Department of the Treasury Acquisition Regulation

Treasury has rewritten the DTAR into plain English. The DTAR includes both policy direction and regulatory guidance. Only regulatory guidance is being published for public comment. - IV. Opportunity for Public Comment.

I. Background

Treasury initiated a review and rewrite of the Department of the Treasury Acquisition Regulation (DTAR). The DTAR, as reissued, uses plain English to improve clarity and understanding; eliminates internal operating procedures that do not have a significant effect beyond Treasury; establishes the Treasury Mentor-Protégé

Program and, eliminates coverage that is obsolete or duplicates the FAR. Treasury intends the reissued DTAR to be simple for contractors, offerors, and Treasury contracting personnel to use.

II. Section by Section Analysis

Sections 1001.101, 1001.102, 1001.104, 1001.105 and 1001.106 set forth basic policies and general information about the Department of the Treasury Acquisition Regulation system including purpose, guiding principles, applicability, issuance, arrangement, numbering, and dissemination. Section 1002.101 provides definitions for common use words. Section 1003.570 describes 31 U.S.C. 333, which prohibits contractors from using Treasury's name for publicity purposes. Section 1003.901 defines the FAR term "authorized official of an agency." Section 1004.470 identifies investigative requirements for contractors. In section 1011.103, Bureau Chief Procurement Officers may require offerors to make required demonstrations.

Sections 1005.202, 1019.811, 1052.219-18 and 1052.219-72 provide guidance and contract clauses based on the Memorandum of Understanding with the Small Business Administration allowing Treasury to contract directly with 8(a) contractors. Sections 1019.202-70, 1052.219-73, and 1052.219-75 provide for the Treasury Mentor-Protégé Program that assists qualified small businesses to receive developmental assistance from Treasury prime contractors in order to increase the base of small businesses eligible to perform Treasury contracts and subcontracts. Sections 1019.708, 1052.219-70 and 1052.219-71 provide that a provision and a clause be placed in all respective solicitations and contracts requiring a subcontracting plan.

Section 1028.106 designates the contracting officer as the designee of the head of the agency. Section 1028.307 provides for group insurance plans to be provided to the contracting officer. Section 1033.201 defines the General Services Board of Contract Appeals as Treasury's Agency Board. Section 1033.210 encourages the use of Alternate Disputes Resolution procedures.

III. Procedural Requirements

A. Review Under Executive Order 12866

This regulatory action was not subject to review by the Office of Management and Budget (OMB) under Executive Order 12866 as supplemented by Executive Order 13132, and is not a major rule under 5 U.S.C. 804.

B. Review Under Executive Order 12988

With respect to the review of existing regulations and the promulgation of new regulations, section 3(a) of Executive Order 12988, Treasury has completed the required review and determined that this proposed regulation meets the relevant standards of Executive Order 12988 as supplemented by Executive Order 13132.

C. Review Under the Regulatory Flexibility Act

This proposed regulation would not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, and *et seq.* The analysis requirement of the Act does not apply if the agency certifies that the rule, if promulgated, will not have a significant impact of a substantial number of small entities. The Mentor-Protégé Program does apply to large business and small business firms that receive a form of incentive for assuming the role of mentor to small businesses, other small disadvantaged businesses, qualified HUBZone small businesses, small businesses owned and controlled by service disabled veterans, and small women-owned businesses. It is expected that the protégé entities would directly benefit from the forms of mentoring provided for in this rule.

The other revisions do not add any new requirements, but restate existing requirements in plain English and provide consistency with the FAR.

D. Review Under the Paperwork Reduction Act

This reissued DTAR contains information collection requirements subject to the Paperwork Reduction Act (44 U.S.C. 3501, *et seq.*) that were approved previously by OMB and assigned the contract numbers shown in DTAR section 1001.106.

E. Review Under the National Environmental Policy Act

Treasury has concluded that this proposed rule would not individually or cumulatively have significant impact on the human environment, as determined by Treasury's regulations (10 CFR part 1021, subpart D) implementing the National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. 4321 *et seq.*). Therefore, no environmental impact statement or environmental assessment is required pursuant to NEPA.

