**Final Fair Market Rents for Fiscal Year
2009 for the Housing Choice Voucher
Program and Moderate Rehabilitation
Single Room Occupancy Program:
Technical Correction**

AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Notice of Final Fair Market Rents (FMRs) for Fiscal Year (FY) 2009, technical correction.

SUMMARY: On September 29, 2008, the Department published its FY2009 Final FMRs for the Housing Choice Voucher Program and Moderate Rehabilitation Single Room Occupancy Program. In that notice, HUD incorrectly identified Schedule B as proposed FY2009 FMRs when the rents published were in fact the final FY2009 Final FMRs. Today's **Federal Register** notice corrects the title of Schedule B to "FY2009 Final Fair Market Rents For Existing Housing."

DATES: *Effective Date:* October 1, 2008.

FOR FURTHER INFORMATION CONTACT: For technical information on the methodology used to develop FMRs or a listing of all FMRs, please call the HUD USER information line at 800-245-2691 or access the information at the following link on the HUD Web site: <http://www.huduser.org/datasets/fmr.html>. Any questions related to use of FMRs or voucher payment standards should be directed to the respective local HUD program staff. Questions on how to conduct FMR surveys or further methodological explanations may be addressed to Marie L. Lihn or Lynn A. Rodgers, Economic and Market Analysis Division, Office of Economic Affairs, Office of Policy Development and Research, telephone number 202-708-0590. Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339. (Other than the HUD USER information line and TTY numbers, telephone numbers are not toll-free.)

SUPPLEMENTARY INFORMATION: On September 29, 2008 (73 FR 56638), the Department published its FY2009 Final Fair Market Rents for the Housing Choice Voucher Program and Moderate Rehabilitation Single Room Occupancy Program. As required by section 8(c)(1) of the United States Housing Act of 1937, the September 29, 2008, notice provided final FY2009 FMRs for all areas that reflect the estimated 40th and

50th percentile rent levels trended to April 1, 2009, using the 2006 American Community Survey data, and more recent Consumer Price Index rent and utility indexes. In that notice, HUD incorrectly identified Schedule B as proposed FY2009 FMRs when the rents published were in fact the final FY2009 Final FMRs. To avoid any confusion, the Department is publishing today's notice to correct the title of Schedule B to "FY2009 Final Fair Market Rents for Existing Housing." Only the title of the Schedule B is changed by today's notice: the FMRs published on September 29, 2008, are the final FY2009 FMRs.

Correction

Accordingly, the document published on September 29, 2008 (73 FR 56638) is corrected to change the title of all pages of the table in Schedule B to "FY2009 Final Fair Market Rents For Existing Housing".

Dated: October 21, 2008.

Kurt G. Usowski,

Deputy Assistant Secretary for Economic Affairs.

AGENCY: National Park Service, Interior.
ACTION: Notice.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the control of the U.S. Department of the Interior, Bureau of Indian Affairs, Washington, DC, and in the possession of the Minnesota Indian Affairs Council, St. Paul and Bemidji, MN. The human remains were removed from an unknown location on the White Earth Reservation, Mahnommen County, MN.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

A detailed assessment of the human remains was made by Minnesota Indian Affairs Council professional staff on behalf of the Bureau of Indian Affairs, in consultation with representatives of the White Earth Band of the Minnesota Chippewa Tribe, Minnesota.

In 1934, human remains representing a minimum of one individual were removed from an unknown location at Rice Lake, White Earth Reservation, Mahnommen County, MN, during a building project by the Indian Emergency Conservation. No known individual was identified. No associated funerary objects are present.

Based on reported associated burial objects not present in the Minnesota Indian Council's collection, including a bone needle with thread, the human remains have been identified as a post-Euroamerican contact cemetery burial related to the local Ojibwe population, also known as Chippewa, residing at the White Earth Reservation.

Officials of the U.S. Department of the Interior, Bureau of Indian Affairs and Minnesota Indian Affairs Council have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of one individual of Native
