(a) In the case of a petition for rate adjustment proceedings for cable, ephemeral recordings, certain digital audio transmissions, phonorecords, digital phonorecord deliveries, and coin-operated phonorecord players (jukeboxes), the petition shall detail the petitioner's interest in the royalty rate sufficiently to permit the Librarian of Congress to determine whether the petitioner has a "significant interest" in the matter. The petition must also identify the extent to which the petitioner's interest is shared by other owners or users; owners or users with similar interests may file a petition jointly.

(b) In the case of a petition for rate adjustment proceedings as the result of a Federal Communications Commission rule change, the petition shall also set forth the actions of the Federal Communications Commission on which the petition for a rate adjustment is based.

§ 251.63 Consideration of petition; settlements.

(a) To allow time for the parties to settle their differences concerning cable, phonorecord, and jukebox rate adjustments, the Librarian of Congress shall, after the filing of the petition under § 251.62 and before the 45-day period specified in § 251.45(b)(2)(i), designate a 30-day period for negotiation of a settlement. The Librarian shall cause notice of the dates for that period to be published in the FEDERAL REGISTER.

§ 251.64 Disposition of petition; initiation of arbitration proceeding.

After the end of the 45-day precontroversy discovery period, and after the Librarian has ruled on all motions and objections filed under § 251.45, the Librarian will determine the sufficiency of the petition, including, where appropriate, whether one or more of the petitioners' interests are "significant." If the Librarian determines that a petition is significant, he or she will cause to be published in the FEDERAL REGISTER a declaration of a controversy accompanied by a notice of initiation of an arbitration proceeding. The same declaration and notice of initiation shall be made for noncommercial educational broadcasting and the satellite carrier compulsory license in accordance with 17 U.S.C. 118 and 119, respectively. Such notice shall, to the extent feasible, describe the nature, general structure, and schedule of the proceeding.
