SECTION 1.0 **GENERAL PROVISIONS**

ARTICLE 1.1 **RECOGNITION**

On April 27, 1973, the Los Angeles County Building and Construction Trades Council, AFL-CIO, was certified by the Employee Relations Board (hereinafter referred to as "ERB") as the majority representative of employees in the Building Trades Rank and File Representation Unit (hereinafter referred to as "Unit"). Accordingly, Management recognizes the Los Angeles County Building and Construction Trades Council, AFL-CIO (hereinafter referred to as "Union"), as the exclusive representative of the employees in said Unit.

The term, "employee" or "employees" as used herein, shall refer only to the employees in the classifications listed in Appendix A, as well as such employees as are in classes of positions subsequently accreted to the Unit.

The term "Union Credentialed Representative" means a full-time union staff representative designated by the Los Angeles County Building and Construction Trades Council to represent employees in this unit.

ARTICLE 1.2 **IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING**

This MOU constitutes a joint recommendation of Management and the Union. It shall not be binding in whole or in part on the parties hereto unless and until:

- A. The Union has notified the City Administrative Officer (hereinafter referred to as CAO) in writing that it has approved this MOU in its entirety.
- B. The determining bodies and the heads of those departments, offices, or bureaus represented herein have approved this MOU in its entirety in the manner required by law, and they have taken such other actions as might be required to fully implement the provisions of this MOU.
- C. The City Council has: (1) approved this MOU in its entirety; (2) amended applicable provisions of the Los Angeles Administrative Code (hereinafter referred to as LAAC); (3) amended departmental personnel ordinances and applicable codes; and, (4) appropriated the funds necessary to implement those provisions which require funding.

ARTICLE 1.3 **OBLIGATION TO SUPPORT**

The Union and Management agree, during the period this MOU or any amendments hereto are being considered by the Mayor, City Council, Council Committees, or the heads of those departments, offices or bureaus who are parties hereto, that neither Management, the Union, nor their authorized representatives will communicate with any of the aforementioned public officials to advocate any addition, deletion, or other change to the terms and conditions of this MOU. However this Article shall neither preclude Management, the Union nor any of their authorized representatives from communicating with said public officials to advocate the adoption of this MOU.

ARTICLE 1.4 **FULL UNDERSTANDING**

- A. This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

- B. Except as specifically provided for herein, the parties to this MOU, voluntarily and unqualifiedly waive their respective rights to meet and confer in good faith during the term of this MOU, with respect to any other matters within the scope of the meet and confer in good faith process. However, this Article shall not be deemed to preclude mutually agreed upon meet and confer in good faith sessions for the purpose of altering, waiving, modifying, or otherwise amending this MOU.

Notwithstanding the foregoing:

- C. No alteration, variation, waiver, modification or amendment of any of the Articles, terms, or provisions requiring approval of the City Council contained herein, shall in any manner be binding upon the Union or Management unless and until jointly recommended in writing to the City Council, and approved and implemented in accordance with Article 1.2(C).

- D. The waiver of any breach, term or condition herein by any party to this MOU shall not constitute a precedent in the future enforcement of all its Articles, terms and provisions.

ARTICLE 1.5 **TERM**

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.2 have been met, but in no event shall this MOU become effective prior to 12:01 a.m. on September 1, 2001. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on August 31, 2004.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceeding are completed as long as the parties have met their obligations under the provisions of Article 1.6, Calendar for Successor Memorandum of Understanding, to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 1.6 **CALENDAR FOR SUCCESSOR MOU**

Should either the Union or Management desire a successor MOU, that party shall serve upon the other during the period from June 1, 2004, through June 30, 2004, its written proposals for such successor MOU. Negotiations shall begin no later than thirty (30) calendar days following receipt of the Union's proposals.

ARTICLE 1.7 **CITY - UNION RELATIONSHIP**

A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Union as the exclusive representative of the employees in this representation unit.

B. Mutual Pledge of Accord

Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the City in the performance of their public service obligation.

It is the purpose of this Memorandum to promote and ensure harmonious relations, cooperation and understanding between the City and the employee represented by the Union and to establish and maintain proper standards of wages, hours and other terms or conditions of employment.

C. No Strike - No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City agrees that there shall be no lockout or the equivalent of members of the Union, and the Union and its members agree that there shall be no strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. Should such a strike or concerted action by Union members occur, the Union shall immediately instruct its members to return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, withholding of services, picketing in support of a strike, or other concerted action. The curtailing of operations by the City in whole or part of operational or economic reasons shall not be construed as a lockout.

The provisions of this Paragraph C shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

ARTICLE 1.8 **MANAGEMENT RIGHTS**

Responsibility for management of the City and direction of its work force is vested in City officials and department heads whose powers and duties are specified by law. In order to fulfill this responsibility, it is the exclusive right of City management to determine the mission of its constituent departments, offices, and boards, set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. It is also the exclusive right of City management to take disciplinary action for proper cause, relieve City employees from duty because of lack of work or other legitimate reasons and determine the methods, means and personnel by which the City's operations are to be conducted and to take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees or their representatives from consulting or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 1.9 **INCLUSION OF NEW CLASSES**

Upon written notification from the CAO to the Controller, this MOU shall be amended to incorporate the class and salary of any class accreted to this bargaining unit after the adoption of the MOU.

ARTICLE 1.10 PROVISIONS OF LAW AND SEPARABILITY

The parties agree that this MOU is subject to all applicable Federal and State laws, the City Charter, City ordinances, and any lawful rules and regulations enacted by the Civil Service Commission, ERB, or similar independent commissions of the City. If any Article, part, or provision of this MOU is in conflict with such applicable provisions of Federal, State, local law, or the Charter of the City of Los Angeles, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, said Article, part, or provision shall be suspended and superseded by such applicable law or regulations and the remainder of this MOU shall not be affected thereby.

