## NATIONAL INDIAN GAMING COMMISSION

### Fee Rates

**AGENCY:** National Indian Gaming Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given, pursuant to 25 CFR 514.1(a)(3), that the National Indian Gaming Commission has adopted final annual fee rates of 0.00% for tier 1 and 0.0665% (.000665) for tier 2 for calendar year 2002. These rates shall apply to all assessable gross revenues from each gaming operation under the jurisdiction of the Commission. If a tribe has a certificate of self-regulation under 25 CFR part 518, the final fee rate on class II revenues for calendar year 2002 shall be one-half of the annual fee rate, which is 0.03325% (.0003325).

**FOR FURTHER INFORMATION CONTACT:** Bobby Gordon, National Indian Gaming Commission, 1441 L Street, NW., Suite 9100, Washington, DC 20005; telephone 202/632-7003; fax 202/632-7066 (these are not toll-free numbers).

**SUPPLEMENTARY INFORMATION:** The Indian Gaming Regulatory Act established the National Indian Gaming Commission which is charged with, among other things, regulating gaming on Indian lands.

The regulations of the Commission (25 CFR part 514), as amended, provide for a system of fee assessment and payment that is self-administered by gaming operations. Pursuant to those regulations, the Commission is required to adopt and communicate assessment rates; the gaming operations are required to apply those rates to their revenues, compute the fees to be paid, report the revenues, and remit the fees to the Commission on a quarterly basis.

The regulations of the Commission and the final annual rate being adopted today are effective for calendar year 2002. Therefore, all gaming operations within the jurisdiction of the

Commission are required to self-administer the provisions of these regulations and report and pay any fees that are due to the Commission by December 31, 2002.

## NUCLEAR REGULATORY COMMISSION

### Licensing Support System Advisory Review Panel

**AGENCY:** Nuclear Regulatory Commission.

**ACTION:** Notice of renewal of the Charter of the Licensing Support Network Advisory Review Panel (LSNARP).

**SUMMARY:** The Licensing Support System Advisory Review Panel was established by the U.S. Nuclear Regulatory Commission as a Federal Advisory Committee in 1989. Its purpose was to provide advice on the fundamental issues of design and development of an electronic information management system to be used to store and retrieve documents relating to the licensing of a geologic repository for the disposal of high-level radioactive waste, and on the operation and maintenance of the system. This electronic information management system was known as the Licensing Support System (LSS). In November, 1998 the Commission approved amendments to 10 CFR part 2 that renamed the Licensing Support System Advisory Review Panel as the Licensing Support Network Advisory Review Panel.

Membership on the Panel continues to be drawn from those interests that will be affected by the use of the LSN, including the Department of Energy, the NRC, the State of Nevada, the National Congress of American Indians, affected units of local governments in Nevada, the Nevada Nuclear Waste Task Force, and a coalition of nuclear industry groups. Federal agencies with expertise and experience in electronic information management systems may also participate on the Panel.

The Nuclear Regulatory Commission has determined that renewal of the charter for the LSNARP until December 12, 2004 is in the public interest in connection with duties imposed on the Commission by law. This action is being taken in accordance with the Federal Advisory Committee Act after

consultation with the Committee Management Secretariat, General Services Administration.

**FOR FURTHER INFORMATION CONTACT:** Andrew L. Bates, Office of the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC 20555; Telephone 301-504-1963.

Dated: December 19, 2002.

## PENSION BENEFIT GUARANTY CORPORATION

### Submission of Information Collection for OMB Review; Comment Request; Survey of Nonparticipating Single Premium Group Annuity Rates

**AGENCY:** Pension Benefit Guaranty Corporation.

**ACTION:** Notice of request for extension of OMB approval.

**SUMMARY:** The Pension Benefit Guaranty Corporation ("PBGC") is requesting that the Office of Management and Budget ("OMB") extend approval, under the Paperwork Reduction Act, of a collection of information (OMB control number 1212-0030; expires January 31, 2003). This voluntary collection of information is a quarterly survey of insurance company rates for pricing annuity contracts. The survey is conducted by the American Council of Life Insurers for the PBGC. This notice informs the public of the PBGC's request and solicits public comment on the collection of information.

**DATES:** Comments should be submitted by January 27, 2003.

**ADDRESSES:** Comments may be mailed to the Office of Information and Regulatory Affairs of the Office of Management and Budget, Attn: Desk Officer for Pension Benefit Guaranty Corporation, Washington, DC 20503. Copies of the request for extension (including the collection of information) may be obtained without charge by writing to the PBGC's Communications and Public Affairs Department, Suite 240, 1200 K Street, NW., Washington, DC 20005-4026, or by visiting that office or calling 202-326-4040 during normal business hours. (TTY and TDD users may call the Federal relay service toll-free at 1-800-877-8339 and request connection to 202-326-4040.)

**FOR FURTHER INFORMATION CONTACT:** Deborah C. Murphy, Attorney, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street,

NW., Washington, DC 20005-4026, 202-326-4024. (TTY and TDD users may call the Federal relay service toll-free at 1-800-877-8339 and request connection to 202-326-4024).

**SUPPLEMENTARY INFORMATION:** The Pension Benefit Guaranty Corporation's regulations prescribe actuarial valuation methods and assumptions (including interest rate assumptions) to be used in determining the actuarial present value of benefits under single-employer plans that terminate (29 CFR part 4044) and under multiemployer plans that undergo a mass withdrawal of contributing employers (29 CFR part 4281). Each month the PBGC publishes the interest rates to be used under those regulations for plans terminating or undergoing mass withdrawal during the next month.

The interest rates are intended to reflect current conditions in the investment and annuity markets. To determine these interest rates, the PBGC gathers pricing data from insurance companies that are providing annuity contracts to terminating pension plans through a quarterly "Survey of Nonparticipating Single Premium Group Annuity Rates." The survey is distributed by the American Council of Life Insurers and provides the PBGC with "blind" data (*i.e.*, is conducted in such a way that the PBGC is unable to match responses with the companies that submitted them). The information from the survey is also used by the PBGC in determining the interest rates it uses to value benefits payable to participants and beneficiaries in PBGC-trusted plans for purposes of the PBGC's financial statements.

The survey is directed at insurance companies that have volunteered to participate, most or all of which are members of the American Council of Life Insurers. The survey is conducted quarterly and will be sent to approximately 22 insurance companies. Based on experience under the current approval, the PBGC estimates that 11 insurance companies will complete and return the survey. The PBGC further estimates that the average annual burden of this collection of information is 41 hours and \$88.

The collection of information has been approved by OMB under control number 1212-0030 through January 31, 2003. The PBGC is requesting that OMB extend its approval for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Issued in Washington, DC, this 19th day of December, 2002.