F. Review Under Executive Order 13132

Executive Order 13132 requires when formulating and implementing regulations, legislation, and any other

policy actions that have federalism implications, that agencies must follow prescribed principles and criteria. Treasury has determined that this proposed rule does not contain federalism implications and would not preempt State laws.

G. Review Under the Unfunded Mandates Reform Act of 1995

The Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4) generally requires a Federal agency to perform a detailed assessment of costs and benefits of any rule imposing a federal mandate with costs to State, local or tribal governments, or to the private sector of \$100 million or more. This proposed rule would only affect private sector entities and the impact is less than \$100 million.

H. Treasury and General Government Appropriations Act, 1999

Section 654 of the Treasury and General Government Appropriation, 1999 (Public Law 105-277) requires Federal agencies to issue a Family Policymaking Assessment for any proposed rule that may affect family well being. This proposed rule would not have any impact on the autonomy or integrity of the family as an institution. Accordingly, Treasury concluded that it is not necessary to prepare a Family Policymaking Assessment.

IV. Opportunity for Public Comment

At the beginning of this proposed rule, Treasury provides for a comment period and sets forth the address for submitting written comments. Treasury is not scheduling a public hearing because there are no significant issues of fact or law that would warrant such a hearing.

1001.101 Purpose.

This subpart establishes chapter 10, the Department of the Treasury Acquisition Regulation (DTAR), within title 48 of the Federal Acquisition Regulation (FAR) System. The DTAR contains policies and procedures that supplement FAR coverage and directly affect the contractual relationship between the Department of the Treasury and its business partners (*e.g.*, prospective offerors/bidders and contractors). When FAR coverage is adequate, there will be no corresponding DTAR coverage.

1001.104 Applicability.

The FAR and DTAR apply to all acquisitions of supplies and services, which obligate appropriated funds. For acquisitions made from non-appropriated funds, the Senior Procurement Executive will determine the rules and procedures that will apply. The DTAR does not apply to the acquisitions of the U.S. Mint.

1001.105 Issuance.

1001.105-1 Publication and code arrangement.

The DTAR and its subsequent changes will be published in the **Federal Register** and codified in the Code of

Federal Regulations (CFR). The DTAR will be issued as 48 CFR chapter 10.

1001.105-2 Arrangement of regulations.

(a) *References and citations.* The DTAR is divided into the same parts, subparts, sections, subsections, and paragraphs as the FAR except that 10 or 100 will precede the DTAR citation so that there are four numbers to the left of the first decimal. References to DTAR material must be made in a manner similar to that prescribed by FAR 1.105-2(c).

1001.105-3 Copies.

Copies of the DTAR in **Federal Register** or CFR form may be purchased from the Superintendent of Documents, Government Printing Office (GPO), Washington, DC 20402.

1001.106 OMB Approval under the Paperwork Reduction Act.

OMB has assigned the following control numbers that must appear on the upper right-hand corner of the face page of each solicitation, contract, modification and order: OMB Control No. 1505-0081 (Offeror submissions), OMB Control No. 1505-0080 (Contractor submissions), and OMB Control No. 1505-0107 (Protests). OMB regulations and OMB's approval and assignment of control numbers are conditioned upon Treasury bureaus not requiring more than three copies (including the original) of any document of information. OMB has granted a waiver to permit the Department to require up to eight copies of proposal packages, including proprietary data, for solicitations, provided that contractors who submit only an original and two copies will not be placed at a disadvantage.

1019.202 Specific policies.

1019.202–70 The Treasury Mentor-Protégé Program.

1019.202–70–3 Non-affiliation.

For purposes of the Small Business Act, a protégé firm may not be considered an affiliate of a mentor firm solely on the basis that the protégé firm is receiving developmental assistance referred to in DTAR 1019.202–70–13 from such mentor firm under the Program.

1019.202–70–4 General policy.

(a) Eligible prime contractors, not included on the “List of Parties Excluded from Federal Procurement and Nonprocurement Programs”, that are approved as mentors will enter into agreements with eligible protégés. Mentors provide appropriate developmental assistance to enhance the capabilities of protégés to perform as contractors or subcontractors.

