Defense Acquisition Regulations System

Suspension of the Price Evaluation Adjustment for Small Disadvantaged Businesses

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice of 1-year suspension of the price evaluation adjustment for small disadvantaged businesses.

SUMMARY: The Director of Defense Procurement and Acquisition Policy has suspended the use of the price evaluation adjustment for small disadvantaged businesses (SDBs) in DoD procurements, as required by 10 U.S.C. 2323(e)(3), because DoD exceeded its 5 percent goal for contract awards to SDBs in fiscal year 2007. The suspension will be in effect for 1 year and will be reevaluated based on the level of DoD contract awards to SDBs achieved in fiscal year 2008.

DATES: *Effective Date:* March 10, 2008.
Applicability Date: This suspension applies to all solicitations issued during the period from March 10, 2008, to March 9, 2009.

FOR FURTHER INFORMATION CONTACT: Ms. Susan Pollack, Defense Procurement and Acquisition Policy, OUSD(AT&L)DPAP(CPIC), 3015 Defense Pentagon, Washington, DC 20301-3015; telephone 703-697-8336; facsimile 703-614-1254.

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 10 U.S.C. 2323(e), DoD has previously granted SDBs a 10 percent price preference in certain acquisitions. This price preference is implemented in Subpart 19.11 of the Federal Acquisition Regulation. Section 801 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Pub. L. 105-261) amended 10 U.S.C. 2323(e)(3) to prohibit DoD from granting such a price preference for a 1-year period following a fiscal year in which DoD achieved the 5 percent goal for contract awards established in 10 U.S.C. 2323(a). Since, in fiscal year 2007, DoD

exceeded this 5 percent goal, use of this price preference in DoD acquisitions must be suspended for a 1-year period, from March 10, 2008, to March 9, 2009.

6. **Other Submission Requirements:** Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. **Electronic Submission of Applications.**

Applications for grants under the Migrant and Seasonal Farmworkers Program, CFDA Number 84.128G, must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Migrant and Seasonal Farmworkers Program at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.128, not 84.128G).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an

annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m.,

Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Sonja T. Turner, U.S. Department of Education, 400 Maryland Avenue, SW., room 5089, Potomac Center Plaza (PCP), Washington, DC 20202-2740. FAX: (202) 245-7593.

V. Application Review Information

Selection Criteria: The selection criteria for this competition are from 34 CFR 75.210 and are listed in the application package.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section in this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the

Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Government Performance and Results Act of 1993 (GPRA) directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals. Program officials must develop performance measures for all their grant programs to assess their performance and effectiveness. The Rehabilitation Services Administration (RSA) has established the following performance measures for the Migrant and Seasonal Farmworkers Program and will use these measures to assess the effectiveness of the program:

- Total number of migrant and seasonal farmworkers with disabilities who receive vocational rehabilitation (VR) services from the project each reporting period.

- Total number of migrant and seasonal farmworkers with disabilities in the project who also receive VR services from the designated State unit (the State VR agency) each reporting period.

- Total number of migrant and seasonal farmworkers with disabilities in the project who achieved employment outcomes each reporting period (an employment outcome refers to maintaining employment for at least 90 consecutive days).

- Total number of migrant and seasonal farmworkers with disabilities served by the project who exited the project each reporting period without achieving an employment outcome.

- Total number of migrant and seasonal farmworkers with disabilities served by the project who exited the project each reporting period without achieving an employment outcome but who transfer to another State.

- Percentage of migrant and seasonal farmworkers with disabilities served by the project who achieved employment outcomes each reporting period (number of migrant and seasonal farmworkers with disabilities served by the project who achieved employment outcomes each reporting period divided by the number of migrant and seasonal farmworkers with disabilities who

received services through the project that reporting period).

- Total number of migrant and seasonal farmworkers with disabilities served by the project who remain employed three months after achieving an employment outcome.
- Annual cost per participant who achieved an employment outcome (annual cost refers to the annual Federal funds awarded to the project divided by the actual number of migrant and seasonal farmworkers in the project who achieved employment outcomes that reporting period).

Each grantee must annually report on these measures in its annual performance report. In addition, the Migrant and Seasonal Farmworkers Program is part of the Administration's job training and employment common measures initiative. The common measures for job training and employment programs targeting adults are as follows: Entered employment (percentage employed in the first quarter after program exit); retention in employment (percentage of those employed in the first quarter after exit that were still employed in the second and third quarter after program exit); earnings increase (percentage change in earnings pre-registration to post-program and first quarter after exit to third quarter after exit); and efficiency (annual cost per participant). The Department is currently working toward the implementation of these common measures. Each grantee will be required to collect and report data for the common measures when they are approved for implementation.

We require reporting of annual performance measures at the time of the continuation award processing to ensure that grantees separately report information for individuals served exclusively by their project.

This rate order is issued by the Deputy Secretary pursuant to said notice.

Background

The Federal Energy Regulatory Commission issued an order approving Rate Schedules CBR-1-E, CSI-1-E, CEK-1-E, CM-1-E, CC-1-F, CK-1-E and SJ-1-B for the sale of power from the Cumberland System August 2, 2004 (108 FERC ¶ 62,113). These rates were approved for a period from October 1, 2003, to September 30, 2008. These rate schedules were predicated on a marketing policy that provides peaking capacity, along with 1500 hours of energy with each kilowatt of capacity, to customers outside the Tennessee Valley Authority (TVA) transmission system.
