[Docket No. PH08–21–000]

**CH Energy Group, Inc.; Notice of Filing**

February 12, 2008.

Take notice that on January 30, 2008, CH Energy Group, Inc. tendered for filing an explanation why certain change in facts does not affect CH Energy Group's single-state holding company system waiver under 18 CFR 366.3(c)(1).

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible online at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). [Docket No. CP08–68–000]

**Trunkline LNG Company, LLC; Notice of Filing**

February 12, 2008.

Take notice that on February 1, 2008, Trunkline LNG Company, LLC (Trunkline LNG), 5444 Westheimer Road, Houston, Texas 77056, filed an application, pursuant to section 3(a) of the Natural Gas Act (NGA) and Part 157 of the Commission's Rules and Regulations, to install and operate a new 1,500 electric motor-driven pipeline compressor and related facilities at the existing Trunkline LNG Terminal (Terminal) in Calcasieu Parish, Louisiana. The application is on file with the Commission and open for public inspection. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov) or toll free at (866) 208–3676, or for TTY, contact (202) 502–8659.

The proposed compressor is necessary to capture and compress additional boil off gas when the Terminal is in a zero sendout mode of operation. Trunkline LNG states that the certificated sendout capacity of 1.8 Bcf per day of natural gas with a peak capacity of 2.1 Bch per day will not be changed. The construction and operation of the proposed facilities will occur entirely within the existing terminal's site. The estimated cost of the project is \$3.5 million. Trunkline LNG currently provides firm terminalling services to BG LNG Services, LLC under its Rate Schedule FTS and FTS–2. Trunkline LNG proposed to place the facilities in service by August 2008.

Any questions regarding the application are to be directed to Mr. Stephen T. Veatch, Senior Director of Certificates and Tariffs, 5444 Westheimer Road, Houston, Texas 77056; phone number (713) 989–2024 or by e-mail at [Stephen.Veatch@sug.com](mailto:Stephen.Veatch@sug.com).

Any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the below listed comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with

the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

Motions to intervene, protests and comments may be filed electronically via the Internet in lieu of paper, see, 18 CFR 385.2001 (a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

**Portland Natural Gas Transmission System; Notice of Petition for Declaratory Order**

February 12, 2008.

Take notice that on January 31, 2008, Portland Natural Gas Transmission System (PNGTS), under Rule 207(a)(2) of the Commission's Rules of Practice and Procedure, 18 CFR 385.207(a)(2) (2007), filed a petition for a declaratory order requesting that the Commission: (1) Confirm that PNGTS' system-wide firm year-round operationally available capacity as of November 1, 2008 will be 168,000 Mcf/day; and (2) find that PNGTS will not be in violation of the Natural Gas Act or any other legal obligations by denying firm service requests that, in combination with existing contracts requiring service after October 31, 2008, would obligate PNGTS to transport in excess of 168,000 Mcf/day on a firm year-round basis from Pittsburg to Dracut beginning on November 1, 2008.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and
