements, to implement the new Free Trade Agreement with Morocco, as approved by Congress (Public Law 108-302). This Free Trade Agreement waives the applicability of the Buy American Act for some foreign supplies and construction materials from Morocco, and specifies procurement procedures designed to ensure fairness, applicable to the acquisition of supplies and services.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* Although the rule opens up Government procurement to the products of Morocco, the Councils do not anticipate

any significant economic impact on U.S. small businesses. The Department of Defense only applies the trade agreements to the non-defense items listed at DFARS 225.401-70, and acquisitions that are set aside for small businesses are exempt. Therefore, an Initial Regulatory Flexibility Analysis has not been performed. The Councils will consider comments from small entities concerning the affected FAR Parts 25 and 52 in accordance with 5 U.S.C. 610.

Interested parties must submit such comments separately and cite 5 U.S.C. 601, *et seq.* (FAC 2005-09, FAR case 2006-001), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does apply; however, these changes to the FAR do not impose additional information collection requirements to the paperwork burden previously approved under OMB Control Numbers 9000-0025 and 9000-0141.

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because the Free Trade Agreement with Morocco, as approved by Congress (Public Law 108-302), went into effect January 1, 2006. However, pursuant to Public Law 98-577 and FAR 1.501, the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

Federal Acquisition Regulation; FAR Case 2004–031, Fast Payment Procedures

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) by revising fast payment procedures. The revision permits, but does not require, fast payment when invoices and/or outer shipping containers are not marked “Fast Pay” provided the contract includes the “Fast Payment Procedure” clause. As highlighted in the clause, if the clause is in the contract, the invoices will no longer be rejected, as is

the current practice. Instead, they will be paid using either fast payment or normal payment procedures. In addition, the revision deletes the requirement for marking invoices “No Receiving Report Prepared.”

DATES: Effective Date: May 19, 2006.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact Mr. Jeremy Olson, Procurement Analyst, at (202) 501–3221. Please cite FAC 2005–09, FAR case 2004–031. For information pertaining to status or publication schedules, contact the FAR Secretariat at (202) 501–4755.

SUPPLEMENTARY INFORMATION:

A. Background

DoD, GSA, and NASA published a proposed rule, FAR case 2004–031, at 70 FR 40279 on July 13, 2005, to obtain comments on a proposal to amend the policies and contract clause regarding Fast Pay procedures. No comments were submitted and the rule was converted to a final rule without change from the proposed rule. FAR 52.213–1, Fast Payment Procedure, is revised to permit acceptance and payment under invoices that are not prominently marked “FAST PAY.”

This change provides the payment office flexibility to make fast payments when invoices and/or outer shipping containers are not marked “FAST PAY.” The change permits, but does not require, fast payment when invoices and/or outer shipping containers are not marked “FAST PAY” provided the contract includes the “Fast Payment Procedure” clause. However, if the payment office decides to not process invoices as “FAST PAY” because the proper markings are not present, the payment date will be the payment date that would have applied had the “Fast Payment Procedure” clause not been in the contract. In this manner, an unmarked invoice will not be rejected. This change does not eliminate the requirement for the contractor to annotate an invoice “FAST PAY;” the contractor remains at risk that fast payment procedures will not be applied unless the invoice is annotated accordingly.

If a receiving report is not prepared, it is imperative that the invoice includes sufficient information to facilitate follow-up verification that the item was received. The FAR revision does not eliminate that requirement for such information on the invoice. However, the revision does not require the statement “No Receiving Report Prepared” on the invoice.

This is not a significant regulatory action and, therefore, was not subject to
