The Memorandum of Agreement hereinafter referred to as the "Agreement" is established by agreement at San Jose, California, this **7th day of December, 2005** by and between the City of San Jose, hereinafter referred to as the "City" or "Management" and the San Jose Police Officers' Association, hereinafter referred to as the "Employee Organization" or "Organization". The use of the term "Memorandum of Agreement" or "Agreement" is to be considered the same as the term Memorandum of Understanding contained in Section 3505.1 of the "Meyers-Milias-Brown Act."

The parties agree that the purpose of this Memorandum of Agreement is: To promote and provide harmonious relations, cooperation and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving differences which may arise under this Agreement, and to set forth the full agreements of the parties reached as a result of meeting and conferring in good faith regarding wages, hours and other terms and conditions of employment of the employees represented by the San Jose Police Officers' Association.

ARTICLE 1 TERM

1.1 This Memorandum of Understanding (hereinafter, "Agreement") shall become effective March 1, 2004, except where otherwise provided, and shall remain in effect through June 30, 2008. No amendment or change to the provisions of this Agreement shall be valid or binding unless reduced to writing and signed by duly authorized representative(s) of the parties.

1.2 This agreement is premised on the parties' mutual belief that they have the power to independently contract for retirement benefit changes, even if those retirement benefit changes differ from those eventually negotiated or awarded to employees exclusively represented by IAFF, Local 230. In the event that the parties are required to participate in a separate "tripartite" arbitration process covering retirement benefits during the term of this MOA, the parties agree as follows:

(a) If the POA and IAFF, Local 230 are required to make a "Joint Proposal":

- 1) The POA will not agree to make any "Joint Proposal" that includes any benefit change other than the "4% after 20 years" benefit set forth in Article 49 with an effective date of July 1, 2006; and
- 2) The City's proposal will consist solely of the "4% after 20 years" benefit set forth in Article 49 with an effective date of July 1, 2006.

(b) If the POA and IAFF, Local 230 are permitted to make separate proposals and be awarded separate benefits and the City is permitted to make separate proposals to POA and IAFF, Local 230:

- 1) The POA's proposal will consist solely of the "4% after 20 years" benefit set forth in Article 49 with an effective date of July 1, 2006; and
- 2) The City's proposal to POA will consist solely of the "4% after 20 years" benefit set forth in Article 49 with an effective date of July 1, 2006. This provision is not intended to limit the City's ability to make different proposals to IAFF, Local 230.

In the event that neither of the foregoing occur, the parties will meet and confer over how to proceed and will not proceed to a "tripartite" arbitration process covering retirement benefits until they have reached an agreement regarding how to proceed.

ARTICLE 2 RECOGNITION

Pursuant to Resolution No. 39367 of the City Council of the City of San Jose and the provisions of applicable state law, the San Jose Police Officers' Association, hereinafter referred to as the "Employee Organization" or "Organization", is recognized as the exclusive representative for the purpose of meeting and conferring on matters within the scope of representation for employees assigned to the following classifications:

Except as otherwise required by Article 14, no overtime compensation shall be paid for overtime worked which does not exceed thirty (30) minutes per day. Overtime worked which exceeds thirty (30) minutes in any work day shall be compensated to the nearest half-hour.

This time off must be pre-approved by the supervisor.

- 13.6.3 Once compensatory time off has been approved and scheduled, the employee shall be permitted to take such time off, unless emergency circumstances necessitate cancellation of such scheduled time off. In such event, the employee will remain credited with the compensatory time canceled.

- 13.6.5.1 If an employee is unable to reduce his/her comp-time balance to 240 hours by the end of the last pay period of the calendar year, by December 1 of that year, an employee shall submit a written plan to his/her immediate supervisor outlining how the excess hours will be reduced. If the employee submits a plan by that date, the employee shall receive a ninety (90) day carryover (to March 31 of the next calendar year) of any accrued compensatory time hours above the 240 hour maximum level. supervisor by the end of the first pay period of the new calendar year outlining how the excess hours will be reduced. If the employee submits the amended or new plan within the specified timeline, the employee shall receive a ninety (90) day carryover (to March 31 of the new calendar year) of any accrued compensatory time hours above the 240 hour maximum level. The plan shall include the reason(s) for the carryover need and plan of action to bring the compensatory time balance back into compliance within the ninety (90) day time frame.

The approval of this request shall be at the discretion of the Chief of Police.

13.6.5.4 No employee shall be required to reduce his/her individual number of accrued hours of compensatory time below 240 hours without the approval of the individual employee.

13.6.6 Supervisory approval or disapproval of compensatory time off shall be based on scheduling and staffing needs and not on an individual's reason for seeking to use the compensatory time.

13.6.7 The City reserves the right to buy down any employee's outstanding balance of compensatory time, subject to the provision of subsection 13.6.5.3. Such buy down shall be uniform, by percentage, as to all employees within a bureau.

- 22.5 Except as otherwise provided herein, no employee shall be entitled to a position in a higher class as a result of the application of the provisions of this Article.

22.6 Layoff Reinstatement Eligible List

- 22.6.1 The names of such persons laid off in accordance with the provisions of this Article shall be placed upon a reinstatement eligible list in inverse order of seniority; i.e., the person with the greatest seniority on the reinstatement eligible list for the classes affected shall be offered reinstatement when a vacancy exists in the affected class. In the event the person refuses the offer of reinstatement, such person's name shall be removed from the reinstatement eligible list unless such person has reinstatement rights under the provisions of this Topic to a higher class than the one in which the reinstatement is being refused.

- 22.6.2 In the event an employee accepts reinstatement to a lower class to which he/she is entitled, such person's name shall remain on the reinstatement eligible list for reinstatement to a lateral class provided such person, except for lack of seniority, would have been otherwise entitled to such lateral class at the time of the most recent layoff.
- 22.6.3 Any person who is reinstated to a class, which is the highest class to which he/she would have been entitled at the time of layoff, shall have his/her name removed from the reinstatement eligible list.
- 22.6.4 In the event a person on layoff cannot be contacted by the City through usual and customary channels within ten (10) working days, such person's name shall be removed from the reinstatement eligible list, providing, however, that such person within the two-year period specified herein may request that his/her name be replaced on the reinstatement eligible list and such person's name may, in the sole discretion of the Director of Employee Services, be returned to the reinstatement eligible list.
- 22.6.5 In no event shall the names of any person laid off pursuant to the provisions of this Article remain on a reinstatement eligible list for a period longer than two years from the effective date of such person's most recent layoff.

22.7 Reinstatement of Benefits

Upon reinstatement to any classification to which the employee is entitled pursuant to the provisions of this Article, all benefits acquired by the employee prior to his/her layoff shall also be reinstated. An employee shall not receive credit for time spent on layoff in computing time for any benefit entitlement.

