**§ 1.967 Respondent's brief in *inter partes* reexamination.**

(a) Respondent(s) in an *inter partes* reexamination appeal may once, within the time limit for filing set forth in § 1.963, file a respondent brief in triplicate and serve the brief on all parties in accordance with § 1.903. The brief must be signed by the party, or the party's duly authorized attorney or agent, and must be accompanied by the requisite fee set forth in § 1.17(c). The brief must state the authorities and arguments on which respondent will rely. Any arguments or authorities not included in the brief will be refused consideration by the Board of Patent Appeals and Interferences, unless good cause is shown. The respondent brief shall be limited to issues raised in the appellant brief to which the respondent brief is directed. A third party respondent brief may not address any brief of any other third party.

(b) The respondent brief shall contain the following items under appropriate headings and in the order here indicated, and may include an appendix containing only those portions of the record on which reliance has been made.

(1) *Real Party in Interest*. A statement identifying the real party in interest.

(2) *Related Appeals and Interferences*. A statement identifying by number and filing date all other appeals or interferences known to the respondent, the respondent's legal representative, or assignee (if any) which will directly affect or be directly affected by or have a bearing on the decision of the Board of Patent Appeals and Interferences in the pending appeal.

(3) *Status of claims*. A statement accepting or disputing appellant's state-

(5) *Summary of invention*. A statement accepting or disputing appellant's summary of the invention or subject matter defined in the claims involved in the appeal. If appellant's summary of the invention or subject matter defined in the claims involved in the appeal is disputed, the errors in appellant's summary must be specified.

(6) *Issues*. A statement accepting or disputing appellant's statement of the issues presented for review. If appellant's statement of the issues presented for review is disputed, the errors in appellant's statement must be specified. A counter statement of the issues for review may be made. No new ground of rejection can be proposed by a third party requester respondent.

(7) *Argument*. A statement accepting or disputing the contentions of the appellant with each of the issues. If a contention of the appellant is disputed, the errors in appellant's argument must be specified, stating the basis therefor, with citations of the authorities, statutes, and parts of the record relied on. Each issue should be treated under a separate heading. An argument may be made with each of the issues stated in the counter statement of the issues, with each counter-stated issue being treated under a separate heading. The provisions of § 1.965 (c)(8)(iii) and (iv) of these regulations shall apply to any argument raised under 35 U.S.C. 102 or sec. 103.

(8) *Certificate of Service*. A certification that a copy of the respondent brief has been served in its entirety on all other parties to the reexamination proceeding. The names and addresses of the parties served must be indicated.
