# ANNUAL RETAIL TRADE REPORT 2002

(Please correct any error in name, address, and ZIP Code)

#### **GENERAL INSTRUCTIONS**

**Please read all instructions** and complete all items in this report. If book figures are not available, carefully prepared estimates, labeled "Est." are acceptable.

This report should cover ALL retail department stores operated by your company and its subsidiaries in the United States (all 50 States and the District of Columbia), except for subsidiaries or operating units which have been requested to submit separate Annual Retail Trade Reports to the U.S. Census Bureau.

Data for auxiliary facilities of your firm primarily engaged in furnishing supporting services to your department store(s) (such as warehouses, garages, central administrative offices, and repair services), should also be included in this report.

Data for retail establishments operated by other firms, such as by franchise, should be excluded entirely from this report.

For those establishments acquired or sold during 2002, only include data for the period they were operated by your firm.

#### Leased departments and concessions

- Include in item 2, sales from departments and concessions operated by other firms in your department store(s). Exclude from all other items of this report.
- 2. **Exclude** from all items of this report, departments and concessions operated by this firm in establishments of other firms.
