I determined on November 13, 2002, that the damage in certain areas of the State of Tennessee, resulting from severe storms, tornadoes and flooding on November 9–12, 2002, was of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121–5206 (the Stafford Act). I, therefore, declared that such a major disaster existed in the State of Tennessee.

In order to provide Federal assistance, you were authorized to allocate from funds available for these purposes, such amounts as you find necessary for Federal disaster assistance and administrative expenses.

You were authorized to provide Individual Assistance in the designated areas and Hazard Mitigation throughout the State, and any other forms of assistance under the Stafford Act you may deem appropriate. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act for Hazard Mitigation and Other Needs Assistance under Section 408 of the Stafford Act will be limited to 75 percent of the total eligible costs. If Public Assistance is later requested and warranted, Federal funds provided under the Public Assistance program will also be limited to 75 percent of the total eligible costs.

Further, you were authorized to make changes to this declaration to the extent allowable under the Stafford Act.

The time period prescribed for the implementation of section 310(a), Priority to Certain Applications for Public Facility and Public Housing Assistance, 42 U.S.C. 5153, shall be for a period not to exceed six months after the date of this declaration.