(b) A firm’s status as a protégé under a Treasury contract must not have an effect on the firm’s eligibility to seek other contracts or subcontracts.

1019.202–70–5 Incentives for prime contractor participation.

(a) Under the Small Business Act, 15 U.S.C. 637(d)(4)(E), Treasury is authorized to provide appropriate incentives to encourage subcontracting opportunities consistent with the efficient and economical performance of the contract. Proposed mentor-protégé efforts will be considered during the evaluation of such negotiated, competitive offers. Contracting officers must provide, as an incentive, a bonus score, not to exceed 5% of the relative importance assigned to the technical/management factors.

(b) A mentor’s performance will be evaluated against the criteria described in DTAR 1052.219–75.

(c) Before awarding a contract that requires a subcontracting plan, the existence of a mentor-protégé arrangement, and performance (if any) under an existing arrangement, must be considered by the contracting officer in:

(1) Evaluating the quality of a proposed subcontracting plan under FAR 19.705–4; and

(2) Evaluating the contractor compliance with the subcontracting plans submitted in previous contracts as a factor in determining contractor responsibility under FAR 19.705–5(a)(1).

(d) Mentor-protégé arrangements may provide the government with greater assurance that a protégé subcontractor will be able to perform under the contract.

(e) The Office of Small Business Development (OSBD) Mentoring Award is a non-monetary award that will be presented (annually or as often as appropriate) to the mentoring firm providing the most effective developmental support of a protégé. The Mentor-Protégé Program Manager will recommend an award winner to the Director, Office of Small Business Development.

1019.202–70–7 Mentor firms.

A mentor firm may be either a large or small business, eligible for award of a Government contract that can provide developmental assistance to enhance the capabilities of protégés to perform as subcontractors. Mentors will be encouraged to enter into arrangements with protégés in addition to firms with whom they have established business relationships.

1019.202–70–8 Protégé firms.

(a) For selection as a protégé, a firm must be:

(1) A small business, women-owned small business, small disadvantaged business, small business owned and controlled by service disabled veterans, or qualified HUBZone small business;

(2) “Small” in the NAICS for the services or supplies to be provided by the protégé under its subcontract to the mentor; and

(3) Eligible for receipt of Government contracts.

(b) Except for small disadvantaged business, or qualified HUBZone small business firms, a protégé firm may self-certify to a mentor firm that it meets the requirements set forth in paragraph (a) of this section. Mentors may rely in good faith on written representations by potential protégés that they meet the specified eligibility requirements. The small disadvantaged business and hubzone status eligibility and

documentation requirements are determined according to FAR 19.304 and FAR 19.1303, respectively.

(c) Protégés may not have multiple mentors unless approved, in writing, by the Director, Office of Small Business Development (OSBD). Protégés participating in other agency mentor-protégé programs in addition to the Treasury Program should maintain a system for preparing separate reports of mentoring activity for each agency's program.

1019.708-70-9 Selection of protégé firms.

(a) Mentor firms will be solely responsible for selecting protégé firms. The mentor is encouraged to identify and select the types of protégé firms listed in 1019.202-70-7. Mentor firms may have multiple protégés.

(b) The selection of protégé firms by mentor firms may not be protested. Any protest regarding the size or eligibility status of an entity selected by a mentor to be a protégé must be referred solely to Treasury's OSBD for resolution. Treasury, at its discretion, may seek an advisory opinion from the Small Business Administration (SBA).

1019.202-70-10 Application process for mentor firms to participate in the program.

(a) Firms interested in becoming a mentor firm may apply in writing to Treasury's OSBD. The application will be evaluated based upon the description of the nature and extent of technical and managerial support proposed as well as the extent of other developmental assistance in the form of equity investment, loans, joint-venture support, and traditional subcontracting support.

(b) A proposed mentor will submit the information listed in DTAR 1019.202-70-12 for inclusion in a mentor-protégé agreement.

1019.202-70-11 OSBD review and approval process of agreement.

(a) OSBD will review the information specified in DTAR 1019.202-70-12. The OSBD review will be completed no later than 30 calendar days after receipt.

(b) Upon completion of the review, the mentor may implement the developmental assistance program.

(c) An approved agreement will be incorporated into the mentor firm's contract(s) with Treasury.

