### WHO MAY FILE AN INTERNATIONAL APPLICATION

# §1.421 Applicant for international application.

(a) Only residents or nationals of the United States of America may file

## U.S. Patent and Trademark Office, Commerce

international applications in the United States Receiving Office. If an international application does not include an applicant who is indicated as being a resident or national of the United States of America, and at least one applicant:

(1) Has indicated a residence or nationality in a PCT Contracting State, or

(2) Has no residence or nationality indicated; applicant will be so notified and, if the international application includes a fee amount equivalent to that required by \$1.445(a)(5), the international application will be forwarded for processing to the International Bureau acting as a Receiving Office. (See also \$1.412(c)(6).)

(b) Although the United States Receiving Office will accept international applications filed by any resident or national of the United States of America for international processing, an international application designating the United States of America will be accepted by the Patent and Trademark Office for the national stage only if filed by the inventor or as provided in §1.422, 1.423 or §1.425.

(c) International applications which do not designate the United States of America may be filed by the assignee or owner.

(d) The attorney or agent of the applicant may sign the international application Request and file the international application for the applicant if the international application when filed is accompanied by a separate power of attorney to that attorney or agent from the applicant. The separate power of attorney from the applicant may be submitted after filing if sufficient cause is shown for not submitting it at the time of filing. Note that paragraph (b) of this section requires that the applicant be the inventor if the United States of America is designated.

(e) Any indication of different applicants for the purpose of different Designated Offices must be shown on the Request portion of the international application.

(f) Changes in the person, name, or address of the applicant of an international application shall be made in accordance with PCT Rule 92bis. (g) The wording of PCT Rule 92bis is as follows:

PCT Rule 92bis—Recording of Changes in Certain Indications in the Request or the Demand

#### 92bis Recording of Changes by the International Bureau

(a) The International Bureau shall, on the request of the applicant or the receiving Office, record changes in the following indications appearing in the request or demand:

(i) Person name, residence, nationality or address of the applicant,

(ii) Person, name or address of the agent, the common representative or the inventor.

(b) The International Bureau shall not record the requested change if the request for recording is received by it after the expiration:

(i) Of the time limit referred to in Article 22(1), where Article 39(1) is not applicable with respect to any Contracting State;

(ii) Of the time limit referred to in Article 39(1)(a), where Article 39(1) is applicable with respect to at least one Contracting State.
