Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget (OMB), in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301) 443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Assessment of the Engagement of Historically Black Colleges and Universities in Campus and Community-Based Activities to Eliminate Health Disparities (NEW)

The Health Resources and Services Administration (HRSA) plans to conduct a survey of 525 university

administrators at Historically Black Colleges and Universities (HBCUs) to collect information not otherwise available about the extent to which HBCUs have engaged in health promoting activities on campus and in their surrounding communities that are designed to eliminate health disparities among African Americans. The results of this survey will be used by HRSA's Office of Minority Health and Health Disparities (OMHHD) to obtain information regarding the engagement of HBCUs in health disparities activities. The results of the survey will also permit OMHHD (1) to describe the origins, structure, content, and intensity of such activities, (2) to document the level of support for campus and community activities among administrative leaders at HBCUs, (3) to document the factors that facilitate or hinder the ability of HBCUs to engage in campus and community activities to eliminate health disparities, and (4) to determine whether there is a need among HBCUs for additional assistance that will allow them to expand their role and improve their effectiveness in addressing health disparities.

The survey process will include a web-based survey to be completed by targeted respondents. Follow-up telephone calls will be conducted with respondents who do not complete the online survey. Approximately 5 administrators will be surveyed at each of the 105 recognized HBCUs. The types of administrators to be surveyed include Presidents, Deans of Faculty, Deans of Students, and staff and/or faculty that are leaders for programs that are associated with eliminating health disparities.

The burden estimate for this project is as follows:

Form	No. of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
Survey	525	1	525	.75	394

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: John Kraemer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: August 8, 2006.

Cheryl R. Dammons,

Director, Division of Policy Review and Coordination.

Council on Graduate Medical Education; Notice of Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), notice is hereby given of the following meeting:

Name: Council on Graduate Medical Education (COGME).

Dates and Times: September 6, 2006, 8:30 a.m.–5 p.m.; and September 7, 2006, 8:30 a.m.–4 p.m.

Place: Hilton Washington DC North/Gaithersburg, 620 Perry Parkway, Gaithersburg, Maryland 20877.

Status: The meeting will be open to the public.

Agenda: The agenda for September 6 in the morning will include: Welcome and opening comments from the Acting Chair and Acting Executive Secretary of COGME and senior management staff of the Health Resources and Services Administration. Following will be an election of the Chair of COGME.

There will be an orientation for new council members. Later that morning there will be a presentation of resource papers on the issue of National Service for Physicians, followed by discussion. In the afternoon there will be a presentation of resource papers on the need for graduate medical education financing flexibility; a discussion of the papers will follow. There will be a discussion of next day's activities needed for the preparation of two COGME reports covering the two issues presented in the resource papers. Writing group members within COGME will be identified for each of the two reports.

In the morning of September 7, COGME members will receive ethics training as appropriate. There will be a presentation and discussion of a sixth resource paper on the need for GME flexibility. Following these discussions, the Council members will break out into two writing groups. After about four hours of writing group discussions, COGME members will reconvene in plenary session. A report will be given by the two writing group chairs of draft recommendations, proposed outline and list of members to draft each section of the two reports. There will be a discussion of the process and time-frame for producing the two report drafts.

Agenda items are subject to change as priorities dictate.