ARTICLE 23 HOLIDAYS

- 23.1 Subject to the provisions of Section 23.2 of this Article, each employee shall be entitled to receive, as a holiday benefit from and after July 14, 1985, in lieu of any other holidays (excepting any other days proclaimed or designated by the Council as holidays for which full-time employees will be entitled to holiday leave), 3.3847 hours of time off from duty for each biweekly pay period from and after July 14, 1985. Said holiday benefit shall be given to each employee at the time to be determined by the City Manager, in his/her discretion, or by the Chief of Police with the approval of the City Manager, either before or after the biweekly pay period for which such benefit is provided hereby, but in no event shall such benefit for any biweekly pay period be given before the beginning of the calendar year within which falls the biweekly pay period for which such

benefit is given, nor later than twenty-six (26) biweekly pay periods immediately following the biweekly pay period for which such benefit is given.

- 23.2 If, at any time on or before the expiration of twenty-six (26) biweekly pay periods immediately following the biweekly pay period during and for which any full-time employee becomes entitled to time off duty as a holiday benefit under the provisions of 23.1 of this Article, the City Manager shall find or determine that to give any such benefit would seriously impair the efficiency of the Police Department, the City Manager may order that such employee shall receive, in lieu of the holiday benefit to which he/she would otherwise be entitled for any biweekly pay period under the provisions of Section 23.1, as extra holiday compensation 5.623% of his/her regular salary during said biweekly pay period of full-time employment.

23.2.1 The wage increase effective July 2, 2006 includes consideration specific to the settlement of the Holiday-in-Lieu grievance filed on August 2, 2002. The terms of this settlement are set forth in a separate agreement dated December 7, 2005.

- 23.3 By virtue of including the language of this Article 23 in this Agreement (previously only contained in Salary Resolutions), the parties do not intend in any way to alter their previously existing duties, rights, or responsibilities.

ARTICLE 24 DUES DEDUCTION

- 24.1 The City will deduct from the pay of each employee covered by this Memorandum of Agreement, while such employee is assigned to a classification included in a representation unit represented by the Organization, dues uniformly required as a condition of membership, pursuant to the Employee Organization's constitution and by-laws provided that the employee has signed an appropriate Authorized Dues Deduction card. Such authorization shall be on a form approved by the Director of Employee Relations. Payroll dues deductions shall be in the amount certified to the Director of Employee Relations from time to time by the designated Officer of the Employee Organization as regular monthly dues.
- 24.2 Deductions shall be made from wages earned by the employee for the first two pay periods in each month for dues for the preceding month. The City will remit to the designated officer of the Employee Organization the amounts so deducted accompanied by a list of the employees for whom the deduction was made.
- 24.3 City will make available to the Organization a check reflecting the dues deduction pursuant to the dues deduction provisions hereof on the Tuesday following the Friday that paychecks are issued. Any adjustments to the amount transmitted shall be made in a succeeding pay period and/or in a succeeding check to the Organization.

- 24.4 Properly executed dues deduction authorization cards and an alphabetical list of the additional employees authorizing the deduction shall be submitted to the Director of Employee Relations on or before the Monday of the week preceding the beginning of the pay period in which deductions are to be made. If, through inadvertence or error, the City fails to make the authorized deduction or any part thereof, the City shall assume no responsibility to correct such omission or error retroactively.
- 24.5 It is expressly understood and agreed that the Employee Organization will refund to the employee any union dues erroneously withheld from an employee's wages by the City and paid to the Employee Organization. In the event the Employee Organization fails to refund the dues erroneously withheld within a reasonable period of time following notification, the City will make such refund and deduct the amount from the amount due to the Employee Organization.
- 24.6 The employee shall indemnify the City and hold it harmless against any and all suits, claims, demands and liabilities that may arise out of or by reason of any action that shall be taken by the City for the purpose of complying with the foregoing provisions of this Article, or/in reliance on any list or certification which shall have been furnished to the City under the above provisions.
- 24.7 Since the Organization is the exclusive representative of the bargaining unit, it shall be the only employee organization entitled to dues deduction.

ARTICLE 25 GRIEVANCE PROCEDURE

25.1 Any dispute between the City and an employee, or, between the City and the Employee Organization, regarding the interpretation or application of this Memorandum of Agreement shall be considered a grievance. An employee may file a grievance on his/her own behalf, or by the President of the Employee Organization, or designated representatives.

25.2 Step I

25.2.1 An employee may present the grievance orally either directly or through his/her Employee Organization representative to the immediate supervisor within twenty-one (21) calendar days following the event or events on which the grievance is based. The immediate supervisor shall make whatever investigation is necessary to obtain the facts pertaining to the grievance. Within twenty-one (21) calendar days after receiving the oral grievance, the immediate supervisor shall give the employee a reply.

25.2.2 If the employee is not satisfied with the reply of the immediate supervisor, the employee may appeal the grievance to Step II.

25.3 Step II

25.3.1 If the employee desires to appeal the grievance to Step II, the grievance shall be reduced to writing, on forms provided, and presented to the Assistant Chief within five (5) working days following the receipt of the immediate supervisor's oral reply. The Assistant Chief may refer the grievance to the appropriate supervisor.

25.3.2 The written grievance shall contain a complete statement of the grievance, and alleged facts upon which the grievance is based, the reasons for the appeal, the remedy requested, and the sections of the agreement claimed to have been violated, if any. The grievance shall be signed and dated by the employee.

25.3.3 The Assistant Chief or the appropriate supervisor to whom the grievance has been referred may arrange a meeting between himself/herself, the employee, and the appropriate Employee Organization representative and attempt to resolve the grievance. In any event the Assistant Chief, or designated representative, shall give a written decision to the employee within twenty-one (21) calendar days following receipt of the written appeal to Step II.

25.3.4 If the employee is not satisfied with the decision, the employee may appeal the grievance to Step III.

25.4 Step III

25.4.1 If the employee desires to appeal the grievance to Step III, the employee shall complete the appropriate appeal section of the grievance form, sign the appeal, and present the grievance to the Director of Employee Relations within five (5) working days following receipt of the written decision at Step II.

25.4.2 Within ten (10) working days after receipt of the appeal to Step III, the Director of Employee Relations or designee shall schedule a meeting with the employee, the appropriate Employee Organization representative, and the Assistant Chief or the appropriate supervisor to discuss the matter. A written decision shall be given the employee or the appropriate Employee Organization representative within twenty-one (21) calendar days following the meeting.

25.4.3 If the Organization is not satisfied with the decision of the Director of Employee Relations, the appropriate representative of the Organization may appeal the grievance to Step IV -- Arbitration.

25.5 Step IV Arbitration

25.5.1 If the grievance has been properly processed through the previous steps of the procedure and not resolved, the appropriate Employee Organization representative may appeal the grievance to Arbitration. The appropriate Employee Organization representative shall notify the Director of Employee Relations, in writing, within fourteen (14) calendar days following receipt by the employee of the written answer at Step III.

25.5.2 Within fourteen (14) calendar days following the receipt of the notice of appeal to Step IV, a meeting shall be scheduled by the Director of Employee Relations or designee with the appropriate Employee Organization representative to prepare a joint statement of the issue, or issues, to be presented to the arbitrator. If the parties are unable to agree upon the issue, or issues, each party will prepare its statement of the issue, or issues, and jointly submit the separate statement of issue, or issues to the arbitrator for determination.

25.5.3 The parties may mutually agree upon the selection of the arbitrator or shall jointly request the State of California Mediation and Conciliation Service to provide a list of seven persons qualified to act as arbitrators.