SECTION 2.0 ASSOCIATION/EMPLOYEE RELATIONS

ARTICLE 2.1 UNIT INFORMATION

Management will provide the Union each thirty (30) calendar days with a list of employees in alphabetical order, their employee numbers, class titles and department, office or bureau, as well as division if such information is available. In addition, a listing by class title of employees in order of hire date in class shall be provided within 6 months from the effective date of this MOU and each ninety (90) days thereafter. Home addresses shall be provided each ninety (90) days.

ARTICLE 2.2 BULLETIN BOARDS

Section I

Management will provide bulletin boards or space at locations reasonably accessible to Union members which may be used by the Union for the following purposes:

- A. Notices of Union meetings.
- B. Notices of elections and their results
- C. Notices of Union recreational and social events.
- D. Notices of official Union business.
- E. Any other communication which has received the prior approval of the Departmental Management Representative where such material is to be posted.

Section II

All communications prior to being posted shall be identified with an official stamp of the Union, initialed by a Union Credentialed Representative and, if requested by Management, submitted to the management representative of a department, office or bureau for posting within twenty-four (24) hours of submission.

Section III

The Union shall place a removal date on all materials to be posted.

ARTICLE 2.3 **EMPLOYMENT OPPORTUNITIES**

The Personnel Department will mail to the Union copies of all recruitment bulletins. Tentative examination bulletins approved by the Head of the Examining Division of the Personnel Department will be mailed two (2) calendar days prior to the date that said bulletins are scheduled to be approved by the Civil Service Commission.

ARTICLE 2.4 **ACTIONS BY EMPLOYEE RELATIONS BOARD (ERB)**

Should any action(s) by ERB prior to the expiration of this MOU result in any significant changes to the composition of this representational unit, the parties hereto will meet as soon as possible to consider any revisions or amendments to this MOU that may be required to insure that the interests of the employees are protected.

ARTICLE 2.5 **USE OF CITY FACILITIES**

City facilities may be used with the prior approval of Management for the purpose of holding meetings, if such facilities can be made available without disrupting the normal operations of the departments, offices, or bureaus affected. The Union will pay such customary fee(s) and/or other charges as are required by the City. Customary charges usually cover rentals, special set-ups, cleanup, and security services.

ARTICLE 2.6 **WORK ACCESS**

A union credentialed representative shall have access to the facilities of the departments, offices, or bureaus represented herein during normal working hours for the purpose of assisting employees covered under this MOU in the presenting of grievances when such Union assistance is requested by the grievant(s), or investigating matters arising out of the application of the provisions of this MOU. Said Representative shall request authorization for such visit by contacting the management representative of the head of the department, office or bureau affected. In the event immediate access cannot be authorized, the management representative shall notify the union credentialed representative and arrange access as soon as possible.

The Union shall give to all heads of departments, offices, or bureaus represented herein and the CAO a written list of its union credentialed representatives, which list shall be kept current by the Union.

This Article shall not be construed as a limitation on the authority of the head of a department, office or bureau to restrict access to areas designated as security or confidential.

ARTICLE 2.7 **EMPLOYEE RELATIONS**

Meetings at reasonable intervals may be scheduled at the request of a union credentialed representative or the Management representative of a department, office or bureau for the purpose of informally discussing potential employer-employee relations problems.

ARTICLE 2.8 **AGENCY SHOP FEES – PAYROLL DUES DEDUCTIONS**

The following agency shop provisions are operative:

A. **DUES/FEES**

1. a. Each permanent employee* in this unit (who is not on a leave of absence) shall, as a condition of continued employment, become a member of the appropriate local union represented in negotiations by the Los Angeles County Building and Construction Trades Council (hereinafter referred to collectively as LACBCTC), or pay the LACBCTC a service fee in an amount not to exceed periodic dues, and general assessments of the LACBCTC for the term of this MOU, or a period of three (3) years from the operative date of this article, whichever comes first. Such amounts shall be determined by the LACBCTC and implemented by the City in the first payroll period which starts 30 days after written notice of the new amount is received by the Controller. (*A permanent employee is defined as one who has completed six continuous months of City service from his/her original date of appointment and who is a member of the Los Angeles City Employees' Retirement System.)

- b. Notwithstanding any provisions of Article 2, Section 4.203 of the Los Angeles Administrative Code to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than LACBCTC, will not be accepted by the Controller. For the purpose of this provision qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.

2. The CAO and the LACBCTC shall jointly notify all members of the representation unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by the City.

B. EXCEPTIONS

1. Management, Supervisory or Confidential Employees

In accordance with Section 3502.5(c) of the Government Code, the provisions of this article shall not apply to management, confidential, or supervisory employees.

- a. Management and confidential employees shall be as defined in Section 4.801 and designated in accordance with Section 4.830d of the Los Angeles Administrative Code.
- b. Supervisory employees shall be defined as follows:

"Supervisory employee" means any individual, regardless of the job description or title, having authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibility to direct them, or to adjust their grievances, or effectively to recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgement. Employees whose duties are substantially similar to those of their subordinates shall not be considered to be supervisory employees.

Management shall designate supervisory employees. Said designation or claim shall be reviewed jointly by the City and the LACBCTC. Any dispute shall be referred to the Employee Relations Board for resolution.

2. Religious Objections

Any employee who is a member of a bonafide religion, body, or sect, which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the organization. Such employee shall in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the LACBCTC and as a condition of continued employment.

C. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or service fee to be deducted from twenty-four (24) biweekly payroll checks of each employee in this unit as specified by the LACBCTC under the terms contained herein. "Dues," as distinct from "service fee," shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.
 - a. Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the LACBCTC by the Controller within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.
 - b. A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this article, becomes a member of this representation unit, within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.

3. Management will provide the LACBCTC with the name, home address, and employee number of each permanent employee.
4. The Controller shall notify the organization within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the representation unit or subject to the provisions of this article.

D. LACBCTC RESPONSIBILITIES

1. The organization (including the local unions represented in negotiations by the Los Angeles County Building and Construction Trades Council) shall keep an adequate itemized record of its financial transactions and shall make available annually to the City Clerk, and to all unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
2. The LACBCTC certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put. Those procedures shall be in accordance with the decision of the United States Supreme Court in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson, 106 S. Ct. 1066 (1986).
3. The LACBCTC agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this article. It is also agreed that neither any employee nor the LACBCTC shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

E. RESCISSION

The agency shop provisions herein may be rescinded in accordance with the procedures contained in Rule 12 of the Employee Relations Board adopted January 11, 1982.

