DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for Clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Annual Capital Expenditures Survey.

Form Number(s): ACE-1(S), ACE-1(M), ACE-1(Long), ACE-2.

Agency Approval Number: 0607-0782.

Type of Request: Revision of a currently approved collection.

Burden: 145,000 hours.

Number of Respondents: 61,000.

Avg. Hours Per Response: 2 hours and 23 minutes.

Needs and Uses: Data on the amount of business expenditures for new plant and equipment and measures of the stock of existing facilities are critical to evaluate productivity growth, the ability of U.S. business to compete with foreign business, changes in industrial capacity, and measures of overall economic performance. The ACES is the current source of comprehensive statistics on business investment in buildings and

other structures, machinery, and equipment for private non-farm businesses in the United States.

The plan for the continued survey is a basic annual survey that collects fixed assets and depreciation, sales and receipts, and total capital expenditures for new and used structures and equipment separately, from employer enterprises. This collection is intended to represent the capital expenditure activity of all employer firms and provide comprehensive control estimates of total capital expenditures for structures and equipment by industry. A mail out/mail back survey form will be used to collect data. Employer companies will be mailed one of three forms based on their diversity of operations and number of industries with payroll. Major planned revisions from the previously approved collection are the elimination of the separate question on the amount of capitalized interest incurred during the year to produce or construct assets reported as capital expenditures; and, the addition of a request for data on capitalized costs of computer software developed or obtained for internal use.

The ACES is an integral part of the Federal Government statistical program to improve and supplement ongoing statistical programs. Federal Government agencies, including the Census Bureau, use the data to improve and supplement ongoing statistical programs.

Affected Public: Business or other for-profit, not-for-profit institutions.

Frequency: Annually.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 U.S.C.,

Sections 182, 224, and 225.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer either by fax (202) 395-7245 or e-mail (susan_schechter@omb.eop.gov).

Dated: November 8, 2002.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Quarterly Survey of Residential Alterations and Repairs.

Form Number(s): SORAR-705.

Agency Approval Number: 0607-0130.

Type of Request: Extension of a currently approved collection.

Burden: 2,400 hours.

Number of Respondents: 2,400.

Avg Hours Per Response: 15 minutes.

Needs and Uses: The U.S. Census Bureau is requesting an extension of the current approved collection for the Quarterly Survey of Residential Alterations and Repairs. The Census Bureau is responsible for preparing estimates of the expenditures for residential improvement and repairs. This segment of the construction industry amounted to over \$150 billion in 2000. While the majority of the data are gathered from the Consumer Expenditure Survey (OMB number 1220-0050), a portion of the data (nearly \$50 billion in 2000) are collected in this survey. The survey form is mailed quarterly to a sample of owners of rental or vacant residential properties. Since residential improvement and repairs are a large growing economic sector, any measure of the construction industry would be incomplete without the inclusion of these data.

The Census Bureau uses the information collected to publish improvement and repair expenditures for rental and vacant residential properties. Data on improvements and repairs to owner-occupied properties are collected in the Consumer Expenditures Survey. Combined published estimates are used by a variety of private businesses and trade associations for marketing studies, economic forecasts and assessments of the construction industry. They also provide all levels of Government with a tool to evaluate economic policy and measure progress towards established goals. For example, the Bureau of Economic Analysis (BEA) uses improvement statistics to develop the residential structures component of the gross private domestic investment in the national income and product accounts.

Affected Public: Individuals or households, business or other for-profit, State, local or tribal governments.

Frequency: Quarterly.
Respondent's Obligation: Voluntary.
Legal Authority: Title 13 U.S.C., section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Certain Non-Frozen Apple Juice Concentrate from the People's Republic of China: Final Results of 1999-2001 Administrative Review and Partial Rescission of Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of 1999-2001 Administrative Review and Partial Rescission of Review.

SUMMARY: We have determined that sales of certain non-frozen apple juice concentrate from the People's Republic of China were made below normal value during the period November 23, 1999, through May 31, 2001. We are also rescinding the review, in part, in accordance with 19 CFR 351.213(d)(3).

