AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

Overview Information

SUMMARY: The Rural Housing Service, (RHS), an Agency under USDA Rural Development, announces the

availability of funds and the timeframe to submit applications for loans to private non-profit organizations, or such non-profit organizations' loan affiliate funds and State and local housing finance agencies, to carry out a housing demonstration program to provide loans for the construction and rehabilitation of housing for the Mississippi Band of Choctaw Indians. Housing that is assisted by this demonstration program must be financed by USDA Rural Development in accordance with its current housing loan programs as authorized by the Housing Act of 1949. This demonstration program will be achieved through loans made to intermediaries who will then make loans to ultimate recipients for the construction and rehabilitation of housing for the Mississippi Band of Choctaw Indians (as determined by the Native American Housing and Self Determination (NAHASDA) Act.)

DATES: The deadline for receipt of all applications in response to this NOFA is 5 p.m., Eastern Time, June 19, 2006. The application closing deadline is firm as to date and hour. The Agency will not consider any application that is received after the closing deadline. Applicants intending to mail applications must provide sufficient time to permit delivery on or before the closing deadline. Acceptance by a post office or private mailer does not constitute delivery. Facsimile (FAX) and postage due applications will not be accepted.

SUPPLEMENTARY INFORMATION:

Paperwork Reduction Act

Under the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*, the Office of Management and Budget must approve all "collections of information" by USDA Rural Development. The Act defines "collection of information" as a requirement for "answers to * * * identical reporting or recordkeeping requirements imposed on ten or more persons * * *." (44 U.S.C. 3502(3)(A)) Because this NOFA will receive less than 10 respondents, the Paperwork Reduction Act does not apply.

(2) The policies and regulations contained in 7 CFR part 1901, subpart E apply to this program.

(3) The Agency Administrator will assure that equal opportunity and nondiscrimination requirements are met in accordance with the Fair Housing Act, title VI of the Civil Rights Act of 1964, the Equal Credit Opportunity Act, the Age Discrimination Act of 1975, Executive Order 12898, the Americans with Disabilities Act, and section 504 of the Rehabilitation Act of 1973.

Overview

The Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2006 (Pub. L. 109-97, November 10, 2005); Sec 791 provides funding for, and authorizes USDA Rural Development to, establish a loan program for the purpose of providing loans to intermediaries that lend to ultimate recipients for the construction and rehabilitation of housing for the Mississippi Band of Choctaw Indians.

Program Administration

I. Funding Opportunities Description

This NOFA requests applications from eligible intermediary applicants for loans to establish and operate a relending fund for the construction and rehabilitation of housing for the Mississippi Band of Choctaw Indians in accordance with the RHS current housing lending programs.

Housing that is constructed must meet the Agency design and construction standards and the development standards contained in 7 CFR part 1924, subparts A and C, respectively. A multi-family housing project, once constructed, must be managed in accordance with the program's management regulation, 7 CFR part 3560, subpart C. For single family houses, homeowners must comply with 7 CFR part 3550. Tenant eligibility is limited to persons who qualify as a very low-, low-, or moderate-income household or who are eligible under the requirements established to qualify for housing benefits provided by sources other than the Agency, such as the U.S. Department of Housing and Urban Development Section 8 assistance or the Low Income Housing Tax Credit Assistance, when a tenant receives such housing benefits. Additional tenant eligibility requirements are contained in 7 CFR 3560.152. Homeowner eligibility is limited to persons whose household adjusted income, at the time of loan approval, must not exceed the applicable low-income for the area, and at closing, must not exceed the applicable moderate-income limit for the area. Additional homeowner eligibility requirements are contained at 7 CFR 3550.53.

V. Application Review Information

All applications will be evaluated by a loan committee. The loan committee will make recommendations to the Agency Administrator concerning eligibility determinations and for the selection of applications based on the selection criteria contained in this NOFA and the availability of funds. The Administrator will inform applicants of the status of their application within 30

days of the loan application closing date of the NOFA.

Selection Criteria

Selection criteria points will be allowed only for factors indicated by well documented, reasonable plans which, in the opinion of the Agency, provide assurance that the items have a high probability of being accomplished. The points awarded will be as specified in paragraphs (1) through (4) of this section. In each case, the intermediary's work plan must provide documentation that the selection criteria have been met in order to qualify for selection criteria points. If an application does not fit one of the categories listed, it receives no points for that paragraph.

(1) Other funds. Points allowed under this paragraph are to be based on documented successful history or written evidence that the other funds are available.

(a) The intermediary will obtain non-Agency loan or grant funds or provide housing tax credits (measured in dollars) to pay part of the cost of the ultimate recipients' project cost. The intermediary shall pledge as collateral its CIRF, including its portfolio of investments derived from the proceeds of other funds and this loan award.