In the event that this article is overturned by the employees in this representation unit, all other articles of the MOU shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deductions authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 2.9 **JOB SECURITY**

No Unit employee shall be terminated from employment or shall have a reduction in work hours, nor shall Unit staff levels be reduced due to work normally performed by Unit employees being contracted out. This provision is exclusive of Hiring Hall employees.

ARTICLE 2.10 **REVISION OF CLASS SPECIFICATIONS**

The Personnel Department will consult, upon request, with union credentialed representatives prior to recommending substantive changes to class specifications covering employees in this Unit.

ARTICLE 2.11 **UNIT REPRESENTATIVES**

The Union may designate a reasonable number of Unit Representatives who shall be members of this Unit, and shall provide the CAO, and all departments, offices, or bureaus with a written list of employees who have been so designated.

The duties and responsibilities of the Unit Representatives shall be limited to the recruitment of new members, the posting of Union material in accordance with the provisions of Article 2.2, Bulletin Boards, and such other related duties as may be assigned by the Union.

It is mutually understood that these activities shall not be performed during working hours of the Unit Representative(s) or the employees to be contacted.

ARTICLE 2.12 **DEFINITION OF EMERGENCY**

For the purpose of administering the provisions of this MOU, an emergency shall be defined as an occurrence, situation, or condition, which could not have been reasonably foreseen or anticipated.

SECTION 3.0 **GRIEVANCES**

ARTICLE 3.1 **GRIEVANCE PROCEDURE**

Section I - Definitions

A grievance is defined as any dispute concerning the interpretation or application of this written MOU or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. An impasse in meeting and conferring upon the terms of a proposed MOU is not a grievance.

Section II - Responsibilities and Rights

- A. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of ERB, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before ERB. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
- B. No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.
- C. The grievant has the responsibility to discuss his/her grievance informally with his/her immediate supervisor. The immediate supervisor will, upon request of a grievant, discuss the grievance with him/her at a mutually satisfactory time. The grievant may be represented by a representative of his/her choice in the informal discussion with his/her immediate supervisor, and in all formal review levels; provided, however, that such representative may not be a staff representative of any other certified bargaining organization.
- D. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, or by mutual agreement, the grievant and Management may waive one or more levels of review.
- E. Management shall notify the Union of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU, and a Union Credentialed Representative shall have the right to be present at any formal grievance meeting concerning such a grievance. If said Representative elects to attend such grievance meeting, he/she shall inform the head of the department,

office, or bureau of his/her intention. The Union will be notified of the resolution of all other formal grievances.

Section III - Procedure

The grievance procedure for employees covered by this MOU shall be as follows:

Step 1 - Informal Discussion

The grievant shall discuss his/her grievance with his/her immediate supervisor on an informal basis in an effort to resolve the grievance and said grievance shall be considered waived if not so presented to the immediate supervisor within ten (10) calendar days following the day when the event upon which the grievance is based occurred. Said ten (10) calendar days may be waived by mutual consent of the parties involved.

The immediate supervisor shall respond within five (5) calendar days following his/her meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process his/her grievance at the next step.

Step 2 - First Level of Review

If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by Management upon the person designated to review the grievance at Step 2 within seven (7) calendar days of receipt of the grievance response at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at the next level of review.

Step 3 - Second Level of Review

If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on said form upon the person designated to review the grievance at Step 3 within seven (7) calendar days of receipt of the Step 2 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at the next level of review.

Step 4 - General Manager/Commission Review (Third Level of Review)

If the grievance is not settled at Step 3, the grievant may serve written notice of the grievance on said form upon his/her General Manager or designee within seven (7) calendar days following receipt of the grievance response at Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. If such notice is served, the grievance shall be heard by the General Manager or his/her designee, or in the case of departments under the administrative control of a board of commissioners, by the Commission or the General Manager or their designee, as shall be determined by the head of the department involved. The General Manager/Commission or their designee will afford the parties an opportunity to present oral and/or written arguments on the merits of the grievance and shall render to the grievant and his/her representative, if any, a written decision within thirty (30) calendar days from the date said arguments were submitted.

Step 5 - Arbitration

If the written decision at Step 4 does not settle the grievance, and the grievant and the Union jointly determine that they desire arbitration, the Union shall serve upon the head of the department, office, or bureau a copy of the request for arbitration at the same time as the original is filed with ERB. The request for arbitration must be filed within seven (7) calendar days following the date of service of the written decision of the General Manager/Commission or their designee. Failure of the grievant to serve such written request within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall meet for the purpose of selecting an arbitrator from a list of seven arbitrators furnished by ERB, within seven (7) calendar days following receipt of said list:

- A. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred during such arbitration, will be the responsibility of the parties incurring them.
- B. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties, except for grievances involving the Departments of Airports, Harbor, Water and Power, Library, Recreation and Parks, Pensions, and the CERS, which shall be advisory only.
- C. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

ARTICLE 3.2 GRIEVANCE REPRESENTATION

The Union may designate a reasonable number of grievance representatives who must be members of the Unit, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated. Management will quarterly accept any changes to the list desired by the Union. A grievance representative, if so requested, may represent a grievant at all levels of the grievance procedure.

The grievant and his/her representative may have a reasonable amount of paid time off for this purpose. However, said representative will receive paid time off only if he/she is a member of the same Unit and the same Union as the grievant; is employed by the same department, office, or bureau as the grievant; and, is employed within a reasonable distance from the work location of the grievant.

If a grievance representative must leave his/her work location to represent a grievant he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the grievance

representative will be informed when time can be made available. Such time will not be more than forty-eight (48) hours, excluding scheduled days off and/or legal holidays, after the time of the grievance representative's request unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically result in an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.

Before leaving his/her work location, said representative shall call the grievant's supervisor to determine when the grievant can be made available. Upon arrival, said representative will report to the grievant's supervisor who will make arrangements for the meeting requested.

