

(b) The regulations in 34 CFR part 425.

(Authority: 20 U.S.C. 1211(a))

§ 472.5 What definitions apply?

(a) The definitions in 34 CFR 460.4 apply to this part.

(b) The following definitions also apply to this part:

Adult worker means an individual who has attained 16 years of age or who is beyond the age of compulsory school attendance under State law, and whose receipt of project services is expected to result in new employment, enhanced skills related to continued employment, career advancement, or increased productivity.

Area vocational school means—

(1) A specialized high school used exclusively or principally for the provision of vocational education to individuals who are available for study in preparation for entering the labor market;

(2) The department of a high school exclusively or principally used for providing vocational education in no less than five different occupational fields to individuals who are available for study in preparation for entering the labor market;

(3) A technical institute or vocational school used exclusively or principally for the provision of vocational education to individuals who have completed or left high school and who are available for study in preparation for entering the labor market; or

(4) The department or division of a junior college or community college or university operating under the policies of the State board and that provides vocational education in no less than five different occupational fields leading to immediate employment but not necessarily leading to a baccalaureate degree, if, in the case of a school, department, or division described in paragraphs (3) and (4) of this definition it admits as regular students both individuals who have completed high school and individuals who have left high school.

§ 472.22 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application:

(a) *Program factors.* (15 points) The Secretary reviews each application to determine the extent to which the project—

(1) Demonstrates a strong relationship between skills taught and the literacy requirements of actual jobs, especially the increased skill requirements of the changing workplace;

(2) Is targeted to adults with inadequate skills for whom the training described is expected to mean new employment, continued employment, career advancement, or increased productivity;