Points for the amount of funds from other sources are as follows:

(i) At least 10% but less than 25% of the total loan amount requested by the intermediary—5 points;

(ii) At least 25% but less than 50% of the total loan amount requested by the intermediary—10 points; or

(iii) 50% or more of the total loan amount requested by the intermediary—15 points.

(b) The intermediary will provide loans to the ultimate recipient from its own funds (not loan or grant) to pay part of the ultimate recipients' project cost. The amount of the intermediary's own funds will average:

(i) At least 10% but less than 25% of the total loan amount requested by the intermediary—5 points;

(ii) At least 25% but less than 50% of total loan amount requested by the intermediary—10 points; or

(iii) 50% or more of total loan amount requested by the intermediary—15 points.

(2) Intermediary pledged security funds. The Intermediary will pledge security funds not derived from the Agency which will be considered security funds. The pledged security funds will be placed in a separate account from the CIRF loan account and will remain in this account until the CIRF revolves as described in the loan agreement. The Intermediary shall

contribute the pledged security funds into a separate bank account or accounts according to their work plan. These pledged security funds are to be placed into an interest bearing counter-signature account until the PRLF revolves. No other funds shall be commingled with such money.

The amount of pledged security funds contributed to the CIRF will equal the following percentage of the Agency CIRF loan:

(a) At least 5% but less than 15%—15 points;

(b) At least 15% but less than 25%—30 points; or

(c) 25% or more—50 points.

(3) Experience. The intermediary has actual experience in the administration of relending loan funds, with a successful record, for the following number of full years. Applicants must have actual experience in both the administration of relending loan funds in order to qualify for points under this selection criteria. If the number of years of experience differs between the two types of experience, the type with the least number of years will be used for this selection criteria.

(a) At least 1 but less than 3 years—5 points;

(b) At least 3 but less than 5 years—10 points;

(c) At least 5 but less than 10 years—20 points; or

(d) 10 or more years—30 points.

(4) Administrative. The Administrator may assign up to 35 additional points to an application to account for the following items not adequately covered by the other priority criteria set out in this section, including the amount of funds requested in relation to the amount of need; a particularly successful affordable housing development record; a service area with no other CIRF coverage; a service area with severe affordable housing problems; a service area with emergency conditions caused by a natural disaster; an innovative proposal; the quality of the proposed program; a work plan that is in accord with a strategic plan, particularly a plan prepared as part of a request for an Empowerment Zone/Enterprise Community designation; or excellent utilization of an existing revolving loan fund program. The Administrator will document his reasons for the point allocation.

VI. Other Administrative Requirements

(1) The following policies and regulations apply to loans to intermediaries made in response to this NOFA:

(a) CIRF intermediaries will be required to provide the Agency with the following reports:

(i) An annual audit;

(A) Dates of audit report period need not necessarily coincide with other reports on the CIRF. The Agency will inform the intermediary when the audits need to be conducted. Audit reports shall be due 90 days following the audit period. Audits must cover all of the intermediary's activities. Audits will be performed by an independent certified public accountant. The audit will be performed in accordance with Generally Accepted Government Auditing Standards and include such tests of the accounting records as the auditor considers necessary in order to express an opinion on the financial condition of the intermediary.

(B) It is not intended that audits required by this program be separate from audits performed in accordance with State and local laws or for other purposes. To the extent feasible, the audit work for this program should be done in connection with these other audits. Intermediaries covered by the Office of Management and Budget Circular A-128 or A-133 should submit audits made in accordance with that circulars.

(ii) Quarterly or semiannual reports (due 30 days after the end of the period);

(A) Performance reports will be required quarterly during the first year after loan closing. Thereafter, reports will be required semiannually. Also, the Agency may resume requiring quarterly reports if the intermediary becomes delinquent in repayment of its loan or otherwise fails to fully comply with the provisions of its work plan or Loan Agreement, or the Agency determines that the intermediary's CIRF is not adequately protected by the current financial status and paying capacity of the ultimate recipients.

(B) These reports shall contain information only on the CIRF loan. If other funds are included, the CIRF portion shall be segregated from the others. If the intermediary has more than one CIRF loan from the Agency, a separate report shall be made for each CIRF loan.

(C) The reports will include, on a form to be provided by the Agency, information on the intermediary's lending activity, income and expenses, financial condition and a summary of names and characteristics of the ultimate recipients the intermediary has financed.

(D) Quarterly and semiannual reports will be due to the Agency 30 days after the end of the calendar quarter or half. Quarterly reports will be due April 30,

July 31, October 31, or January 31. Semiannual reports will be due July 1 and January 31.

(iii) Annual proposed budget for the following year; and

(iv) Other reports as the Agency may require from time to time.

(b) The Agency may consider, on a case by case basis, subordinating its security interest on the property to the lien of the intermediary so that the Agency has a junior lien interest when an independent appraisal documents that the Agency will continue to be fully secured.