Time spent on grievances outside of regular working hours of the employee or his/her representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or his/her represented, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

SECTION 4.0 **ON THE JOB**

ARTICLE 4.1 **SAFETY**

Section I

Management will make every reasonable effort to provide safe working conditions, and the Union will encourage all employees in this Unit to perform their duties in a safe manner.

Section II

Safety clothing and/or safety devices currently provided by Management will continue to be provided as long as the need exists. The Union will encourage every employee to utilize such safety clothing and safety devices to the extent possible.

Section III

No disciplinary document shall be placed in an employee's official departmental personnel folder prior to providing said employee with a copy thereof. This provision shall not apply to documents placed in said folder prior to July 1, 1975.

After a disciplinary or adverse document has been in an employee's personnel folder for a period of one year, Management may, upon the employee's request, place a statement in the employee's personnel folder, showing that the employee's performance has improved.

A written reprimand or "Notice to Correct Deficiencies" may be sealed upon the written request of an affected employee if he/she has not been involved in any subsequent incidents that resulted in written corrective counseling or other management action for a period of four (4) years from the date the most recent notice was issued or management action taken. (It is mutually understood that in the Police Department a "Notice to Correct Deficiencies" is not considered a form of discipline and a copy is not placed in the departmental personnel folder. Written reprimands will not be sealed in the Police Department. Employees may request, instead of sealing, that such documents be stored separately from the official departmental personnel folder. These documents shall be accessible only to selected departmental personnel.)

If sealing or removal to separate storage is not approved, the reason for denial of the request shall be discussed with the employee. Written requests and responses, and the reasons for not sealing the document(s) shall not be placed in the personnel folder and shall not be grievable.

The existence of all documents, including sealed or separately stored documents, must be acknowledged by the department and be available upon subpoena and to selected City personnel.

ARTICLE 4.3 PERFORMANCE EVALUATIONS

A. The Supervisor who signs an employee's performance evaluation, shall have been in a position to review the employee's work for a reasonable period of time during the evaluation period. If the employee has worked under more than one supervisor

for a significant period of time during an evaluation period, the rating shall reflect the opinion of each such supervisor.

- B. An annual performance evaluation that has been appealed shall not be placed in an employee's personnel file until it has been determined whether the evaluation will be changed.

ARTICLE 4.4 **REIMBURSEMENT FOR LOST OR STOLEN TOOLS**

The depreciation schedule for approved reimbursement claims involving lost or stolen employee owned tools, which are required for the job, shall consist of the current market replacement cost less five dollars (\$5.00) per incident. ARTICLE 4.6 **TOOL AND CLOTHING ALLOWANCE**

- A. The City will provide a cash payment of seven hundred and fifty dollars (\$750) to each full-time employee in this Unit who was an active payroll status on September 1, and each year thereafter. SECTION 5.0 **WORK SCHEDULES**

ARTICLE 5.1 **WORK SCHEDULE**

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. Notwithstanding the provisions of Los Angeles Administrative Code Section 4.108, Management may assign employees to work a four/ten, five/forty, nine/eighty or other work schedule. Management shall have the right to refuse an employee's request to work a four/ten, nine/eighty, or other modified work schedule, and to require the reversion to a five/forty work schedule, providing that the exercise of such right is not arbitrary, capricious or discriminatory. The parties further agree that management may require employees to change their work schedules (change days off, except the split day or working hours) within the same FLSA workweek.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of management or the employee is prohibited unless it is intended for the employee to work additional hours (overtime).

- A. Work schedule is defined as an employee's assigned hours of the day, days of the week, and/or his/her shift rotation schedule.
- B. Except in emergencies*, an employee shall be notified in writing of a change in his/her work schedule at least seven (7) calendar days in advance of such change. Said schedule shall not be made for disciplinary purposes.

*For definition of emergency see Article 2.12.

Such day may be eight (8) hours, seven and one-half (7 ½) hours, or seven (7) hours as determined by the Chief of Police.

Said twenty (20) days of work, or the equivalent number of days for an alternative work schedule, may be scheduled at such time during two (2) biweekly pay periods as the Chief of Police may direct.

This Article shall not be construed to prohibit the implementation of flexible work schedules.

SECTION 6.0 **COMPENSATION**

ARTICLE 6.1 **SALARIES**

The parties to this MOU, having met and conferred in good faith jointly recommend to the City Council approval of the salary ranges or biweekly amounts set forth in Appendices A-F, effective September 1, 2001.

ARTICLE 6.2 **OVERTIME**

Section I - Management Authority

Nothing herein is intended to limit or restrict the authority of Management to require any employee to perform overtime work. However, overtime will be ordered and worked only when required to meet the City's public service obligations.

Section II - Distribution of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work. No employee shall work overtime without prior approval from his/her supervisor. Unofficial overtime (white time) is absolutely prohibited. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior written approval of a supervisor, consistent with department policy. Failure to secure prior approval may result in discipline.

Section III - Rate of Overtime Compensation

Operative upon the effective date of the enabling ordinance, employees in this unit whose base hourly rate (without bonuses or premiums) is at or below the 5th step base hourly rate for the class of Building Maintenance District Supervisor (Code 3190) in Council-controlled departments shall be paid at the rate of time and one half (1 ½) the employee's regular straight time hourly rate for all hours worked in excess of forty (40) hours in any work week including all absences with pay authorized by law. Management shall have the discretion to determine whether compensation shall be in cash or time-off.

Section IV - Overtime Meal Allowance

Whenever the City requires an employee to work at least four (4) hours in excess of the employee's regularly scheduled work shift on a normal work day, or at least four (4) hours in excess of an overtime work shift on a normal work day off, then the employee shall be paid an overtime meal allowance. Said overtime meal allowance shall be \$8.25.

Section V – Compensated Time Off

Employees shall be permitted to accumulate up to 80 hours of compensated time and take such accumulated time off for overtime worked upon request unless granting of such time would "unduly disrupt" the operations of the City department. This standard does not apply to non-FLSA overtime (i.e. overtime earned pursuant to this MOU, but which does not meet the FLSA definition of overtime).