25.5.4 Within five (5) working days following receipt of the above referenced list, the parties shall schedule a meeting to select the arbitrator. The right to strike the first name shall be determined by lot and the parties shall alternately strike one name from the list until only one name remains, and that person shall be the arbitrator.

25.5.5 The arbitrator shall hold a hearing on the issue, or issues, submitted, or as determined by the arbitrator if the parties have not mutually agreed upon the issue, or issues, and render a written opinion and reasons for the opinion as soon after the hearing as possible. The opinion shall be final and binding on both parties, and shall be limited to the issue, or issues involved.

25.5.6 The opinion shall be sent to the Director of Employee Relations and to the employee or appropriate representative of the Employee Organization.

25.5.7 Except as hereinafter provided, each of the parties shall pay for the time and expenses of its representatives and witnesses through all

stages of the arbitration procedure and shall contribute equally to the fee and expenses of the arbitrator. The arbitrator's fee schedule, whenever possible, shall be determined in advance of the hearing.

- 25.5.8 Witnesses who are employees and on duty at the time of scheduled appearance shall be released from duty without loss of compensation for the time required to testify. No overtime payments shall be made because of scheduled appearances.
- 25.5.9 Individual grievants shall be released from duty without loss of pay for the time of the arbitration hearing. One spokesperson shall be permitted to be present without loss of compensation for grievances filed by the Organization.
- 25.5.10 Arrangements for release time for grievant's witnesses shall, wherever possible, be made with the Director of Employee Relations no later than twenty-four (24) hours in advance of the scheduled hearing.
- 25.5.11 The parties agree that the arbitrator shall not add to, subtract from, change or modify any provision of this agreement and shall be authorized only to apply existing provisions of this Agreement to the specific facts involved and to interpret only applicable provisions of this Agreement.
- 25.5.12 The parties agree that the time limits set forth herein are of the essence of this procedure and are to be strictly complied with. Time limits may be extended only by written mutual agreement of the parties.

25.6 Immediate Arbitration

- 25.6.1 Any party may waive the grievance procedure time limits specified in this Article and proceed to immediate arbitration in any case where the party alleges that the other is threatening to take an action in violation of the Agreement in so short a period of time as to disallow the party from proceeding within the time limits of this Article. However, the method of proceeding to Immediate Arbitration must be done consistent with the following provisions.
- 25.6.2 The arbitration shall take place no earlier than the fifteenth day following the request by the grieving party for such "Immediate Arbitration," unless otherwise mutually agreed. During the two week period (14 calendar days) immediately following the request for Immediate Arbitration, the responding party shall have the opportunity to attempt to resolve the dispute.

- 25.6.3 If the City is the responding party, the Chief of Police and the Director of Employee Relations or their designated representatives, jointly, shall have the opportunity to meet with or otherwise communicate with appropriate Organization Representatives, in an attempt to resolve the dispute.
- 25.6.4 Once the request for Immediate Arbitration is filed, the parties shall (even though dispute resolution discussions are going on during the two week period) attempt to agree upon a neutral arbitrator and to obtain a date for arbitration hearing as soon as possible immediately following the two week period.
- 25.6.5 The parties will attempt to have a standing list of available "Immediate Arbitrators," but if no agreement on same is reached, the parties will obtain five arbitrators, by telephone if possible, from the State Mediation and Conciliation Service. The first arbitrator available to hear the matter following the two-week period shall be selected as arbitrator. The order of contacting the potential arbitrators shall be determined by lot unless mutually agreed otherwise. The parties are free to mutually agree upon an immediate arbitrator through any other process or agreement.
- 25.6.6 In any such case, the arbitrator selected to decide the dispute or grievance shall have the full and equitable power to frame a decision, including an order to the party initiating the dispute or grievance to abide by the time limits provided in the Article, or a restraining order against the party threatening the action or any other form of arbitration order that would resolve the matter in an equitable and just manner. However, the arbitrator may not add to, subtract from, change or modify any provision of this Agreement and shall be authorized only to apply existing provisions of this Agreement to the specific facts involved and to interpret only applicable provisions of this Agreement.
- 25.6.7 Unless the parties agree otherwise, closing argument shall be presented orally and there shall be a "bench" decision.
- 25.6.8 The parties shall attempt to have the arbitration proceedings completed as quickly as possible, including by meeting nights and weekends, if at all possible.

25.7 Consolidated Arbitration

- 25.7.1 If a matter goes to arbitration, and an arbitrator determines that the dispute in question is not otherwise covered by this Agreement, but would be subject to the provisions of Section 1111 of the Charter of the City of San Jose, then the same arbitrator serving as the neutral

arbitrator and chairperson shall convene a three member Board of Arbitrators and shall have the same authority as if selected as the neutral arbitrator under Charter Section 1111. The non-neutral members of the Board shall be chosen as provided in Section 1111. The Board shall conduct "mediation/arbitration." The Parties contemplate the sort of "mediation/arbitration" as the process is traditionally used in the San Francisco Bay Area. This process shall constitute issue by issue, last best offer arbitration proceedings as described in Charter Section 1111.

- 25.7.2 The parties herein contemplate eliminating the additional time and expense that would occur if a separate arbitrator had to be chosen under Section 1111 to hear/resolve the dispute in a separate proceeding.

25.8 Disciplinary Grievances

- 25.8.1 Employees in the bargaining unit shall only be disciplined for cause. Discipline is defined to include those matters that are cognizable before the Civil Service Commission plus disciplinary transfers.
- 25.8.2 Persons on probationary status (entry-level or promotional) may not appeal under this agreement rejection on probation. This limitation is without prejudice to pending matters.
- 25.8.3 Letters of reprimand may be appealed under this section only to the City Manager level.
- 25.8.4 Documented Oral Counselings (DOCs) retained by the Internal Affairs Division may be appealed under this section only to the level of Assistant Chief of Police. However, should a particular DOC be the result of the Assistant Chief's having reduced a higher form of discipline to a DOC with which the affected officer is still dissatisfied, such DOC may be appealed to the level of the Chief of Police. DOCs received for preventable, automobile accidents shall not be appealable unless the officer contends that the accident was not preventable.
- 25.8.5 Nothing herein constitutes a waiver of rights of employees otherwise granted by law (e.g., Government Code Sections 3300 et. seq.).
- 25.8.6 An employee challenging discipline shall have the option of choosing between the dispute-resolution provisions of this Agreement, or appeal to the Civil Service Commission. Any employee who wishes to preserve the right of appeal to the Commission must comply with the time requirements for filing such appeal as specified in the Civil Service Rules. Within twenty (20) days of the date of a Notice of

Discipline, the employee may file an appeal with the Civil Service Commission or pursue the grievance procedure or both. The grievance procedure shall begin at Step III for this process. Immediate arbitration shall not apply.

25.8.7 At the last step of the grievance procedure herein, just prior to binding arbitration, the employee shall elect which remedy he/she wishes to seek – binding arbitration as provided herein or a hearing before the Civil Service Commission. As otherwise provided in this Agreement, for the matter to go to binding arbitration, the Organization must agree (i.e., must be the party taking the matter to arbitration).

