1 Excludes premium pay for overtime and for work on weekends, holidays, and late shifts. Also excluded are performance bonuses and lump-sum payments of the type negotiated in the auto and aerospace industries, as well as profit sharing payments, attendance bonuses, Christmas or year-end bonuses, and other nonproduction bonuses. Pay increases, but not bonuses, under cost-of-living clauses, and incentive payments, however, are included.

2 Pay data for the following occupational levels did not meet publication criteria in any area: Buyers/Contracting Specialists V, Computer Systems Analyst Supervisors/Managers IV, and Personnel Supervisors/Managers V. For two occupations, only a single area published average pay data: Budget Analyst Supervisors I averaged \$1,082 in Columbus, OH; and Personnel Supervisors/Managers IV averaged \$2,404 in New York, NY.

3 Areas do not appear on this

1 Excludes premium pay for overtime and for work on weekends, holidays, and late shifts. Also excluded are performance bonuses and lump-sum payments of the type negotiated in the auto and aerospace industries, as well as profit sharing payments, attendance bonuses, Christmas or year-end bonuses, and other nonproduction bonuses. Pay increases, but not bonuses, under cost-of-living clauses, and incentive payments, however, are included.

2 Pay data for Personnel Assistants (Employment) I did not meet publication criteria in any area.

3 Areas do not appear on this

Table if they had no publishable data for these occupations or for this level of industry detail.

1 Excludes premium pay for overtime and for work on weekends, holidays, and late shifts. Also excluded are performance bonuses and lump-sum payments of the type negotiated in the auto and aerospace industries, as well as profit sharing payments, attendance bonuses, Christmas or year-end bonuses, and other nonproduction bonuses. Pay increases, but not bonuses, under cost-of-living clauses, and incentive payments, however, are included.

2 Areas do not appear on this

Table if they had no publishable data for these occupations or for this level of industry detail.
