

Department's Policy Bulletin 98.3—Policies Regarding the Conduct of Five-Year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders; Policy Bulletin, 63 FR 18871 (April 16, 1998). The Notice of Initiation of Five-Year ("Sunset") Reviews provides further information regarding what is required of all parties to participate in Sunset Reviews.

Pursuant to 19 CFR 351.103(c), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 15 days of the publication of the Notice of Initiation.

Please note that if the Department receives a Notice of Intent to Participate from a member of the domestic industry within 15 days of the date of initiation, the review will continue. Thereafter, any interested party wishing to participate in the Sunset Review must provide substantive comments in

response to the notice of initiation no later than 30 days after the date of initiation.

This notice is not required by statute but is published as a service to the international trading community.

Dated: December 19, 2007.

In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. The Department changed its requirements for requesting reviews for countervailing duty orders. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or

an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters.<sup>2</sup> If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and

each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Please note that, for any party the Department was unable to locate in prior segments, the Department will not accept a request for an administrative review of that party absent new information as to the party's location. Moreover, if the interested party who

<sup>1</sup> Or the next business day, if the deadline falls on a weekend, federal holiday or any other day when the Department is closed.

<sup>2</sup> If the review request involves a non-market economy and the parties subject to the review request do not qualify for separate rates, all other exporters of subject merchandise from the non-

market economy country who do not have a separate rate will be covered by the review as part of the single entity of which the named firms are a part.

files a request for review is unable to locate the producer or exporter for which it requested the review, the interested party must provide an explanation of the attempts it made to locate the producer or exporter at the same time it files its request for review, in order for the Secretary to determine if the interested party's attempts were reasonable, pursuant to 19 CFR 351.303(f)(3)(ii).

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Operations, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of January 2008. If the Department does not receive, by the last day of January 2008, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the U.S. Customs and Border Protection to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered. This notice is not required by statute but is published as a service to the international trading community.

#### **Chlorinated Isocyanurates from the People's Republic of China: Final Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on chlorinated isocyanurates ("chlorinated isos") from the People's Republic of China ("PRC") covering the period December 16, 2004, through May 31, 2006. We invited interested parties to comment on our preliminary results. Based on our analysis of the comments received, we have made changes to our margin calculations. Therefore, the final results differ from the preliminary results.

**EFFECTIVE DATE:** January 2, 2008.

**FOR FURTHER INFORMATION CONTACT:** Katharine Huang or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1271 or (202) 482-0650, respectively.

#### **Background**

On July 17, 2007, the Department published its preliminary results of the antidumping duty order on chlorinated isocyanurates from the PRC. See *Chlorinated Isocyanurates from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 39053 (July 17, 2007) ("Preliminary Results"). On August 7, 2007, Clearon Corporation ("Clearon") and Occidental Chemical Corporation ("Petitioners"), petitioners in the underlying investigation, provided additional information on the appropriate surrogate values to use as a means of valuing the factors of production. On the same date, Petitioners and BioLab, Inc. ("BioLab"), a domestic producer of the like product, requested an extension of the briefing schedule. On August 15, 2007, we granted this request to all interested

parties. On August 16, 2007, the Department received a request for a hearing from BioLab. On September 7, 2007, the Department received case briefs from Petitioners and BioLab, and from respondent Hebei Jiheng Chemical Company Ltd. ("Jiheng Chemical"). On September 13, 2007, the Department received rebuttal briefs from Petitioners, BioLab and Jiheng Chemical. On September 27, 2007, the Department held public and closed hearings. On October 24, 2007, Department officials met with counsel for Petitioners. On November 1, 2007, Department officials met with counsel for Jiheng Chemical. On November 13, 2007, Department officials met with counsel for BioLab. On November 14, 2007, the Department extended the time period for completion of the final results until December 14, 2007. See *Chlorinated Isocyanurates from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review*, 72 FR 65563 (November 21, 2007).

We have conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.213.

#### **Scope of the Order**

The products covered by this order are chlorinated isocyanurates, as described below: Chlorinated isocyanurates are derivatives of cyanuric acid, described as chlorinated s-triazine triones. There are three primary chemical compositions of chlorinated isocyanurates: (1) trichloroisocyanuric acid (Cl<sub>3</sub>(NCO)<sub>3</sub>), (2) sodium dichloroisocyanurate (dihydrate) (NaCl<sub>2</sub>(NCO)<sub>3</sub>•2H<sub>2</sub>O), and (3) sodium dichloroisocyanurate (anhydrous) (NaCl<sub>2</sub>(NCO)<sub>3</sub>). Chlorinated isocyanurates are available in powder, granular, and tableted forms. This order covers all chlorinated isocyanurates.

Chlorinated isocyanurates are currently classifiable under subheadings 2933.69.6015, 2933.69.6021, 2933.69.6050, 3808.40.50, 3808.50.40 and 3808.94.50.00 of the Harmonized Tariff Schedule of the United States ("HTSUS"). The tariff classification 2933.69.6015 covers sodium dichloroisocyanurates (anhydrous and dihydrate forms) and trichloroisocyanuric acid. The tariff classifications 2933.69.6021 and 2933.69.6050 represent basket categories that include chlorinated isocyanurates and other compounds including an unfused triazine ring. Although the HTSUS subheadings are provided for convenience and customs purposes, the