(c) The term of the loan to the ultimate recipient may not exceed 30 years.

(d) The policies and regulations contained in 7 CFR part 1901, subpart F regarding historical and archaeological properties apply to all loans funded under this NOFA.

(e) The policies and regulations contained in 7 CFR part 1940, subpart G regarding environmental assessments apply to all loans funded under this NOFA.

(f) These loans are subject to the provisions of Executive Order 12372 that require intergovernmental consultation with state and local officials. RHS conducts intergovernmental consultations for each loan in a manner delineated in RD Instruction 1940-J which is available in any Rural Development office.

(2) The intermediary agrees to the following:

(a) To obtain the written Agency approval, before the first lending of CIRF funds to an ultimate recipient, of:

(i) All forms to be used for relending purposes, including application forms, loan agreements, promissory notes, and security instruments; and

(ii) Intermediary's policy with regard to the amount and form of security to be required.

(b) To obtain written approval from the Agency before making any significant changes in forms, security policy, or the work plan. The Agency may approve changes in forms, security policy, or work plans at any time upon a written request from the intermediary and determination by the Agency that the change will not jeopardize repayment of the loan or violate any requirement of this NOFA or other Agency regulations. The intermediary must comply with the work plan approved by the Agency so long as any portion of the intermediary's CIRF loan is outstanding.

(c) To secure the indebtedness by pledging the CIRF, including its portfolio of investments derived from the proceeds of the loan award, and

other rights and interests as the Agency may require.

(d) The Intermediary may withdraw up to 25 percent of USDA CIRF loan funds at loan closing. Thereafter, the intermediary may withdraw, under this award, only such funds as are necessary to cover a 30-day period in implementing its approved work plan. Advances will be requested by the Intermediary in writing. Subsequent CIRF advances will not be considered by the Agency unless at least 80 percent of prior advances are used. The date of such withdrawal shall constitute the date the funds are advanced under this Loan Agreement for purposes of computing interest payments. To return, as an extra payment on the loan any funds that have not been used in accordance with the intermediary's work plan by a date 2 years from the date of the loan agreement. If any revolving loan funds have not been used by 5 years from the date of the loan agreement, the approval will be canceled for any funds that have not been delivered to the intermediary and the intermediary will return, as an extra payment on the loan, any revolving loan funds it has received and not used in accordance with the work plan. In accordance with the Agency approved promissory note, regular loan payments will be based on the amount of funds actually drawn by the intermediary.

(3) The intermediary will be required to enter into an Agency approved loan agreement and promissory note. The promissory note will have a term not to exceed 30 years, bear interest at no more than one percent per annum, and provide that interest and principal due to the Government during the first three years of the loan may be deferred.

(4) Loans made to the CIRF ultimate recipient must meet the intent of providing decent, safe, and sanitary rural housing and be consistent with the requirements of title V of the Housing Act of 1949.

(5) When an intermediary proposes to make a loan from the CIRF to an ultimate recipient, Agency concurrence is required prior to final approval of the loan. A request for Agency concurrence in approval of a proposed loan to an ultimate recipient must include:

(a) Certification by the intermediary that:

(i) The proposed ultimate recipient is eligible for the loan;

(ii) The proposed loan is for eligible purposes;

(iii) The proposed loan complies with all applicable statutes and regulations; and

(iv) Prior to closing the loan to the ultimate recipient, the intermediary and

its principal officers (including immediate family) hold no legal or financial interest or influence in the ultimate recipient, and the ultimate recipient and its principal officers (including immediate family) hold no legal or financial interest or influence in the intermediary.

(b) Copies of sufficient material from the ultimate recipient's application and the intermediary's related files, to allow the Agency to determine the:

- (i) Name and address of the ultimate recipient;
- (ii) Loan purposes;
- (iii) Interest rate and term;
- (iv) Location, nature, and scope of the project being financed;
- (v) Other funding included in the project; and
- (vi) Nature and lien priority of the collateral.

(c) Such other information as the Agency may request on specific cases.

(6) Upon receipt of a request for concurrence in a loan to an ultimate recipient the Agency will provide the necessary materials as authorized by the Housing Act of 1949. The Agency will also issue a letter concurring in the loan when all requirements have been met or notify the intermediary in writing of the reasons for denial when the Agency determines it is unable to concur in the loan.

Funding Restrictions

Loans made to the CIRF intermediary under this demonstration program may not exceed \$990,000 and may be limited by geographic area so that multiple loan recipients are not providing similar services to the same service areas.

Loans made to the CIRF ultimate recipient must meet the intent of providing decent, safe, and sanitary rural housing and be consistent with the requirements of title V of the Housing Act of 1949.

VII. Appeal Process

All adverse determination regarding applicant eligibility and the awarding of points as part of the selection process are appealable. Instructions on the appeal process will be provided at the time the applicant is notified of the decision.
