#### Assessment Rates/Cash Deposits

Because Gidasa did not receive countervailable subsidies during the POR, we will instruct U.S. Customs and Border Protection (“CBP”) to liquidate all of Gidasa’s entries without regard to countervailing duties. Also, since Gidasa has a zero countervailable subsidy rate, the Department will instruct CBP to continue to suspend liquidation of entries, but to collect no cash deposits of estimated countervailing duties for Gidasa on all shipments of the subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

For all non-reviewed companies, the Department has instructed CBP to assess countervailing duties at the cash deposit rates in effect at the time of entry, for entries between January 1, 2004, and December 31, 2004. The cash deposit rates for all companies not covered by this review are not changed by the results of this review.

#### Return or Destruction of Proprietary Information

This notice serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
