

on the passage of the Federal Deposit Insurance Reform Act of 2005, enacted on February 8, 2006. Provisions of the legislation directed the FDIC to merge the Bank Insurance Fund and the Savings Association Insurance Fund to form the new Deposit Insurance Fund, which subsequently merged on March 31, 2006. The formation of the single insurance fund eliminated the need for two types of insurance-related applications that existed to allow certain depository institutions to convert their coverage from one insurance fund to another. Accordingly, references in the Instructions to the previously required applications have been deleted. Also, the legal citations on page 1 of the application form, that correspond to the previously required application have been deleted (previously 12 U.S.C. 1815(d)(2), 1815(d)(3)). There are no other proposed changes to this information collection. Additionally, each of the Agencies proposes to renew two other forms, Interagency Biographical and Financial Report and the Interagency Notice of Change in Control, with no changes. The OCC proposes to renew, with no changes, one additional form, the Interagency Notice of Change in Directors or Senior Executive Officers. The Agencies need the information from these forms to ensure that the proposed transactions are permissible under law and regulation and are consistent with safe and sound banking practices. The Board published a separate **Federal Register** notice (72 FR 39428 (July 18, 2007)) and the OTS plans to publish a notice requesting public comment on these revisions.
