

(f) Harbor of Safe Refuge subcommittee report.

(g) Rules of the Road subcommittee report.

(4) New Business:

(a) Maritime Transportation Recovery Situation Unit (MTRSU) Presentation—CDR Joe Paitl.

Working Groups Meeting. The agenda for the working groups meeting includes the following:

(1) Presentation by each working group of its accomplishments and plans for the future.

(2) Review and discuss the work completed by each working group.

(3) Put forth any action items for consideration at full committee meeting.

Procedural. Working groups have been formed to examine the following issues: dredging and related issues, electronic navigation systems, AtoN knockdowns, impact of passing vessels on moored ships, boater education issues, facilitating deep draft movements, mooring infrastructure, and safe refuge during hurricanes. Not all working groups will provide a report at this session. Further, working group reports may not necessarily include discussions on all issues within the particular working group's area of responsibility. All meetings are open to the public. Members of the public may make presentations, oral or written, at either meeting. Requests to make oral or written presentations should reach the Coast Guard five (5) working days before the meeting at which the presentation will be made. If you would like to have written materials distributed to each member of the committee in advance of the meeting, you should send your request along with fifteen (15) copies of the materials to the Coast Guard at least ten (10) working days before the meeting at which the presentation will be made.

INFORMATION ON SERVICES FOR THE HANDICAPPED: For information on facilities or services for the handicapped or to request special assistance at the meetings, contact the Executive Secretary or Assistant to the Executive Secretary as soon as possible.

Dated: December 6, 2006.

J. R. Whitehead,

Rear Admiral, U.S. Coast Guard Commander, Eighth Coast Guard District.

Agency Information Collection Activities: Revision of a Currently Approved Information Collection; Comment Request

ACTION: 60-Day Notice of Information Collection Under Review: Medical Examination of Aliens Seeking Adjustment of Status, Form I-693, OMB Control No. 1615-0033.

The Department of Homeland Security, U.S. Citizenship and Immigration Services has submitted the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for sixty days until February 26, 2007.

Written comments and suggestions regarding items contained in this notice, and especially with regard to the estimated public burden and associated response time should be directed to the Department of Homeland Security (DHS), USCIS, Director, Regulatory Management Division, Clearance Office, 111 Massachusetts Avenue, NW., 3rd floor, Suite 3008, Washington, DC 20529. Comments may also be submitted to DHS via facsimile to 202-272-8352, or via e-mail at rfs.regs@dhs.gov. When submitting comments by email please add the OMB Control Number 1615-0033 in the subject box.

Written comments and suggestions from the public and affected agencies concerning the collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other

technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection
