SUPPLEMENTARY INFORMATION: When the Commission released its Notice of Proposed Rulemaking (Notice) on September 18, 2002, the Federal Trade Commission (FTC) had proposed a number of amendments to its Telemarketing Sales Rule, but had not yet adopted rules based on its proposal. The notice explained that the Commission has the option to seek further comment to fully address the interplay between final FTC action and possible Commission action. On December 18, 2002, the FTC released rules establishing a national do-not-call registry and making other changes to its Telemarketing Sales Rule. In the order, the FTC notes that implementation of its do-not-call registry is contingent upon funding from Congress.

To ensure that all interested parties have ample opportunity to comment on possible Commission action in light of the FTC's recent order, the Consumer & Governmental Affairs Bureau (CGB) extends the reply comment period until January 31, 2003.

Federal Communications Commission.

Margaret M. Eglar,

Deputy Chief, Consumer & Governmental Affairs Bureau.
