**§ 383.73 State procedures.**

(a) *Initial licensure.* Prior to issuing a CDL to a person, a State shall:

(1) Require the driver applicant to certify, pass tests, and provide information as described in §§ 383.71(a) (1) through (6);

(2) Check that the vehicle in which the applicant takes his/her test is representative of the vehicle group the applicant has certified that he/she operates or expects to operate;

(3) Initiate and complete a check of the applicant's driving record to ensure that the person is not subject to any disqualification under § 383.51, or any license suspension, revocation, or cancellation under State law, and that the person does not have a driver's license from more than one State or jurisdiction. The record check must include, but is not limited to, the following:

(i) A check of the applicant's driving record as maintained by his/her current State of licensure, if any;

(ii) A check with the CDLIS to determine whether the driver applicant already has been issued a CDL, whether the applicant's license has been suspended, revoked, or canceled, or if the applicant has been disqualified from operating a commercial motor vehicle;

(iii) A check with the National Driver Register (NDR) to determine whether the driver applicant has:

(A) Been disqualified from operating a motor vehicle (other than a commercial motor vehicle);
