

**VII. Statutory and Executive Order Reviews**

This final rule establishes a time-limited tolerance under section 408 of FFDCA. The Office of Management and Budget (OMB) has exempted these types of actions from review under Executive Order 12866, entitled *Regulatory Planning and Review* (58 FR 51735, October 4, 1993). Because this rule has been exempted from review under Executive Order 12866, this rule is not subject to Executive Order 13211, *Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use* (66 FR 28355, May 22, 2001) or Executive Order 13045, entitled *Protection of Children from Environmental Health Risks and Safety Risks* (62 FR 19885, April 23, 1997). This final rule does not contain any information collections subject to OMB approval under the Paperwork Reduction Act (PRA), 44 U.S.C. 3501 *et seq.*, nor does it require any special considerations under Executive Order 12898, entitled *Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations* (59 FR 7629, February 16, 1994).

Since tolerances and exemptions that are established on the basis of a FIFRA section 18 exemption under section 408 of FFDCA, such as the tolerance in this final rule, do not require the issuance of a proposed rule, the requirements of the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*) do not apply.

This final rule directly regulates growers, food processors, food handlers, and food retailers, not States or tribes, nor does this action alter the relationships or distribution of power and responsibilities established by Congress in the preemption provisions of section 408(n)(4) of FFDCA. As such, the Agency has determined that this action will not have a substantial direct effect on States or tribal governments, on the relationship between the national government and the States or tribal governments, or on the distribution of power and responsibilities among the various levels of government or between the Federal Government and Indian tribes. Thus, the Agency has determined that Executive Order 13132, entitled *Federalism* (64 FR 43255, August 10, 1999) and Executive Order 13175, entitled *Consultation and Coordination with Indian Tribal Governments* (65 FR 67249, November 6, 2000) do not apply to this rule. In addition, this rule does not impose any enforceable duty or contain any unfunded mandate as described under Title II of the Unfunded

Mandates Reform Act of 1995 (UMRA) (Public Law 104-4).

This action does not involve any technical standards that would require Agency consideration of voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act of 1995 (NTTAA), Public Law 104-113, section 12(d) (15 U.S.C. 272 note).

**VIII. Congressional Review Act**

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this final rule in the **Federal Register**. This final rule is not a "major rule" as defined by 5 U.S.C. 804(2).

**Federal Management Regulation; FMR Case 2007-102-4, Transportation Payment and Audit; Refund of Expired, Unused Tickets**

**AGENCY:** Office of Governmentwide Policy, General Services Administration (GSA).

**ACTION:** Interim final rule.

**SUMMARY:** The General Services Administration is amending the Federal Management Regulation (FMR) pertaining to unused tickets. The section is being deleted that was published without a public comment period.

**DATES:** This final rule is effective on: February 20, 2008.

**FOR FURTHER INFORMATION CONTACT:** For clarification of content, contact Mr. Ted J. Bembenek, Jr., at (202) 208-7629. The Regulatory Secretariat, Room 4035, GS Building, Washington, DC 20405, (202) 501-4755, for information pertaining to status or publication schedules. Please cite FMR Case 2007-102-4, Amendment 2008-04.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

GSA published § 102-118.196 in the **Federal Register** at 69 FR 57619, September 24, 2004, as an addition to part 118 of Title 41 (41 CFR part 118). The amendment was published as a final rule without a comment period and required that Transportation Service Providers (TSPs) refund the value of expired, unused tickets to GSA's Audit Division when a ticket purchasing agency fails to notify the TSP of a cancellation.

Since its publication, GSA has received feedback from sources who wanted to offer comments at the time the rule was originally published. After receipt of contacts from these sources,

GSA agreed to remove this specific provision in its current form.

In order to accomplish this, it is necessary to remove the existing provision, and this FMR does so.

#### B. Executive Order 12866

This regulation is excepted from the definition of "regulation" or "rule" under Section 3(d)(3) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993 and, therefore, was not subject to review under Section 6(b) of that Executive Order.

#### C. Regulatory Flexibility Act

This final rule is not required to be published in the **Federal Register** for notice and comment as per the exemption specified in 5 U.S.C. 553(a)(2); therefore, the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, does not apply.

#### D. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FMR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

#### E. Small Business Regulatory Enforcement Fairness Act

This final rule is exempt from Congressional review under 5 U.S.C. 801 since it relates solely to agency management and personnel.

**SUPPLEMENTARY INFORMATION:** On February 7, 2008, the Advocates for Highway and Auto Safety (Advocates) sent a request on behalf of themselves, Public Citizen, the Truck Safety Coalition, and the International Brotherhood of Teamsters for an extension of the comment period in the subject rulemaking proceeding. They stated that the complexity of the issues involved, including the new analyses provided in the interim final rule, has required serious evaluation that has taken up much of its limited staff time. The Advocates requested a 30-day extension of the comment period which they believe would be in the public interest and would not prevent the Agency from issuing a final rule in 2008.

In order to allow petitioners and the general public an opportunity to provide comprehensive comments on the new analyses included in the
