Questar Southern Trails Pipeline Company; Notice of Tariff Filing

December 4, 2002.

Take notice that on November 29, 2002, Questar Southern Trails Pipeline Company (Southern Trails) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, First Revised Sheet No. 65; and First Revised Sheet No. 66, to be effective January 1, 2003.

Southern Trails states that the filing is being made in compliance with the Commission's Order on Remand dated October 31, 2002, in Docket No. RM98-10-011.

Southern Trails states that on October 31, 2002, the Commission issued an Order on Remand (October 31 Order) requiring all pipelines that provide segmentation on their systems to file revised tariff provisions to expressly permit segmented transactions consisting of forwardhauls, up to contract demand, and backhauls, up to contract demand, to the same point at the same time. At this time, Southern Trails has stated that it is not operationally feasible to provide segmentation on its system. Southern Trails indicates that the October 31 Order also removed the five-year right of first refusal term matching cap when shippers exercise their right of first refusal. Southern Trails notes that this filing is being tendered in compliance with the Commission's October 31 Order.

Southern Trails states that a copy of this filing has been served upon its customers and the Public Service Commissions of Utah, New Mexico, Arizona and California.