On occasion, employees may accumulate compensated time in excess of 80 hours for a temporary period of time. If an employee does not use the accumulated hours in excess of 80 prior to the end of the fiscal year in which the overtime was worked, Management may require the employee to use such time prior to the end of the fiscal year; require the employee to use such time in lieu of vacation or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for

all or a portion of the hours in excess of 80, Management may extend the time limit for use or payment of the excess hours for a period not to exceed one additional fiscal year. In accordance with FLSA, no employee shall lose accumulated time off.

Under no circumstances shall compensated time off in excess of 240 hours be accumulated.

ARTICLE 6.3 JURY SERVICE

An employee duly summoned to attend any court of competent jurisdiction for the purpose of performing jury service shall, for those days during which jury service is actually performed and those days necessary to qualify for jury service, receive his/her regular salary. Provided, however, that any jury attendance fees received by an employee who receives his/her regular salary pursuant to this provision, except those fees received for jury service performed on a regular day off or a holiday, shall be paid to the City. Should said employee fail to deposit jury attendance fees as required by this Article within thirty (30) calendar days from the last day of jury service, the affected department, office, or bureau shall notify the Controller of the amount of such non-deposit and the Controller shall deduct an equivalent amount from the employee's paycheck.

During the time the employee is actually reporting for jury service, the head of the department, office, or bureau, or his/her designee will convert the employee's usual shift to a regular five-day, Monday through Friday day shift. The employee will report for work to his/her department, office, or bureau on any day of his/her converted shift that he/she is not required by the court to perform jury service. The absence of the employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay within the meaning of Section 4.75 of the LAAC.

ARTICLE 6.4 SUBPOENAED WITNESS COMPENSATION

- A. Subject to exceptions and provisions of paragraphs 2, 3, and 4 of this Article, whenever an employee is subpoenaed to appear as a witness, that employee will be granted a leave of absence with pay calculated pursuant to this Article. Such an employee will be paid the difference between the pay he/she regularly receives for a normal working day (without considering any potential overtime pay he/she may have received) and the amount he/she receives as witness fees. Any money received as compensation for mileage is not to be considered as part of the employee's witness fees.

- B. This Article does not apply to any employee:
1. Subpoenaed to appear in any proceeding as a litigant or as an expert witness;
 2. Subpoenaed to appear as a witness in any action brought about as a result of his/her own misconduct, or brought about through his/her connivance;
 3. Making an appearance for which he/she receives compensation in excess of his/her regular earnings; or
 4. Subpoenaed to appear or appearing during his/her off duty hours.
- C. The Police Department may reschedule an employee so that his/her subpoena does not conflict with his/her hours of work; arrange with the subpoenaing authority to place the employee in an "on call" status; or reschedule an employee subpoenaed to appear during off duty hours to alternate hours.
- D. All Departments other than the Police Department may so reschedule with the consent of the subpoenaed employee.

ARTICLE 6.5 **STANDBY PAY**

Section I

Persons employed in this Unit who are subject to call during the employee's off-duty hours on a regularly scheduled work day or anytime during the employees' regularly scheduled off-duty day, shall receive, when assigned to standby, in addition to any other compensation provided for herein, the sum of \$15.00 for each day of such assignment.

Section II

Management will attempt to assign standby as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. However, Management may consider special skills required to perform particular work in the making of such standby assignments.

Section III

If an employee assigned to standby duty fails to respond when contacted, no compensation shall be paid for that day.

Section IV

Notwithstanding the above, employees in the Police Department in the class and pay grades of Communications Electrician Code 3686 shall receive standby compensation at the rates specified below when assigned to standby during their off-duty hours:

Employees assigned to standby on weekends or holidays shall receive one hour compensation at straight time for every six hours they are required to standby. Employees assigned to weekday standby will not be compensated for standby time.

Management will attempt to assign standby duty as equitably as possible among all qualified employees in the same classification in the same organizational unit and work provision, however, management may consider special skills required to perform particular work.

Employees required to standby will be at home, will provide their supervisors with a telephone number, or to be within range where they can be contacted by a pager, if so equipped. Employees must be able to respond to Parker Center within an hour of being summoned. Employees who refuse standby assignments or fail to respond as provided herein may be subject to discipline.

Compensation for standby periods shall be at the discretion of the Chief or Police by cash payment or by time off. For purposes of computing the amount of compensation due for time spent on duty, the time spent on duty will commence at the time the individual reports to the designated place of assignment and will terminate the time when the employee is released from duty. Under no condition will time be allowed for travel (portal-to-portal).

Employees who are required to report for duty shall be compensated in accordance with Article 6.8 of this Memorandum of Understanding. Compensation for the time spent on duty during the period of standby (e.g., Weekend Standby: Friday 1700 to Monday 0700 = 62 hours. Employee called back for a total of 6 hours; $62 - 6 = 56$ total hours on standby $6 = 9.3$ hours of straight time compensation).

ARTICLE 6.6 MILEAGE

Any employee authorized to use his/her own vehicle, pursuant to Division 4, Chapter 5, Article 2 of the Los Angeles Administrative Code, in the performance of his/her duties, such employee shall be reimbursed for his/her transportation expenses at the rate of **thirty six and one half cents (\$.36 ½) for each mile** traveled in any biweekly pay period.

During the term of this MOU, the cents per mile reimbursement shall be increased to an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service. (Building Trade Members) Any operational change reducing the noise below 85 decibels shall cause the bonus to be eliminated. Elimination of this bonus due to a reduction in noise below 85 decibels is not grievable or arbitrable.
- B. However, all new hires (including current vacancies) after February 6, 2002, to the Loop Crew shall receive only a 2.75% bonus, pension based, only so long as they remain assigned to a Loop Crew.
2. It is the intent of the parties that such information will provide the basis for negotiations and annual salary and economic benefits adjustments during the term of this MOU.
- B. In the event that a craft rate is under negotiations in the private industry sector and information on the settlement is not timely available, the parties hereto agree that the last offer from construction industry management will be the information used in negotiating the hourly wage rate for said classification, provided such information is available. If such information is not available, the CAO will develop a rate for purposes of negotiations, by using the average percent increase for the employees covered by such other craft contracts as are used in calculating City rates, provided said contracts cover at least sixty percent (60%) of the employees in the Unit. Upon agreement between the parties as to the appropriate salary or wage for said craft(s), the CAO shall recommend to the City Council for implementation on September 1 of each fiscal year during the term of this MOU, the salary(s) or wage rate(s) negotiated in accordance with the provisions of this Article.

