Honorable Frederick P. Cerise  
Secretary  
Louisiana Department of Health and Hospitals  
P.O. Box 629

Dear Secretary Cerise:

This is to inform you that we have conditionally approved Louisiana's Application for Federal Fiscal Year (FFY) 2007 under Part C of the Individuals with Disabilities Education Act (IDEA). Our conditional approval is based on review of the application submitted by the Department of Health and Hospitals (DHH) to the U.S. Department of Education, Office of Special Education Programs (OSEP), on May 24, 2007 and revised on June 29, 2007, including policies, procedures, methods, descriptions, assurances, certifications, and submission statement provided in Section II, and incorporated by reference to this letter as noted in Enclosure A. In addition, the State provided the following specific assurances that it will:

1. Operate consistent with the Part C requirements in 20 U.S.C. 1431 through 1444 and applicable regulations in 34 CFR Part 303;
2. Ensure that the statewide system of early intervention services required by Part C and its implementing regulations is in effect throughout the FFY 2007 grant period; and
3. Make such changes to, and submit, as necessary, for OSEP's approval, the State's policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of Part C of the IDEA, as amended, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or June 30, 2008. Section II of the State's application identifies the IDEA statutory sections for which the State needs to amend any policies, procedures, methods and descriptions and the timelines by which the State will amend its policies, procedures, methods and descriptions in order to comply with Part C of the IDEA. Within Section II, the State has included the date by which it expects to complete necessary changes associated with any policies, procedures, methods and descriptions that are not yet in compliance with the requirements of Part C of the IDEA, as amended.

Our approval is also based on the revised policies provided under Section II.A. clarifying the State's eligibility criteria and coordination of funding submitted on June 29, 2007. Enclosed is the State's grant award for funds currently available under the Department of Education FFY 2007 Appropriations Act for the Part C program. These funds are available for obligation by States from July 1, 2007 through September 30, 2009.

The enclosed grant award for FFY 2007 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary.

*Our mission is to ensure equal access to education and to promote educational excellence throughout the Nation.*

These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Please note that as part of your State's application for FFY 2007, your State has made an assurance, in 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2007 grant period. Any changes made by the State to its FFY 2007 application or Part C policies or procedures that are application requirements, after issuance of this grant award, must meet the applicable public participation requirements under Part C of the IDEA in 34 CFR §§303.110 through 303.113 and if they are requirements under Section II.A must be submitted to, and approved by, OSEP prior to the State's implementation of its new Section IV.B of the FFY 2007 application for Part C funds requested updated information about each State's restricted indirect cost rate. DHH indicated in Section IV.B that it has a cost allocation plan that was approved by DHH's cognizant Federal agency and is effective until amended. DHH's June 25, 2007 letter to OSEP indicates that DHH will determine the indirect costs that may be charged to the Part C grant during FFY 2007 based on the actual allowable costs a monthly basis by applying the cost allocation plan and excluding in the pool base all expenses for organizations and other items that are not permitted in a restricted setting, consistent with 34 CFR Part 76. DHH further indicated that its aggregated FFY 2007 charges for indirect costs shall not exceed eight percent (8%) of Louisiana's FFY 2007 allotment under Part C.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant a State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Patricia J. Guard  
Acting Director  
Office of Special Education Programs