25.8.8 The employee shall confirm his/her election of remedies in writing to the Director of Employee Relations.

25.9 General Provisions of Grievance Procedure

25.9.1. Although grievances may be processed during normally scheduled working hours, the employee Organization agrees that the time spent by its designated representatives shall be kept to a reasonable minimum and that no Employee Organization representative shall be entitled to any additional compensation or premium pay for any time spent in processing grievances outside such representative's regularly scheduled hours. The Employee Organization also agrees that it will not process grievances during periods of overtime.

25.9.2 Any grievance not filed or appealed within the time limits specified shall be considered settled on the basis of the last disposition given. In the event the grievance is not answered within the time limits set forth herein, either the employee, where provided, or the appropriate Employee Organization representative may appeal the grievance to the next higher step within the time limits provided.

25.9.3 The Employee Organization agrees that it will not initiate or pursue any other avenue of redress on any matter properly within the scope of representation, except as otherwise provided by law under the Doctrine of Exhaustion of Administrative Remedies, the Employee Organization agreeing that it will not initiate or pursue any other avenue of redress on any matter properly within the scope of representation until the provisions of this Article, including arbitration, have been utilized.

25.9.4 Working days as used in this Article shall be defined as the regularly scheduled working days of the employee, or the authorized representative of the Organization, filing or appealing the grievance

and the regularly scheduled working days of the appropriate representative of the City responsible for replying to the grievance.

- 25.9.5 If an employee desires to file a grievance involving separation from City employment pursuant to the application of Article 26, entitled Leaves of Absence, the employee shall file the grievance in writing at Step II within ten calendar days following the date of separation.
- 25.9.6 Any of the time limits specified in Steps I through III may be extended by written mutual agreement of the parties.
- 25.9.7 No resolution of any grievance, as defined in Article 25, entitled Grievance Procedure, shall be contrary to the provisions of the Memorandum of Agreement. Copies of the resolution of all grievances, including the grievance, shall be sent to the President of the Organization.
- 25.9.8 It is understood and agreed that whenever a provision in this Article refers to an employee filing a grievance, the Organization may file such grievance either on the employee's behalf or on behalf of the Organization. In such event the processing of the grievance shall comply with all other provisions of the Grievance Procedure Article.
- 25.9.9 The Organization agrees to provide the City with a list of representatives authorized to file grievances on behalf of the Organization. Such list shall be kept current and shall contain no more than five representatives in addition to the President of the Organization.
- 25.9.10 If a party petitions to compel arbitration, then the prevailing party in such litigation shall be entitled to reasonable attorney's fees. This provision contemplates the prevailing party being either the petitioner or respondent in such litigation, including those situations in which the City is represented by the City Attorney's Office.
- 25.9.11 Nothing in the agreement between the City and the Organization shall be construed so as to prevent the Organization from working out any arrangement it chooses for the reimbursement or other payment by members of its bargaining unit for the costs of any arbitration proceeding involving a disciplinary grievance. The City shall have no responsibility for collecting such amounts.
- 25.9.12 Whenever labor/management grievances are resolved by an Employee Relations Office decision, arbitration or court action, the City will transmit information regarding such resolution to all Unit Commanders. If a matter is resolved by mutual agreement, then the

transmittal of information to all unit commanders shall be at Management discretion.

ARTICLE 26 LEAVES OF ABSENCE

- 26.1 The appointing authority, or designated representative, may grant an employee a leave of absence without pay for good and sufficient reason. Such leaves may be extended by written request of the employee, subject to approval of the appointing authority, or designated representative. - 26.4 Failure of the employee to return to work on the first scheduled work day after the effective date of the cancellation, or on the first scheduled work day following the expiration of a leave, shall be considered a voluntary resignation unless the failure to return is due to extenuating circumstances beyond the control of the employee.
- 26.5 Each employee who is granted a leave pursuant to the provisions of this Article may, upon return from leave, elect one of the following options:
- 26.5.1 Accept a vacant position in the classification held at the time the leave commenced, or

 - 26.5.3 Replace the least senior employee in the classification held at the time the leave commenced, or
 - 26.5.4 Continue the leave of absence without pay for a period not to exceed six (6) months.
- 26.6 Any employee who is absent without notification to his/her Department Director, or other designated authority, for two (2) consecutive work shifts, shall be

considered a voluntary resignation unless the failure to report is due to extenuating circumstances beyond the control of the employee.

- 26.7 Employees who have been separated from City service for failure to return from leave, or failure to report and whose failure is determined to be the result of extenuating circumstances beyond their control shall be reinstated.
- 26.8 The parties agree to implement the Federal and State Family Medical Leave Acts.

For purposes of administering the terms and provisions of the various ordinances, resolutions, rules and regulations adopted pursuant to this Memorandum of Agreement:

- 29.1 Management's principal authorized agent shall be the Director of Employee Relations, or his/her duly authorized representative except where a particular Management representative is otherwise designated.
- 29.2 The Employee Organization's principal authorized agent shall be the President of the San Jose Police Officers' Association, or his/her duly authorized representative.

ARTICLE 30 VACATIONS

- 30.1 Each eligible full-time employee, who has been employed for at least thirteen (13) biweekly pay periods, shall be granted vacation leave with pay in accordance with the following:
 - 30.1.1 Each employee shall accrue a leave of absence with full pay for vacation purposes, pursuant to the provisions of Resolution No. 51872, or amendments thereto. To wit, an employee shall be entitled to accrue vacation leave in the amount specified below for each cycle of twenty-six (26) full biweekly pay periods immediately preceding December 31st, or portion thereof, in each year of his/her employment as specified below:

11th year - 12th year	140 hours
13th year - 14th year	160 hours
15th year or more	180 hours

30.1.2 Carry-Over of Vacation Leave

An employee may carry over to the next subsequent cycle of twenty-six (26) biweekly pay periods, not more than 200 hours of unused vacation leave, together with any earned vacation leave which he/she is prevented from using in the former cycle, during which it is accrued, because of service-connected disability.

30.1.3 Reimbursement for Unearned Vacation Leave

If the employment of any full-time employee should cease, and if he/she should have taken more vacation leave than he/she had accrued at the time of termination of his/her employment, there shall be deducted from his/her final pay, or he/she shall refund to the City, such pay as he/she shall have received for vacation leave theretofore taken by him/her. The provisions of this Subsection 30.1.3 shall not apply to any full-time employee whose employment by the City is terminated by reason of the employee's death or entry into active duty with any of the Armed Forces of the United States that is reasonably likely to exceed one year in duration.

30.1.4 Payment for Unused Accrued Vacation Leave Upon Termination of Employment

If the employment by the City of any full-time employee should cease, he/she shall be given, at the time of such termination, full pay for any vacation leave which he/she may then have accrued.

30.2 Vacation Pay

If, in the judgment of the City Manager it is desirable by reason of a shortage of manpower or increased volume of work, to permit any full-time employee to work for the City during the time ordinarily allocated to such employee for vacation purposes, he/she may authorize such work. An employee who elects to perform such additional work shall be entitled to receive as additional compensation for such work an amount of money equal to his/her regular pay for such hours of work if such were not rendered during vacation leave, or, in lieu thereof, he/she may elect, in writing, filed with the Director of Employee Relations, to carry over such leave to the subsequent cycle of twenty-six (26) biweekly pay periods.

