SUPPLEMENTARY INFORMATION:

A. Purpose

The General Services Administration (GSA) has mission responsibilities related to monitoring and enforcing compliance with Federal civil rights laws and regulations that apply to Federal Financial Assistance programs administered by GSA. Specifically, those laws provide that no person on the ground of race, color, national origin, disability, sex or age shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program in connection with which Federal financial assistance is extended under laws administered in whole or in part by GSA. These mission responsibilities generate the requirement to request and obtain certain data from recipients of Federal surplus property for the purpose of determining compliance, such as the number of individuals, based on race and ethnic origin, of the recipient's eligible and actual serviced population; race and national origin of those denied participation in the recipient's program(s); non-English languages encountered by the recipient's

program(s) and how the recipient is addressing meaningful access for individuals that are Limited English Proficient; whether there has been complaints or lawsuits filed against the recipient based on prohibited discrimination and whether there has been any findings; and whether the recipient's facilities are accessible to qualified individuals with disabilities.

[OMB Control No. 3090-0274]

Public Buildings Service; Information Collection; Art-in-Architecture Program National Artist Registry

AGENCY: Public Buildings Service, GSA.

ACTION: Notice of request for comments regarding a renewal to an existing OMB clearance.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the General Services Administration will be submitting to the Office of Management and Budget (OMB) a request to review and approve a renewal of a currently approved information collection requirement regarding the Art-in-Architecture Program National Artist Registry form. The clearance currently expires on July 31, 2006.

The Art-in-Architecture Program is the result of a policy decision made in January 1963 by GSA Administrator Bernard L. Boudin who had served on the Ad Hoc Committee on Federal Office Space in 1961-1962.

The program has been modified over the years, most recently in 1996 when

a renewed focus on commissioning works of art that are an integral part of the building's architecture and adjacent landscape was instituted. The program continues to commission works of art from living American artists. One-half of one percent of the estimated construction cost of new or substantially renovated Federal buildings and U.S. courthouses is allocated for commissioning works of art.

Public comments are particularly invited on: Whether this collection of information is necessary and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate and based on valid assumptions and methodology; and ways to enhance the quality, utility, and clarity of the information to be collected.

DATES: Submit comments on or before: May 1, 2006.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Family Violence Prevention and Services/Grants to State Domestic Violence Coalitions

Program Office: Administration on Children, Youth, and Families (ACYF), Family and Youth Services Bureau (FYSB).

Program Announcement Number: HHS-2006-ACF-ACYF-FVPS-0122.

Announcement Title: Family Violence Prevention and Services/Grants to State Domestic Violence Coalitions.

CFDA Number: 93.591.

Dates: Due Date for Applications: April 3, 2006.

Executive Summary: This announcement governs the proposed award of formula grants under the Family Violence Prevention and Services Act (FVPSA) to private, non-

profit State Domestic Violence Coalitions (Coalitions). The purpose of these grants is to assist in the conduct of activities to promote domestic violence intervention and prevention and to increase public awareness of domestic violence issues.

This notice for family violence prevention and services grants to Coalitions serves two purposes. The first is to confirm a Federal commitment to reducing family and intimate partner violence; and the second purpose is to urge States, localities, cities, and the private sector to become involved in State and local planning towards an integrated service delivery approach.

I. Description

Legislative Authority: Title III of the Child Abuse Amendments of 1984 (Public Law (Pub. L.) 98-457, 42 U.S.C. 10401 et seq.) is entitled the "Family Violence Prevention and Services Act" (FVPSA). FVPSA was first implemented in Fiscal Year (FY) 1986. The statute was subsequently amended by Public Law 100-294, the "Child Abuse Prevention, Adoptions, and Family Services Act of 1988;" further amended in 1992 by Public Law 102-295; and then amended in 1994 by Public Law 103-322, the "Violent Crime Control and Law Enforcement Act." FVPSA was amended again in 1996 by Public Law 104-235, the "Child Abuse Prevention and Treatment Act (CAPTA) of 1996;" in 2000 by Public Law 106-386, the "Victims of Trafficking and Violence Protection Act," and amended further by Public Law 108-36, the "Keeping Children and Families Safe Act of 2003." FVPSA was most recently amended by Public Law 109-162, the "Violence Against Women and Department of Justice Reauthorization Act of 2005."

Background

Section 311 of FVPSA authorizes the Department of Health and Human Services (HHS) Secretary to award grants to statewide, private, non-profit Coalitions to conduct activities to promote domestic violence intervention and prevention and to increase public awareness of domestic violence issues.

Annual State Domestic Violence Coalition Grantee Conference

Coalitions should plan to send one or more representatives to the annual grantee conference. A subsequent Program Instruction and/or Information Memorandum will advise Coalition administrators of the date, time, and location of their grantee conference.

Client Confidentiality

FVPSA programs must establish or implement policies and protocols for maintaining the safety and confidentiality of the victims of domestic violence, sexual assault, and stalking. It is essential that the confidentiality of adult victims and their children receiving FVPSA services be protected. Consequently, when providing statistical data on program activities, individual identifiers of client records will not be used (see section 303(a)(2)(E)).

Stop Family Violence Postal Stamp

The U.S. Postal Service was directed by the "Stamp Out Domestic Violence Act of 2001" (the Act), Public Law 107-62, to make available a "semipostal" stamp to provide funding for domestic violence programs. Funds raised in connection with sales of the stamp, less reasonable costs, have been transferred to HHS in accordance with the Act for support of services to children and youth affected by domestic violence.

As a result of the transfer of \$1.3 million in 2005, a grant offering was made for the development of "Demonstration Programs for The Enhanced Services to Children and Youth Who Have Been Exposed to Domestic Violence." Sixty-five applications were received and reviewed. Nine grant applications of approximately \$130,000 each have been approved and funded. Detailed information on the successful applicants and their programs will be shared with State FVPSA Administrators and the Coalitions.

Documenting Our Work (DOW) Initiative

The need to accurately communicate reliable and appropriate data that captures the impact of domestic violence prevention work and to provide shelters, States, and Coalitions with tools for self-assessment continues as the DOW Initiative. In conjunction with representatives for State FVPSA programs, Coalitions, and experts on both data collection and domestic violence prevention issues, the effort to develop informative, succinct, and non-burdensome reporting formats will continue with the hope of concluding in this fiscal year. Any changes in informational needs and reporting formats will be accompanied by specifically designated workshops or adjuncts to regularly occurring meetings.

II. Funds Available

HHS will make 10 percent of the amount appropriated under section