 - 1. Any period of incapacity or treatment connected with inpatient care in a hospital, hospice, or residential medical facility; or
 - 2. A period of incapacity requiring an absence of greater than three calendar days involving continuing treatment by or under the supervision of a health care provider; or
 - 3. Any period of incapacity (or treatment therefore) due to a chronic or serious health condition; or
 - 4. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective; or
 - 5. Any absence to receive multiple treatments (including any period of recovery therefrom) by, or on referral by, a health care provider for a condition that likely would result in incapacity or more than three consecutive days if left untreated; or

6. Any period of incapacity due to pregnancy or for prenatal care.

- F. All leave granted under this Article shall normally be for a continuous period of time for each incident.

An employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the employee is qualified that accommodates recurring periods of leave better than the employee's regular position. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with Section 4.110 of the Los Angeles Administrative Code during the duration of their part-time schedule.

Intermittent leave or work on a reduced schedule for the birth, adoption or foster care of a child shall only be permitted at the discretion of Management.

- G. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12 month period, a new request must be submitted.
- H. In accordance with State law, employees may be eligible for up to four (4) months (nine [9] pay periods) of pregnancy-disability leave in addition to the four (4) months (nine [9] pay periods) of family or medical leave. Such leave may be taken before or after the family and medical leave, depending on the period of time that a doctor certifies the employee is unable to work due to a pregnancy-related condition.
- I. A personal leave beyond the four (4) months (nine [9] pay periods) of leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.
- J. An employee receiving temporary workers' compensation benefits (either IOD or the rate provided in Division IV of the California Labor Code) who meets the eligibility requirements in III A of this Article shall automatically be considered to be on family or medical leave, effective the first day of the employee's absence.

- K. Management has the right to verify the certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow the employee at least 15 calendar days to obtain the medical certification.
- L. Upon return from family or medical leave, an employee shall be returned to his/her original job or to an equivalent job.

V. Notice Requirements

A. Employee

When an employee requests family or medical leave, he/she must state the reason for the requested leave (e.g. childbirth, to care for an immediate family member with a serious health condition, etc.). When the necessity for a leave is foreseeable, the employee must provide at least 30 days notice. However, if the leave must begin in less than 30 days, the employee must provide as much advance notice as is practical.

B. Management

In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management may designate leave, paid or unpaid, taken by an employee as family or medical leave-qualifying, regardless of whether or not the employee initiates a request to take family or medical leave.

VI. Applicable Time Off

Employees who are granted leave in accordance with this Article shall take time off in the following order:

A. Childbirth (Mother)

1. Accrued sick leave (100% and 75%) for the entire period of disability that a health care provider certifies is necessary (including prenatal care or the mother's inability to work prior to the birth), may be taken at the employee's discretion.
2. Accrued vacation available at the start of the leave shall be used prior to the use of time under 3, 4, 5 and 6 below.
3. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.

Effective January 1, 1998, 50% Sick Leave banks will be frozen.

4. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
5. Unpaid leave.
6. Accrued compensatory time off may be used at the employee's discretion, with management approval after exhaustion of 100% sick leave (No. 3 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay periods) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

B. Childbirth (father or domestic partner), Adoption, Foster Care, or Family Illness

1. Annual family illness sick leave up to twelve (12) days may be used at the employee's discretion. Such leave may be taken before or after the vacation described in 2 below.
2. Accrued vacation available at the start of the leave shall be taken. Such time must be used prior to the use of time under 3, 4, 5 and 6 below.
3. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.

Effective January 1, 1998, 50% Sick Leave banks will be frozen.

4. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
5. Unpaid leave.
6. Accrued compensatory time off may be used at the employee's discretion, with management approval after exhaustion of 100% sick leave (No. 3 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay periods) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

C. Personal Medical Leave

1. Accrued 100% sick leave may be used at the employee's discretion. Such leave may be taken before or after the vacation described in No. 3 below.
2. Accrued 75% sick leave may be used following use of all 100% sick leave at the employee's discretion. Such leave may be taken before or after the vacation described in No. 3 below.
3. Accrued vacation time.
4. Unpaid leave.
5. Accrued compensatory time off may be used at the employee's discretion, with management approval after exhaustion of 100% sick leave (No. 1 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay periods) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

VII. Sick Leave Rate of Pay

Payment for sick leave usage under Section VI. A, B, and C of this article shall be at the regular accrued rate of 100%, or 75% as appropriate.

VIII. Monitoring

Management shall maintain such records as are required to monitor the usage of leave as defined in this Article. Such records are to be made available to the Union upon request.

It is the intent of the parties that the provisions and administration of this Article be in compliance with the Family and Medical Leave Act of 1993.

ARTICLE 7.6 PERSONAL LEAVE

Each unit member shall, in addition to all other compensatory time, receive sixteen hours per calendar year as personal leave. Personal leave is defined as any event requiring a member's immediate attention. Personal leave shall only be taken in the calendar year in which it is credited and, if not taken, such time shall be deemed waived and lost. Personal leave may be taken in four-hour increments. No employee shall be entitled to personal leave until after completion of six months of satisfactory service.

Under no circumstances shall such time be compensated in cash upon separating from City service, retirement, transfer to another bargaining unit or any other reason.