30.3 Vacation Leave

Subject to the above provisions, preference of vacation leave timing in any calendar year shall be given in order of seniority. For purposes of this section "seniority" shall be determined by the relative length of time served by each employee in the classification in which he/she is employed in a Department of the City government, and by the length of time during which such employee has worked on any shift, if more than one shift is worked by employees in such classification.

30.4 Computation of Vacation Leave

- 31.1.3 Accrued sick leave may also be utilized for job-related illness or injury if the employee is medically required to be absent from work between the date an examining physician determines the employee's condition to be "permanent and stationary" and the date the employee is so notified. Such accrued sick leave may not be utilized if the employee is otherwise entitled to temporary disability leave compensation for the above referenced period of time. Accrued sick leave not to exceed three (3) working days may be granted at the discretion of the Director of Employee Services or his/her designated representative following the notification referred to above. For example, the City would not indemnify the Association if the Association is found liable for misrepresentation or nondisclosure to its membership, or liable for any breach of duty of fair representation other than a breach predicated solely on the acts or omissions described in Section 31.1.10.

The City will not pay attorneys' fees to or on behalf of the Association but at the sole option of the Association, the City Attorney's Office will defend the Association against claims or lawsuits arising from implementation of this Section 31.1.10 so long as the Association waives any

conflict of interest, actual or potential, arising out of the representation of such counsel. However, legal counsel for the City shall keep Association informed of all developments particularly as to any possible settlement of the dispute/litigation. The Association shall have the right to participate in the defense.

The City's obligation to indemnify, as described above, is conditioned upon the City having primary authority for the defense. The Association and the City attorneys shall cooperate in the defense of the case. The Association may not agree to any settlement involving its financial liability without consent of the City.

50.2.1 The POA bargaining unit will not be reduced in number of positions as a result of that action,

- 51.4 The parties hereby jointly establish a goal of increasing the number of employees by twenty (20%) percent who voluntarily remain in the same assignment and shift for at least twelve (12) months, within the next two rotations.
- 51.5 A Labor-Management Committee shall be established to identify and discuss ways to increase the length of time employees remain on a shift and in a given assignment. Further the Labor-Management Committee shall discuss and evaluate acceptable methods for reducing staff turnover in assignments which impact Community Policing, including such concepts as "shift within shift" (i.e., changes by exception during longer assignments), ways to address the personal disadvantages of longer assignments and other matters related to the length of shift rotations.
- 51.6 At its own expense, the POA shall provide printed material such as public education brochures on Community Policing for distribution to the residents and businesses in San Jose. Such printed materials shall be found acceptable by the Police Chief before distribution.

- 52.2 The tests shall be carried out in the manner described by, and consistent with, the City's Employee Services Department Drug Testing Procedures and the "Substance Abuse Program" that the City has with the San Jose Police Officers' Association (Exhibit II). These documents are hereby incorporated herein by reference.

If implementation is delayed, then the random testing for persons in the affected units/assignments likewise must be delayed.

- 52.6 Effective immediately, all sworn personnel from Lieutenant through the Chief of Police in the chain of command of the units/assignments described above shall be tested as described herein. Thereafter, they shall be part of the random selection pool and shall also be tested upon assignment/rotation into that chain of command.

ARTICLE 53 TIME DONATION PROGRAMS

53.1 Employees may donate accrued vacation and/or compensatory time for credit to another full-time or part-time benefited City employee who qualifies for the Catastrophic Illness Program (CITD) or the Personal Illness Time Donation Program (PITD) as per the appropriate Memorandum of Agreement. Such donations may be made in accordance with the CPM section regarding Time Donation Programs and the following:

53.2 Catastrophic Illness Time Donation (CITD):

53.2.2 Eligibility to Receive Donations

This section shall apply when an eligible City employee must be absent from work for an extended period of time due to a non-job related illness or injury which is medically catastrophic (e.g., the illness/injury is

extremely serious, totally incapacitating, and life-threatening) and the employee has exhausted all paid leave and meets all criteria listed below. CITD leave may be considered leave under the Family Medical Leave Act and/or the California Family Rights Act.

- a. The employee is an active employee (full or part-time benefited) who is eligible for paid leave, and;
- b. The employee has exhausted all paid leave (personal leave, sick leave, vacation, compensatory time and executive leave) or will have exhausted all paid leave by the time donations can be processed, and either;
- c. The employee experiences a non-job related catastrophic illness or injury, which has required him or her to be absent for a period of thirty (30) consecutive or cumulative days or more, within the previous six (6) months. The expected condition and term of absence must be verified by the City's physician in consultation with the employee's treating physician, or;
- d. The eligible employee must show the need to care for an eligible family member who is catastrophically ill. Eligible family members are defined as:
 - 1) A legal spouse or a registered Domestic Partner and is receiving City health benefits
 - 2) A person under 18 years of age, or a person incapable of self-care because of a physical or mental disability who is a biological, adopted, foster or step child, or a ward of the employee
 - 3) A person for whom the employee is charged with a parent's legal rights, duties and responsibilities.

53.2.3 Criteria for Donating Time

To be eligible to donate hours, an employee must meet all of the following criteria;

- a. The donor must have sufficient accrued compensatory and/or vacation time to cover the requested transfer
- b. City employees may voluntarily donate accrued vacation and/or compensatory time either:
 - 1) to a specific eligible employee or

- 2) to a non-specified eligible employee to be utilized by any eligible employee should the need arise

53.2.4 Relationship to Salary Continuation (Long-Term Disability) Insurance

Voluntary donations of paid leave are intended to assist the seriously ill or injured employee who would otherwise have no regular income. For employees who are covered by the City's group insurance plan for salary continuation (long-term disability) or the SJPOA Insurance and Benefits Trust, donated leave is treated as sick leave, and is therefore an offset to benefits in accordance with that insurance plan.

53.2.5 Excess Donated Time

Donated time will be processed in increments of no more hours than the employee can use in a three month period. In the event the employee returns to work before using all of his/her processed donations, the recipient will retain the excess as sick leave. Donations may not be revoked.

53.2.6 Approval to Receive Donations

The Employee Services Department will review any CITD request submitted and determine whether the process of donation of paid leave may proceed based on the provisions of this section. The City's physician will review documentation of the employee's or eligible family member's medical condition, in consultation with the treating physician, and determine whether or not the condition meets the medical criteria of a catastrophic illness or injury. Donated time may not be retroactive (i.e., donated time cannot be applied to any employee absence prior to the date on which the required medical documentation is received by the Employee Services Department.) No donations will be accepted until the City's physician has qualified the recipient's or his/her family member's condition as medically catastrophic, and the Employee Services Department has verified that all other criteria are met. When CITD designation has been approved, a donation form specifically for the ill or injured employee will be created by Employee Services. The CITD form shall not be distributed prior to specific case approval. The employee or his/her Department Director will designate a CITD Liaison to distribute donation forms and facilitate the acceptance of donated time after CITD designation has occurred.

