This R&O provided for electronic filing and standardized information collections. Under 47 CFR 76.1610, cable operators must notify the Commission of changes in ownership information or operating status within 30 days of such change using FCC Form 324. FCC Form 324 will cover a variety of changes related to cable operators, replacing the requirement of a letter containing approximately the same information. Every Form 324 filing will require biographical information about the operator and system—the additional information required depending largely upon the nature of the change.