ARTICLE 7.7 HOLIDAYS AND HOLIDAY PAY

Notwithstanding any provisions of the Los Angeles Administrative Code that may conflict, the following days shall be treated as holidays:

1. New Year's Day
2. Martin Luther King Jr.'s Birthday (the third Monday in January)
3. Washington's Birthday (the third Monday in February)
4. Cesar Chavez' Birthday (the last Monday in March)
5. Memorial Day (the last Monday in May)
6. Independence Day (July 4)
7. Labor Day (the first Monday in September)
8. Veteran's Day
9. Thanksgiving Day (the fourth Thursday in November)
10. The Friday after Thanksgiving Day
11. Christmas Day

12. The last four hours of an employee's scheduled work shift on the last working day preceding Christmas Day.
 13. Any day or portion thereof declared to be a holiday by proclamation of the Mayor and the concurrence of the City Council by resolution.
 14. Two unspecified holidays.
- A. When any holiday from 1 through 11 above falls on a Sunday, it shall be observed on the following Monday.
 - B. When any holiday from 1 through 11 above falls on a Saturday, it shall be observed on the preceding Friday.
 - C. Any holiday declared by proclamation of the Mayor shall not be deemed to advance the last scheduled working day before a holiday for purposes of computing any additional time off.
 - D. Whenever a holiday from 1 through 11 above occurs during an employee's regularly scheduled work week, eight (8) hours of paid leave shall be credited for the purpose of computing overtime pay for work performed after forty (40) hours.
 - E. Whenever a holiday listed under 12 and/or 13 above occurs during an employee's regularly scheduled work week, the appropriate number of hours of paid leave shall be credited for the purpose of computing overtime pay for work performed after forty (40) hours.
 - F. Employees working in excess of: eight (8) hours on any holiday listed from 1 through 10 above, or in excess of four (4) hours on the last working day preceding Christmas Day, or hours worked in excess of any day or portion thereof declared to be a holiday by proclamation of the Mayor shall be paid at the appropriate holiday pay rate for his/her class but such time shall not be included when calculating the employee's work week for overtime pay purposes.
 - G. Whenever a holiday falls on an employee's 9/80 or modified day off, the employee shall take an alternate day off within the same calendar week as the holiday.
 - H. An employee who works on any holiday above will be compensated at the rate of time and one-half (1½) for each hour worked, in addition to his/her regular compensation for the day, if said employee is in a class, with a prescribed salary range at or below the 5th step of Building Maintenance District Supervisor; provided, however, that the employee has (1) worked his/her assigned shift immediately before and his/her assigned shift immediately after the holiday, or, (2) prior to such holiday Management has authorized the employee to take paid leave time off in lieu

of the requirement to work said shifts. Any employee who fails to meet these requirements will be paid at the rate of one hour for each hour worked.

- I. For each holiday listed above which results in time off with pay for employees working a Monday through Friday work week, employees who are scheduled to work other than the Monday through Friday work week shall be entitled to such day off with pay or shall be compensated in accordance with all pertinent provisions (A through G above). If such holiday falls on the employee's scheduled day off, an alternative day off in-lieu shall be scheduled within the same calendar week as the holiday.
- J. The additional compensation for work performed on a holiday as provided herein shall not apply to employees whose regular rate of pay is bonused to include pay for holidays worked.
- K. Management shall have the sole authority and responsibility to determine whether the compensation for any holidays worked shall be in cash or paid leave time off.
- L. Each unspecified holiday shall be taken in accordance with the following requirements:
 - 1. The holiday(s) must be taken in one full normal working day increment of eight (8) hours during the calendar year in which it is credited or it will be forfeited. The request for such time off, if timely submitted by the employee, will be promptly approved by Management subject to the operating needs of the employee's department, office or bureau. If an unforeseen operating requirement prevents the employee from taking such previously approved holiday, Management will reschedule the holiday so that it may be taken on some other reasonably satisfactory date within the calendar year.
 - 2. Any break in service (i.e., resignation, discharge, retirement) prior to taking the holiday(s) shall forfeit any right thereto.
 - 3. The holiday(s) shall not be utilized to extend the date of any layoff.

4. No employee shall be entitled to any unspecified holiday until he/she has completed six months of service.
5. Employees who work in intermittent, on call, vacation relief, or seasonal positions shall not be entitled to any unspecified holiday(s).
6. No employee shall receive more than two unspecified holidays each calendar year. Thus, (a) an employee transferring from the Department of Water and Power (DWP) to any other City department, office or bureau will not receive (an) unspecified holiday(s) after taking such holiday(s) prior to leaving DWP, and (b) employees who resign or are terminated and then rehired during the same calendar year, will not receive (an) additional unspecified holiday(s) when rehired.

ARTICLE 7.8 VACATION

Operative on September 1, 1994, each employee in this Unit who has completed his/her qualifying year on or after that date shall be entitled to the following number of vacation days with full pay, based on the number of years of City service completed, accrued and credited at the rates indicated, subject to deductions for absences as provided in Section 4.246 of the LAAC:

Years of Service Completed	Number of Vacation Days	Monthly Accrual Rate In Hours/Minutes
1	11	7.20
5	17	11.20

15	20	11.20
16	21	11.20
17	22	14.40
18	23	14.40
19	24	16.00
25 and over	25	16.40

ARTICLE 7.9 BEREAVEMENT LEAVE

Management's present practices with regard to allowance for leave because of family deaths will be continued during the term of this MOU except the definition of immediate family shall include grandparents, grandchildren, step-parents, and step-children. Such practices of allowances for leave because of family deaths shall be in accordance with Section 4.127.1 of the Los Angeles Administrative Code.

Operative the effective date of the Ordinance implementing this MOU, the definition of immediate family shall include the domestic partner of an employee, a household member, and the following relatives of an employee's domestic partner: child, grandchild, mother, father.

Any employee claiming a domestic partner for purposes of this Article shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, declaring the existence of a domestic partnership with a named domestic partner. No affidavit is required to secure bereavement leave benefits arising from the death of a household member (any person residing in the immediate household of the employee at the time of death).

By extending to an employee the specific benefits defined by this Article, the City does not intend to confer or imply any other unspecified benefits to such employee, or to the employee's domestic partner, or to the employee's household members, or to any other person.