53.2.7 Approval to Make Donations

Donations cannot be made until the Employee Services Department has determined that the intended recipient employee is eligible to receive

donations. The employee or his/her Department Director will designate a CITD Coordinator to distribute donation forms and facilitate the acceptance of donated time.

53.2.8 Maximum Donation

A recipient employee is eligible to receive a total maximum of 1040 hours of donated leave time during their employment with the City. The amount of donated leave available to an employee shall be appropriately prorated for Part-time benefited employees.

If an eligible employee exhausts the maximum 1040 hours of donated leave and if the employee's or eligible family member's catastrophic illness or injury prevents the employee from returning to work, the employee or the employee's designee may apply for an increase to the maximum to 2080 total hours of donated leave. Application for the increased maximum shall be made to the City Manager through the Office of Employee Relations. The application shall include a recommendation from the Department Director and shall be evaluated based upon the operational impact on the employee's department and subject to the re-verification of the medical condition to determine if the illness or injury still qualifies and prevents the employee from returning to work. The decision of the City Manager regarding an application of an increase to the maximum donated leave is final and is not subject to appeal.

53.2.9 Donations to Non-Specified Employee(s)

Donations to a non-specified employee can be made at any time. Donations designated as non-specified will not be deducted from the donor employee's compensatory and/or vacation leave balances until such time as they have been awarded to an eligible employee. The donation is to be rescinded if donated hours are not converted before the end of pay period 24 of each payroll calendar year. Donor employees may elect to have their unused person-to-person donations designated as non-specific employee donations. Employees requesting donations established as non-specific employee donations shall be utilized on a first come, first served basis. Employees are required to exhaust all of their person-to-person time donations before being eligible for non-specific employee donations.

53.2.10 Method of Converting Donated Hours

Donations may be made in 1/2-hour increments and will be transferred on a dollar-for-dollar basis. Each donor will complete a donation form provided by the Employee Services Department on which the donor

specifies the number of hours to be donated. The dollar value of the time will be calculated at the donor's current pay rate. This dollar value will then be converted to sick leave hours for the recipient, to the nearest 1/2 hour, based on the recipient's current pay rate.

53.2.11 Confidentiality

Donations will be entirely voluntary and confidential. Care will be taken by everyone involved in the process to emphasize the voluntary nature of contributions and to maintain the confidentiality of employee medical information. Names of donors will be kept confidential, except where the donor requests that his or her identity be made known to the recipient. No information regarding the nature of the illness or injury will be divulged to other employees by anyone with access to such information.

53.3 Personal Illness/Injury Time Donation (PITD):

53.3.1 Eligibility to Receive Donations

This section shall apply when an eligible City employee must be absent from work due to a non-job related personal illness or injury and the employee has exhausted all paid leave. Employees are eligible for donations for absences of at least one (1) day, up to a maximum of thirty (30) consecutive calendar days immediately following an initial absence of at least thirty (30) consecutive calendar days. Donations to eligible employees under the PITD are limited to no more than what the employee can use in a one-month period (maximum of twenty-two (22) working days) for the same qualifying illness or injury. PITD leave may be considered Family Medical Leave under the Family Medical Leave Act (FMLA). The employee must be an active employee (full or part-time benefited) who is eligible for paid leave. The employee must have exhausted all accrued paid leave (sick leave, vacation, compensatory time, personal leave and executive leave) or will have exhausted all paid leave by the time donations can be processed. Employees who have received donations under the PITD program must wait at least one calendar year before reapplying for PITD donations. The City reserves the right to deny PITD requests.

53.3.2 Criteria for Donating Time

City employees will be able to voluntarily donate accrued vacation and/or compensatory time for transfer to another eligible employee in situations that meet all of the following criteria;

- a. The donor is an active employee (full or part-time benefited) who is eligible for paid leave.
- b. The donor has sufficient accrued compensatory or vacation time to cover the requested transfer.

53.3.3 Relationship to Salary Continuation (Long-Term Disability) Insurance

Voluntary donations of paid leave are intended to assist the ill or injured employee who would otherwise have no regular income. For employees who are covered by the City's group insurance plan for salary continuation (long-term disability) or the SJPOA Insurance and Benefits Trust, donated leave is treated as sick leave, and is therefore an offset to benefits in accordance with that insurance plan.

53.3.4 Excess Donated Time

Donated time will be processed in increments of no more hours than the employee can use in a one month period. In the event the employee returns to work before using all of his/her processed donations, the recipient will retain the excess as sick leave. Donations transferred to the recipient's sick leave balance may not be revoked.

53.3.5 Approval to Receive Donations

The Employee Services Department shall be provided with medical verification that the employee's condition will require more than thirty consecutive calendar day absence from work. The City reserves the right to request additional medical verification. No donations will be accepted until the Employee Services Department has received this medical documentation and all other criteria are met. Donated time may not be retroactive (i.e., donated time cannot be applied to any employee absence prior to the date on which the required medical documentation is received by the Employee Services Department).

53.3.6 Approval to Make Donations

Donations cannot be made until the Employee Services Department has received medical verification that the employee's illness or injury will require at least a thirty (30) consecutive calendar day absence from work. The employee or his/her Department Director will designate a PITD Coordinator to distribute donation forms and facilitate the acceptance of donated time.

53.3.7 Maximum Donation

A recipient employee is eligible to receive a total maximum donation of leave of the total number of hours that the recipient employee can use in a one month period during their employment with the City. The amount of donated leave available to an employee shall be appropriately prorated for Part-time benefited employees.

53.3.8 Method of Converting Donated Hours

Donations may be made in 1/2 hour increments and will be transferred on a dollar-for-dollar basis. Each donor will complete a donation form provided by the Employee Services Department which specifies the number of hours to be donated. The dollar value of the time will be calculated at the donor's current pay rate. This dollar value will then be converted to sick leave hours for the recipient, to the nearest 1/2 hour, based on the recipient's current pay rate.

53.3.9 Confidentiality

Donations will be entirely voluntary and confidential. Care will be taken by everyone involved in the process to emphasize the voluntary nature of contributions and to maintain the confidentiality of employee medical information. Names of donors will be kept confidential, except where the donor requests that his or her identity be made known to the recipient. No information regarding the nature of the illness or injury will be divulged to other employees by anyone with access to such information.

ARTICLE 54 SEPARABILITY

Notwithstanding any other provisions of this Agreement to the contrary, in the event that any article, or subsections thereof, of this Agreement shall be declared invalid by any court of competent jurisdiction, or by any applicable State or Federal law or regulation, or should a decision by any court of competent jurisdiction or any applicable State or Federal law or regulation diminish the benefits provided by this Agreement, or impose additional obligations on the City, the parties shall meet and confer or negotiate on the Article or subsections thereof affected. If they are unable to come to an agreement on the matter, the provisions of Section 1111 of the Charter shall apply. All other provisions of this Agreement not affected shall continue in full force and effect.

