## Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Extension: Rule 498, File No. 270–435, OMB Control No. 3235–0488.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("Act") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 498 of the Securities Act of 1933 (17 CFR 230.498) permits open-end management investment companies (or a series of an investment company organized as a series company, which offers one or more series of shares representing interests in separate investment portfolios) ("funds") to provide investors with a "profile" that contains a summary of key information about a fund, including the fund's investment objectives, strategies, risks and performance, and fees, in a standardized format. The profile provides investors the option of buying fund shares based on the information in the profile or reviewing the fund's prospectus before making an investment decision. Investors purchasing shares based on a profile receive the fund's prospectus prior to or with confirmation of their investment in the fund.

Consistent with the filing requirement of a fund's prospectus, a profile must be filed with the Commission thirty days before first use. Such a filing allows the Commission to review the profile for compliance with Rule 498. Compliance with the rule's standardized format assists investors in evaluating and comparing funds.

It is estimated that approximately 16 initial profiles and 274 updated profiles are filed with the Commission annually. The Commission estimates that each profile contains on average 1.25 portfolios, resulting in 20 portfolios filed annually on initial profiles and 343 portfolios filed annually on updated profiles. The number of burden hours for preparing and filing an initial profile per portfolio is 25. The number of burden hours for preparing and filing an updated profile per portfolio is 10. The total burden hours for preparing and filing initial and updated profiles under Rule 498 is 3,930, representing an increase of 749 hours from the prior estimate of 3,181. The increase in burden hours is attributable to the higher number of profiles actually prepared and filed as compared to the previous estimates.

The estimates of average burden hours are made solely for the purposes of the Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Lewis W. Walker, Acting Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: *PRA\_Mailbox@sec.gov.*