Based on our review of comments received and a reexamination of surrogate value data, we have made certain changes in the margin calculations of all of the reviewed companies. Consequently, the final results differ from the preliminary results. The final weighted-average dumping margins for these firms are listed below in the section entitled "Final Results of the Review." Based on these final results of review, we will instruct the Customs Service to assess

antidumping duties based on the difference between the export price and normal value on all appropriate entries.

EFFECTIVE DATE: November 14, 2002.

FOR FURTHER INFORMATION CONTACT: Audrey Twyman, Stephen Cho, or John Brinkmann, Group 1, Office I, Antidumping/Countervailing Duty Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-3534, (202) 482-3798, and (202) 482-4126, respectively.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's ("the Department") regulations are to 19 CFR Part 351 (April 2001).

Background

On July 9, 2002, the Department published the preliminary results of this review of certain non-frozen apple juice concentrate ("NFAJC") from the People's Republic of China ("PRC"). See *Certain Non-Frozen Apple Juice Concentrate From the People's Republic of China: Preliminary Results of 1999-2001 Administrative Review and Partial Rescission of Review*, 67 FR 45462 (July 9, 2002) ("*Preliminary Results*"). The period of review ("POR") is November 23, 1999, through May 31, 2001. This review covers the following producers or exporters (referred to collectively as "the respondents"): Shaanxi Haisheng Fresh Fruit Juice Co., Ltd. ("Haisheng"), Shandong Zhonglu Juice Group Co., Ltd. ("ZhongLu"), Yantai Oriental Juice Co., Ltd. ("Oriental"), Qingdao Nannan Foods Co., Ltd. ("Nannan"), Xian Asia Qin Fruit Co., Ltd. ("Xian Asia"), Changsha Industrial Products & Minerals Import and Export Co., Ltd. ("Changsha"), Shandong Foodstuffs Import and Export Corporation ("Shandong"), Shaanxi Hengxing Fruit Juice Co., Ltd. ("Hengxing"), Shaanxi Machinery and Equipment Import and Export Corporation ("SAAME"), Shaanxi Gold Peter Natural Drink Co., Ltd. ("Gold Peter"), Xian Yang Fuan Juice Co., Ltd. ("Xian Yang"), and Sanmenxia Lakeside Fruit Juice Co., Ltd. ("Lakeside").

In May, 2002, we conducted verification of the questionnaire

responses submitted by the following respondents: Hengxing, Xian Asia, and Haisheng. We issued verification reports on July 17, 2002.

We invited parties to comment on the *Preliminary Results*. On August 8, 2002, we received case briefs from Lakeside, and a combined case brief from Haisheng, Zhonglu, Oriental, Nannan, Xian Asia, Shandong, and Hengxing. On August 13, 2002, the petitioners¹ submitted a rebuttal brief. No hearing was held because none was requested.

The Department has conducted this administrative review in accordance with section 751 of the Act.

Scope of Review

Merchandise covered by this review is NFAJC from the PRC. NFAJC is defined as all non-frozen concentrated apple juice with a Brix scale of 40 or greater, whether or not containing added sugar or other sweetening matter, and whether or not fortified with vitamins or minerals. Excluded from the scope of this order are: frozen concentrated apple juice; non-frozen concentrated apple juice that has been fermented; and non-frozen concentrated apple juice to which spirits have been added.

The merchandise subject to this order is classified in the *Harmonized Tariff Schedule of the United States* ("HTSUS") at subheadings 2009.70.00.20 and 2106.90.52. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Rescission of Review in Part

As noted in the *Preliminary Results*, Xian Yang reported no shipments of subject merchandise to the United States during the POR. Entry data provided by the Customs Service confirm that there were no POR entries from Xian Yang of NFAJC. Therefore, consistent with the Department's regulations and practice, we are rescinding this review with respect to Xian Yang. (See 19 CFR 351.213(d)(3); see, also, *Silicon Metal from Brazil: Final Results of Antidumping Duty Administrative Review*, 61 FR 46763 (September 5, 1996).)

Use of Facts Otherwise Available

As discussed in detail in the *Preliminary Results*, we have determined that companies which did not respond to the Department's questionnaire in this proceeding should not receive separate rates and, thus, are

¹ Coloma Frozen Foods, Inc., Green Valley Packers, Knouse Foods Cooperative, Inc., Mason County Fruit Packers Co-op, Inc., and Tree Top, Inc.