ARTICLE 55 MEET AND CONFER AND INTEREST ARBITRATION

The meet and confer process between the City and the Police Officers' Association shall be conducted in accordance with the following procedures:

- 55.1 Meet and Confer. The goal of the meet and confer process is to reach a voluntary settlement which adequately addresses the interests of both parties. The parties shall be committed to conducting the process in good faith, treating all participants with respect and honoring each others' time by providing advance notice of scheduled and cancelled meeting dates.
- 55.2 Mediation. In the event impasse is declared regarding contract negotiations for a new MOA, the parties will participate in mediation prior to arbitration in an attempt to resolve the dispute. However, the parties shall arrange for an arbitrator and schedule arbitration dates in advance (arbitration shall be conducted in accordance with City Charter section 1111). If the mediation process has not been completed within a 90-day period, beginning with the first day of impasse as determined by written notification of impasse by either party, either party may proceed to arbitration. If the parties do not proceed to arbitration, the arbitrator shall be cancelled.
- 55.3 If the parties remain at impasse following mediation, the POA may choose to make a presentation during a public City Council meeting without the requirement of a Council response.

ARTICLE 56 PROBATIONARY PERIOD

- 56.1 With respect to the method for calculating the end of the probationary period for employees within the SJPOA bargaining unit, vacation time, sick time, disability leave, lost time, and all other periods of absence with or without pay shall *not* be considered to be part of the employee's service to the City and shall *not* count toward the calculation of the employee's probationary period except as specified in 56.3 below.
- 56.2 Time spent on modified/light duty shall not count toward calculation of the employee's probationary period, other than employees serving a promotional probationary period in the classification of Sergeant and above who are in permanent modified duty positions.
- 56.3 Compensatory time off that is mandated in writing by the City pursuant to Section 13.6.5 of the Memorandum of Agreement shall be deemed to be part of the employee's service to the city and shall count toward the calculation of the employee's probationary period. Additionally, voluntary approved compensatory "time off", up to and including eighty (80) hours in the aggregate, whether taken in sort or extended increments shall be deemed to be part of the employee's probationary period. Any and all voluntary approved compensatory "time off" in excess of eighty (80) hours shall *not* be considered to be part of the employee's service to the City and shall *not* count toward the calculation of the employee's probationary period.

56.4 The City agrees to indemnify the Association as to any liability arising solely from the implementation of Section 56.2. The indemnification also extends to the act of Association's cooperation in the defense of this section before an forum.

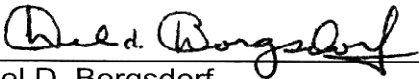

The City will not indemnify the Association for any liability caused by separate acts or omissions independent of the acts described in Section 56.2. For example, the City would not indemnify the Association if the Association is found liable for misrepresentations or nondisclosures to its membership, or liable for any breach of duty of fair representation other than a breach predicted solely on the acts or omissions described in Section 56.2.

The City will not pay attorneys' fees to or on behalf of the Association but at the sole option of the Association, the City Attorney's Office will defend the Association against claims or lawsuits arising from the implementation of Section 56.2 so long as the Association waives any conflict of interest, actual or potential, arising out of representation by such counsel. However, legal counsel for the City shall keep Association informed of all developments particularly as to any possible settlement of the dispute/litigation. The Association shall have the right to participate in the defense.

The City's obligation to indemnify, as described above, is conditioned upon the City having primary authority for the defense. The Association and the City attorneys shall cooperate in the defense of the case. The Association may not agree to any settlement involving its financial liability without consent of the City.

SUBSTANCE ABUSE PROGRAM

The purpose of the Substance Abuse Program is to provide guidelines for self-referral and rehabilitation options for employees that may be experiencing a problem with alcohol and/or drug use as well as “for cause” alcohol/drug testing for the detection and deterrence of alcohol and drug abuse. It also outlines the responsibilities of management and employees.

It is the policy of the City of San Jose to maintain a safe, healthful and productive work environment for all employees. To that end the City will act to eliminate any substance abuse (alcohol, illegal drugs, prescription drugs or any other substance which could impair an employee's ability to safely and effectively perform the functions of the particular job) which increases the potential for accidents, absenteeism, substandard performance, poor employee morale or tends to undermine public confidence in the City's workforce. All persons covered by this policy should be aware that violations of the policy may result in discipline, up to and including termination.

In recognition of the serious duty entrusted to employees of the City, with knowledge that drugs and alcohol do hinder a person's ability to perform duties safely and effectively, the following policy against drug and alcohol abuse is hereby adopted by the City of San Jose.

Application

A. Personnel

1. Full-time and permanent, benefited part-time employees represented by: San Jose Police Officers' Association.

B. Substances

1. alcohol;
2. illegal drugs; and
3. prescription drugs and other substances which may impair an employee's ability to effectively perform the functions of the job.

Policy

It is the policy of the City that employees:

- shall not report to work under the influence of alcohol or drugs or exhibit symptoms of alcohol or drug use;

- while on duty shall not use, possess, sell or provide drugs or alcohol;
- shall not have their ability to work or be paid stand-by impaired as a result of the use of alcohol or drugs.

An employee is required to notify his/her supervisor when any medications or drug he/she is taking create an unsafe and dangerous situation.

In the event there are questions regarding an employee's ability to safely and effectively perform assigned duties while using such medications or drugs, clearance from the City physician will be required. If an employee is prescribed medication or drugs in relation to a work-related injury or illness, the doctor treating the employee for the work-related injury or illness shall provide the required clearance.

The City has established an Employee Assistance Program (EAP) to assist those employees who voluntarily seek help for alcohol or drug problems. Employees could contact their supervisors or the Department of Employee Services for additional information.

Employees reasonably believed to be under the influence of alcohol or drugs, as described under the Management Responsibilities and Guidelines Section, paragraph B, shall be prevented from engaging in further work and shall be instructed to wait for a reasonable time until an authorized department representative can transport the employee from the worksite to home or an appropriate medical facility.

Violations of this policy shall be grounds for disciplinary action, up to and including discharge for serious or repeated infractions. Refusal to submit immediately to an alcohol and/or drug analysis when requested by management will constitute insubordination which alone will form a basis for discipline.

Employee Responsibilities

An employee must:

- A. not report to work while his/her ability to perform job duties is impaired due to alcohol or drug use;
- B. not possess or use, or have the odor of alcohol or drugs on his/her breath during working hours while operating any City vehicle or equipment;
- C. not directly or through a third party sell or provide drugs or alcohol to any person or to any other employee while either employee or both employees are on duty, or paid stand-by;

- D. submit immediately to reasonable requests for alcohol and/or drugs analysis when requested by an authorized representative of a department director and may request union representation;
- E. notify his/her supervisor, before operating City equipment, when taking any medications or drugs, prescription or non-prescription, which may create an unsafe or dangerous situation for the public or the employee's co-workers, including but not limited to valium, muscle relaxants, and painkillers, and
- F. provide within 24 hours of request a current valid prescription for any drug or medication identified when a drug screen/analysis is positive. The prescription must be in the employee's name.

Management Responsibilities and Guidelines

- A. Managers and supervisors are responsible for consistent enforcement of this policy, i.e., that refusal constitutes insubordination that will result in disciplinary action. Any supervisor who knowingly permits a violation of this policy by employees under his/her direct supervision shall be subject to disciplinary action.
- B. A department director or authorized representative may request that an employee submit to a drug and/or alcohol analysis when a manager or supervisor has a reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol. "Reasonable suspicion" is a belief based on objective and articulable facts sufficient to lead a reasonable prudent supervisor to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his/her job safely is reduced.

