1 Universe excludes householders, reference persons of subfamilies, and their spouses.

2 If child lives with 2 parents, either parent is counted.

3 Recent immigrants are those who came to the United States between 1995 and 2000.

4 With one or more of the following disabilities: sensory, physical, mental, self-care, difficulty going outside the home, and employment

5 Poverty universe excludes children unrelated to the householder (foster children and other nonrelatives)

6 Determined by relationship of child to householder or to reference person in a related subfamily.

7 Includes households where a householder is living with their son or daughter and their grandchild; and where a householder is living with their child and their parent or parent-in-law

8 Excludes children aged 15 to 17 years who are the householder or unmarried partner in an unmarried partner household