ARTICLE 7.10 WORKERS COMPENSATION

Management agrees to continue providing Workers' Compensation benefits in accordance with Section 4.104 of the Los Angeles Administrative Code, except that salary continuation payments during absences for temporary disability conditions shall be an amount equal to the employee's regular biweekly, take-home pay at the time of incurring the disability condition. For purposes of this Article, take-home pay shall be defined as an employee's biweekly gross salary rate less the mandatory deductions for Federal and State income tax withholding, and employee retirement contribution. The employee will be able to make adjustments in his/her voluntary deductions while on temporary disability leave but will not be able to change the amount normally deducted for State and Federal income taxes.

This Article shall be applicable to all injuries incurred after January 1, 1984.

SECTION 8.0

CONTINUATION OF MERIT PRINCIPLES

ARTICLE 8.1

CONTINUATION OF MERIT PRINCIPLES

1. Statement of Intent. At the time of execution of this MOU, applications for special reorganization of the City of Los Angeles have been filed in regard to the San Fernando Valley and Harbor Area and are being processed by the Los Angeles County Local Agency Formation Commission (“LAFCO”). The completion of these proceedings could result in bargaining unit employees being transferred to another public entity during the term of this MOU (hereinafter referred to as “Transferred Employees”). Former California Government Code §56844.2 provides:

Status of public employees under special reorganization; Collective bargaining agreement; Retiree benefits; Representation

- (a) This section shall only apply to a special reorganization.
- (b) All public employees to which Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 applies shall continue to be deemed public employees of the original local agency or of the newly incorporated local agency for all the purposes of that chapter, including, but not limited to, the continuation and application of any collective bargaining agreement that applies to these employees, and all representational and collective bargaining rights under that chapter.
- (c) Any existing collective bargaining agreement shall remain in effect and be fully binding on the original local agency or on the newly incorporated local agency, and on the employee organizations that are parties to the agreement for the balance of the term of the agreement, and until a subsequent agreement has been established.
- (d) Any existing retiree benefits, including, but not limited to, health, dental, and vision care benefits, shall not be diminished.
- (e) Notwithstanding any other provision of law, an employee organization that has been recognized as the exclusive representative of local agency public employees affected by a special reorganization shall retain exclusive representation of the unit employees of the original local agency, or of the newly incorporated local agency.

In consideration of this provision of law, it is the intent of the parties to this MOU to provide in this article, to the extent permitted by law, that Transferred Employees will enjoy certain substantially similar civil service and other protections for the term of the MOU, as described in paragraph 2 below, as they would have enjoyed if they had not been transferred, without unduly constraining the operations of the new jurisdiction. In the event that this article, or any part of this article is found invalid or unenforceable by a court of competent jurisdiction, that event shall not affect the validity of enforceability of the other articles of this MOU. However, if any provision of this article is judicially determined to be invalid, said provision or part shall be deemed invalid and unenforceable but the remainder shall not be affected thereby.

2. *Merit Principles.* If a new jurisdiction that has become subject to this MOU pursuant to former California Government Code §56844.2 fails to adopt or enforce laws which provide, in substance for the employment principles listed below, or those laws do not remain in effect for Transferred Employees during the entire term of this MOU, the following provisions shall apply to Transferred Employees:

- A. Examinations: All appointments shall be based on merit. All candidates taking a competitive examination shall be given a score and placed in a rank based on the whole score. The appointing authority shall select from the top three ranks. Applicants who receive a passing score on the examination shall be given a 5% credit added to their whole score for military service, if such persons have served in the armed forces of the United States during time of war or armed insurrection, or during any time when the United States engaged in active military operations against any foreign power, provided such person has been honorably discharged from active service during the five years preceding the examination. All candidates taking a competitive examination for promotion shall receive a credit for past service, the amount of which may be determined by the new jurisdiction prior to the examination.

- B. Probation: The probationary period for persons appointed in the class of Police Officer shall be eighteen months, measured from the commencement of recruit training. The probationary period for persons appointed in management classes shall be twelve months. The probationary period for persons appointed to entry level positions shall be 6 months, except that the new jurisdiction may establish a longer period, not to exceed 12 months, if the period is set in advance of the examination and after public hearing. The probationary period for all other non-entry level positions shall be six months, except that the new jurisdiction may establish a shorter period, if the period is set in advance of the examination and after public hearing.

- C. Transfer: An employee shall be allowed to transfer into an equal or lower paying class without further examination, provided he or she possesses the minimum qualifications and the capability of performing the required duties, in the following situations: (a) the employee is incapable of performing his or her duties because of injury, sickness, or disability; or (b) the employee has completed a probationary period.
- D. Layoffs: Any layoff shall be based on seniority in that the employee with the least amount of seniority within the class-group shall be laid off first. Seniority shall be calculated as including all service within the class-group plus any service in a higher class. Any employee laid off shall have the right to revert to a vacant position or displace (“bump”) a person in a lower class-group if there are no vacant positions, provided the displacing employee has (a) prior service in the lower class-group and (b) greater seniority than the employee being displaced.
- E. Discipline: An appointing authority may suspend or discharge an employee but only for cause.
- F. Military Leave: An employee who leaves his or her position to serve in the armed forces of the United States shall be entitled to a leave of absence and, upon returning from military service, restoration to his or her position, subject to applicable state and federal law and as further provided by ordinance.
- G. Non-discrimination in benefits: There shall be no discrimination in the provision of employee benefits between employees with spouses and employees with domestic partners.

These provisions (A-G) shall be deemed to be modified to conform to Los Angeles City law in effect on the effective date of the special reorganization.

- 3. *Disputes.* The grievance procedure shall not apply to disputes concerning the interpretation or application of this article, unless any such dispute would be grievable by a Los Angeles City employee as a matter of law. The Union waives its right to meet and confer in the event that the new City proposes to incorporate the limitation in the preceding sentence into its Employee Relations Ordinance or Resolution.

4. *No Waiver.* Except as provided in ¶ 3, this article shall not be construed as a waiver by the Union of any right it might have under law to meet and confer over the impact that any transfer of employees to another public entity may have on wages, hours, and other terms and conditions of employment.