(d) If the OSBD disapproves the agreement, the mentor may provide additional information for reconsideration. Upon finding deficiencies that the OSBD considers correctable, the OSBD will notify the mentor and provide a list of defects. Any additional information or

corrections requested will be provided within 30 calendar days. The review of any supplemental material will be completed within 30 calendar days after receipt by the OSBD. When submission of additional data is required during a proposal evaluation for a new contract award, shorter timeframes for submission, review and re-evaluation for approval may be authorized by the OSBD.

(e) The agreement defines the relationship between the mentor and protégé firms only. The agreement itself does not create any privity of contract between the mentor or protégé and Treasury.

1019.202-70-12 Agreement contents.

The contents of the agreement will contain:

(a) Names and addresses of mentor and protégé firms and a point of contact within both firms who will oversee the agreement;

(b) Procedures for the mentor firm to notify the protégé firm, OSBD and the contracting officer, in writing, at least 30 days in advance of the mentor firm's intent to voluntarily withdraw from the Program;

(c) Procedures for a protégé firm to notify the mentor firm in writing at least 30 days in advance of the protégé firm's intent to voluntarily terminate the mentor-protégé agreement. The mentor must notify the OSBD and the contracting officer immediately upon receipt of such notice from the protégé;

(d) Each proposed mentor-protégé relationship must include information on the mentor's ability to provide developmental assistance to the protégé and how that assistance will potentially increase contracting and subcontracting opportunities for the protégé firm;

(e) A description of the type of developmental Program that will be provided by the mentor firm to the protégé firm, to include a description of the potential subcontract work, and a schedule for providing assistance and criteria for evaluation of the protégés developmental success;

(f) A listing of the types and dollar amounts of subcontracts that may be awarded to the protégé firm;

(g) Program participation term;

(h) Termination procedures;

(i) Plan for accomplishing work should the agreement be terminated; and,

(j) Other terms and conditions, as appropriate.

1019.202-70-13 Developmental assistance.

The forms of developmental assistance a mentor can provide to a protégé include:

(a) Management guidance relating to financial management, organizational management, overall business management/planning, business development, and technical assistance;

(b) Loans;

(c) Rent-free use of facilities and/or equipment;

(d) Property;

(e) Temporary assignment of personnel to protégé for purpose of training; and,

(f) Any other types of mutually beneficial assistance.

1019.202-70-14 Obligation.

(a) Mentor or protégé firms may voluntarily withdraw from the Mentor-Protégé Program. However, such withdrawal will not impact the program mission and contract requirements under the prime contract.

(b) At the conclusion of each year in the Mentor-Protégé Program, the prime contractor and protégé must formally brief the Department of the Treasury team regarding program accomplishments as pertains to the approved agreement. Individual briefings may be conducted, at the request of either party. Treasury will evaluate these reports by considering the following:

(1) Specific actions taken by the mentor, during the evaluation period, to increase the participation of protégés as suppliers to the Federal government and to commercial entities;

(2) Specific actions taken by the mentor, during the evaluation period, to develop the technical and corporate administrative expertise of a protégé as defined in the agreement;

(3) To what extent the protégé has met the developmental objectives in the agreement; and,

(4) To what extent the mentor firm's participation in the Mentor-Protégé Program resulted in the protégé receiving contract(s) and subcontract(s) from private firms and agencies other than the Department of the Treasury.

(c) Mentor and protégé firms must submit an evaluation to the OSBD at the conclusion of the mutually agreed upon program period, the conclusion of the contract, or the voluntary withdrawal by either party from the Mentor-Protégé Program, whichever comes first.

1019.202-70-16 Solicitation provisions and contract clauses.

(a) Insert the provision at DTAR 1052.219-73, Department of the Treasury Mentor-Protégé Program, in all unrestricted solicitations exceeding \$500,000 (\$1,000,000 for construction) that offer subcontracting possibilities.

(d) Insert the clause at DTAR 1052.219-

75, Mentor Requirements and Evaluation, in contracts where the prime contractor is a participant in the Treasury Mentor-Protégé Program.

Subpart 1019.7—The Small Business Subcontracting Program
