You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

Based on all comments received, a Scoping Document 2 (SD2) may be issued. SD2 will include a revised list of issues, based on the scoping sessions.

Objectives

At the scoping meetings, the staff will: (1) Summarize the environmental issues tentatively identified for analysis in the applicant prepared EA; (2) solicit from the meeting participants all available information, especially quantifiable data, on the resources at issue; (3) encourage statements from experts and the public on issues that should be analyzed in the applicant prepared EA, including viewpoints in opposition to, or in support of, the staffs preliminary views; (4) determine the resource issues to be addressed in the applicant prepared EA; and, (5) identify those issues that require a detailed analysis, as well as those issues that do not require a detailed analysis.

Procedures

The meetings will be recorded by a stenographer and will become part of the formal record of the Commission proceeding on the project.

Individuals, organizations, tribes, and agencies with environmental expertise and concerns are encouraged to attend the meetings and to assist GDHC in defining and clarifying the issues to be addressed in the applicant prepared EA.

Site Visit

Commission staff and GDHC will conduct a site visit to the Gibson dam at 9 a.m. on April 11, 2006. All interested individuals, organizations, and agencies are invited to attend. Any person interested in attending the site visit should contact Steve Marmon no

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-ORD-2005-0504; FRL-8047-8]

Notice of Expert Peer Review Meeting on the Nanotechnology White Paper External Review Draft

AGENCY: Environmental Protection Agency.

ACTION: Notice of meeting.

SUMMARY: The U.S. Environmental Protection Agency (EPA) is announcing that Versar, Inc., an EPA contractor for external peer review, will convene a panel of experts and will organize and conduct an independent expert external peer review meeting to review the draft document entitled "Nanotechnology White Paper External Review Draft." The draft document was prepared by the Nanotechnology Workgroup of EPA's Science Policy Council and has recently undergone public review and comment. Versar, Inc. invites the public to register to attend this meeting as observers. In addition, Versar, Inc. invites the public to give oral comments or provide written comments at the external peer review meeting regarding the draft document under review. The panel will review the draft document and consider public comments received in the official public docket for this activity under docket ID number EPA-HQ-ORD-2005-0504 as well as comments made by the public at the meeting. The draft document and peer review charge are available through EPA's Science Inventory at <http://cfpub.epa.gov/si/> and at <http://www.epa.gov/osa/nanotech.htm>. In preparing a final document, EPA will consider Versar, Inc.'s report of the comments and recommendations from the external peer-review meeting, as well as public comments. EPA plans to issue a final white paper on nanotechnology in mid-2006.
