
GENERAL CLAUSES
(Simplified Leases)
(Acquisition of Leasehold Interests in Real Property for Leases Up to \$100,000 Net Annual Rent)

1. The Government reserves the right, at any time after the lease is signed and during the term of the lease, to inspect the leased premises and all other areas of the building to which access is necessary to ensure a safe and healthy work environment for the Government tenants and the Lessor's performance under this lease.
2. If the building is partially or totally destroyed or damaged by fire or other casualty so that the leased space is untenable as determined by the Government, the Government may terminate the lease upon 15 calendar days written notice to the Lessor and no further rental will be due.
3. The Lessor shall maintain the demised premises, including the building, building systems, and all equipment, fixtures, and appurtenances furnished by the Lessor under this lease, in good repair and tenantable condition. Upon request of the Contracting Officer, the Lessor shall provide written documentation that building systems have been maintained, tested, and are operational.
4. In the event the Lessor fails to perform any service, to provide any item, or meet any requirement of this lease, the Government may perform the service, provide the item, or meet the requirement, either directly or through a contract. The Government may deduct any costs incurred for the service or item, including administrative costs, from rental payments.
