**SUPPLEMENTARY INFORMATION:** The Applicant has applied to the Service for a section 10(a)(1)(B) incidental take permit for a period of five years in order to authorize incidental take of the Houston toad.

Section 9 of the Act prohibits the "taking" of endangered species such as the Houston toad. However, the Service, under limited circumstances, may issue permits to take endangered wildlife species incidental to, and not the purpose of, otherwise lawful activities.

We provide this notice under section 10(c) of the Act (16 U.S.C. 1531 *et seq.*) and its implementing regulations (50 CFR 17.22), and the National Environmental Policy Act (42 U.S.C. 4371 *et seq.*) and its implementing regulations (40 CFR 1506.6).

*Applicant:* The Applicant plans to construct a single family residence, guest home, and associated structures on a 14.049-acre property located on Park 1-C, Bastrop County, Texas. This action will eliminate 0.5 acres of Houston toad habitat and result in indirect impacts within the lot. The Applicant proposes to compensate for incidental take of the Houston toad by providing \$2,000.00 to the Houston Toad Conservation Fund at the National Fish and Wildlife Foundation for the specific purpose of land acquisition and management within Houston toad habitat.
