DEPARTMENT OF JUSTICE

Office of Justice Programs; National Institute of Justice

[OMB Number 1121-NEW]

Agency Information Collection Activities; Proposed Collection; Comment Requested

ACTION: 60-Day emergency notice of information collection under review: New collection evaluation of impacts of Federal casework programs.

The Department of Justice, Office of Justice Programs, National Institute of Justice (NIJ) has submitted the following new information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the emergency review procedures of the Paperwork Reduction Act of 1995. OMB approval has been requested by September 15, 2006. The proposed information collection is published to obtain comments from the public and affected agencies. If granted, the emergency approval is only valid for 180 days. Comments should be directed to OMB, Office of Information and Regulation Affairs, Attention: Department of Justice Desk Officer (202) 395-6466, Washington, DC 20503. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments, especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Kathy Browning, Office of Justice Programs, National Institute of Justice, (202) 616-4786.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies' estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic,

mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
