1. *Application for EXTRA Help with Medicare Prescription Drug Plan Costs—20 CFR 418.3101—0960-0696.*

The Medicare Modernization Act of 2003 mandated the creation of the Medicare Part D prescription drug coverage program and provided for certain subsidies for eligible Medicare beneficiaries to help pay for the costs of prescription drugs. SSA uses Form SSA-1020 (and the i1020, its electronic counterpart), the Application for Extra Help with Medicare Prescription Drug Plan Costs, to collect information to make Part D subsidy eligibility determinations.

In compliance with Public Law 110-275, beginning in January 2010, SSA will use a new version of Form SSA-1020. In this new version, SSA will eliminate questions about the value of life insurance policies and in-kind support and maintenance, and we will ask applicants about their interest in applying for the Medicare Savings Program. This information collection request (ICR) is for the new version we will use in 2010. The respondents are Medicare beneficiaries who are applying for the Medicare Part D subsidy.

**SOCIAL SECURITY ADMINISTRATION**

**Agency Information Collection Activities: Proposed Request**

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law (Pub. L.) 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions to existing OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize the burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, e-mail, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and the SSA Reports Clearance Officer to the addresses or fax numbers listed below.

Form type	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated annual burden (hours)

Totals .....	1,000,000	.....	.....	480,000

2. *Medicare Subsidy Quality Review Forms—20 CFR 418(b)(5)—0960-0707.* The Medicare Modernization Act of 2003 mandated the creation of the

Medicare Part D prescription drug coverage program and provided for certain subsidies for eligible Medicare beneficiaries to help pay for the costs of

prescription drugs. As part of its stewardship duties of the Medicare Part D subsidy program, SSA must conduct periodic quality review checks of the

information Medicare beneficiaries report on their subsidy applications (Form SSA-1020). SSA uses the Medicare Quality Review program to conduct these checks.

Beginning in January 2010, SSA will revise the Medicare Quality Review

system to comply with Public Law 110-275. Specifically, we will: (1) Eliminate the use of Form SSA-9309, the Life Insurance Verification form; and (2) remove any questions about life insurance policy values and in-kind support and maintenance from the other

forms in the collection. This ICR is for the revised Medicare Quality Review System, which we will not use until January 2010. The respondents are applicants for the Medicare Part D subsidy whom we have chosen to undergo a Quality Review.

Form No. and name	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated annual burden (hours)

SSA-9314 (Notice of Quality Review Acknowledgement Form for those without Phones) .....	500	1	15	125
Totals .....	34,000			8,085

3. *Redetermination of Eligibility for Help with Medicare Prescription Drug Plan Costs—0960-0723.* As required by the Medicare Modernization Act of 2003 (Pub. L. 108-173), SSA conducts low-income subsidy eligibility redeterminations for Medicare beneficiaries who filed for the subsidy and were determined by SSA to be eligible. SSA will conduct subsidy eligibility redeterminations under two circumstances: (1) When an individual completes Form SSA-1026-OCR-SM-SCE to report a subsidy changing event

(marriage, separation from a spouse, separated spouses resume living together, divorce, annulment, or death); and (2) when SSA uses Form SSA-1026-OCR-SM-REDE to conduct an annual review of individuals who became entitled during the prior 12 months, an annual review of a percentage of individuals who are eligible for more than 12 months, and a review of individuals who report a change in income, resources, or household size that may affect the subsidy amount.

In compliance with Public Law 110-275, SSA will use a new version of Form SSA-1026 beginning in January 2010. In this new version, SSA will eliminate questions about the value of life insurance policies and in-kind support and maintenance. The respondents are current recipients of the Medicare Part D low-income subsidy who will undergo an eligibility redetermination for one of the reasons mentioned above.

Form	Number of respondents	Frequency of response (per year)	Average burden per response (in minutes)	Estimated annual burden (in hours)
SSA-1026-OCR-SM-SCE .....	11,984	1	18	3,595
SSA-1026-OCR-SM-REDE or SSA-1026-B .....	249,652	1	18	74,896
Total .....	261,636			78,491

#### Deadline for Notification of Intent To Use the Airport Improvement Program (AIP) Sponsor, Cargo, and Nonprimary Entitlement Funds for Fiscal Year 2009

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice.

**SUMMARY:** The Federal Aviation Administration (FAA) announces February 2, 2009, as the deadline for each airport sponsor to notify the FAA whether or not it will use its fiscal year 2009 entitlement funds available under Public Law No. 110-330 to accomplish Airport Improvement Program (AIP)-eligible projects that the sponsor previously identified through the Airports Capital Improvement Plan (ACIP) process during the preceding year. If a sponsor does not declare their intention regarding the use of fiscal year 2009 entitlement funds by February 2, 2009, FAA will be unable to take the necessary actions to designate these as "protected" carryover funds; these funds will not be carried over without a legislative enactment that provides an additional AIP authorization and an extension of the FAA's spending authority from the Airport and Airway Trust Fund beyond March 31, 2009.

**FOR FURTHER INFORMATION CONTACT:** Mr. Frank J. San Martin, Manager, Airports Financial Assistance Division, APP-500, on (202) 267-3831.

#### SUPPLEMENTARY INFORMATION:

Title 49 of the United States Code, section 47105(f), provides that the sponsor of each airport to which funds are apportioned shall notify the Secretary by such time and in a form as prescribed by the Secretary, of the sponsor's intent to apply for the funds apportioned to it (entitlements). This notice applies only to those airports that have had entitlement funds apportioned to them, except those nonprimary airports located in designated Block Grant States. Sponsors intending to apply for any of their available entitlement funds, including those unused from prior years, shall submit by February 2, 2009, a written indication to the designated Airports District Office (or Regional Office in regions without Airports District Offices) that they will advertise, bid, and submit an application prior to February 11, 2009, or by the date established by the designated Airport District or Regional Office.

This notice is promulgated to expedite and prioritize the grant-making process. In the past when there has been full-year funding for AIP, the FAA has established a deadline of May 1 for an airport sponsor to declare that it will defer use of its entitlement funding. Considering that Congress has authorized the AIP program only until March 31, 2009, i.e. into the middle of a fiscal year, and uncertainty about additional statutory action before the end of the fiscal year, the FAA is establishing February 2, 2009, as the deadline for each airport sponsor to notify the FAA whether or not it will use its fiscal year 2009 entitlement funds.

The AIP grant program is operating under the requirements of Public Law 110-329, the "Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009", which is a continuing resolution through March 6, 2009, and Public Law 110-330, the "Federal Aviation Administration Extension Act of 2008, Part II", enacted on September 30, 2008, which amends 49 U.S.C. 48103, to extend AIP for a six-month period beginning October 1, 2008 and ending on March 31, 2009. The FAA's expenditure authority from the Airport and Airway Trust Fund will expire on March 31, 2009, in the absence of an additional statutory extension. Therefore, to avoid the risk of not being able to carryover funds should an additional extension not be enacted,