For example, any of the following, alone or in combination, may constitute reasonable suspicion:

1. A pattern of documented abnormal or erratic behavior;
2. Direct observation of drug or alcohol use; or information provided by a reliable and credible source that an employee has engaged in drug or alcohol use, the identity of which source shall be available to the employee and the Union;
3. Presence of the mental or physical symptoms of drug or alcohol use (e.g., glassy or bloodshot eyes, alcohol odor on breath, slurred speech, poor coordination and/or reflexes);
4. A work related accident in conjunction with other facts which together support reasonable cause.

C. Any manager or supervisor should immediately notify another supervisor to meet him/her to observe the employee's behavior prior to requesting an employee to submit to a drug and/or alcohol analysis. If the employee requests union representation, the employee will be allowed the opportunity to secure such representation. If an employee believes an employee not under his supervision has a problem and should be tested or referred, he/she should contact the **Office of Employee Relations (OER)** who will notify the Department Director or authorized representative. Should the Department Director or authorized representative concur that the employee appears to be in violation of the policy, the following procedures shall immediately be applied:

1. The manager or supervisor shall document in writing the facts constituting reasonable suspicion that the employee in question is intoxicated or under the influence of drugs. This information shall be stated on the Investigation Documentation Memorandum (IDM).
2. Any manager or supervisor requesting an employee to submit to a drug and/or alcohol analysis shall be responsible for the employee's transport to the City's designated Employee Health Services or after-hours facility where a drug and/or alcohol test will be requested.
3. Any manager or supervisor encountering an employee who refuses to submit to a drug and/or alcohol analysis upon request shall remind the employee of the requirements and consequences of this policy. The manager or supervisor should ask the employee to wait a reasonable time until an authorized City representative can transport the employee home.
4. Managers and supervisors shall not physically search employees.
5. Managers and supervisors shall notify the Police Department when they have reasonable suspicion to believe that an employee may have illegal drugs in his or her possession or in an area not jointly or fully controlled by the City.
6. Managers and supervisors shall not confiscate, without consent, prescription drugs or medications from an employee who has a prescription.
7. The employee will be informed of the requirement that he or she undergo testing in a confidential manner, by one of the supervisory employees who made the reasonable suspicion determination.

D. A manager or supervisor may require an employee to attend an initial screening session with the Employee Assistance Program (EAP) as an alternative to drug or alcohol testing. The employee shall provide proof of attending the initial appointment. Failure to attend or to provide proof of such attendance may

subject the employee to disciplinary action. The employee's decision to attend or not attend follow-up sessions shall be voluntary.

E. Demands for drug or alcohol analysis by supervisors or managers, which are determined to be malicious or vexatious will not be tolerated and will subject the directing individual to disciplinary action.

F. Results of Drug and/or Alcohol Analysis:

1. Upon a negative result, the employee shall return to work if otherwise fit for duty.

2. If the test result is positive, the following shall apply:

First Offense: In an effort to encourage the employee to take responsibility for his/her problem, first violation of this policy will result in a formal, mandatory referral to the **Employee Assistance Program (EAP)**, using the established referral procedures in addition to any disciplinary action the City may impose for violations of this policy. A written record of this referral will be maintained in a restricted confidential employee medical file. **EAP** will assess the employee's need for treatment. An employee declining to be evaluated by **EAP** may be subject to disciplinary action independent of any other misconduct. Treatment will be offered to the employee on a voluntary basis and the employee will be responsible for thirty (30%) percent of the treatment cost. No disciplinary action will be imposed for refusal of treatment; however, misconduct including being under the influence of drugs and/or alcohol in the workplace and/or while on duty and/or while on standby or any action constituting a violation of this policy will continue to be subject to discipline, subject to applicable due process for City employees.

3. **Second Offense:** During an employee's career, a second opportunity for treatment may be offered in the event of a relapse. Discipline, which could result in termination, will be imposed for the second violation of this policy, , subject to due process for City employees. If a second treatment program is allowed, the employee will be responsible for the cost.

4. The employee may request a split sample be tested at another facility at City expense to provide a second independent result.

Confidentiality

Laboratory reports or test results, if positive only, shall appear in an employee's confidential medical file. The reports or test results may be disclosed to a department director or authorized representative and Employee Services Director on a strictly need-to-know basis and to the tested employee upon request. Disclosures, without patient consent, may also occur when: (1) the information has been placed

at issue in a formal dispute between the employer and employee; (2) the information is to be used in administering this program; (3) the information is needed by medical personnel for the diagnosis or treatment of the patient who is unable to authorize disclosure.

Procedure: Drug Testing

The City of San Jose Drug Testing Procedures contains procedures for handling testing for drugs if the test is conducted by the City's Employee Health Services during normal business hours. Tests required on nights or weekends will be handled in a medical facility determined by the City.

Presence of drugs in the employee's system will be reported as positive in the initial and confirmation test if the amount exceeds the minimum detection levels defined in the City of San Jose Substance Abuse Program and Policy Drug Minimum Detection Levels.

In addition to drug screening, alcohol level will be reported as positive if it is present at greater than or equal to 0.04g.

Substance Abuse Treatment

The City will make substance abuse treatment available to employees represented by the San Jose Police Officers' Association in the following way:

1. Self Referral

- A. If an employee believes he or she has a substance abuse problem, he or she may make a confidential appointment with a counselor at EAP.
- B. The counselor will evaluate the case and determine the appropriate level and type of treatment, if any. The EAP will approve a plan and facility. These decisions will be made jointly with the individual seeking treatment.
- C. The counselor will notify the City by an employee code number that treatment and funding is authorized. Claims administration will be handled confidentially as are other health insurance claims.

2. Formal Referrals

- A. If an employee's pattern of work behavior indicates a problem is potentially related to substance abuse, the supervisor may contact the EAP and define issues.
- B. The employee will be advised to go to the EAP for evaluation. Any participation in treatment is voluntary.
- C. If the employee accepts treatment, the procedures for developing a plan and the payment of bills by the City are the same as for the person who self refers.

3. Positive Drug Test

- A. If an employee tests positive on a drug test the department director or authorized representative will contact the EAP and initiate a formal referral. An evaluation by the EAP is mandatory. Participation in treatment is voluntary.
- B. The employee will sign a release allowing the EAP to advise the City about whether the employee is participating in and cooperating with treatment. No information can be released about the problem or treatment.

4. Settlement of a Proposed Discipline

- A. If an employee has received a Notice of Intended Discipline (NOID) for misconduct or job performance, either on or off the job, which has a substance abuse component, the City may agree to waive the discipline, if the employee will agree to and successfully comply with a treatment program.
- B. The specific terms of the agreement are determined on a case-by-case basis. The intent, however, is not to relieve the employee of responsibility for his/her actions. It is to encourage maximum access to rehabilitation.

5. Funding

The employee will pay thirty (30%) percent of treatment costs for a plan approved by the EAP for the employee. The city will pay the remainder of the cost, which is not covered by the employee's health insurance for one treatment.
